

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

THOMAS' TOWN OFFICER.

A DIGEST

OF THE

LAWS OF MASSACHUSETTS

IN RELATION TO THE

POWERS, DUTIES AND LIABILITIES

OF TOWNS,

AND OF

TOWN OFFICERS;

WITH THE NECESSARY FORMS.

NEW EDITION,

REVISED, CORRECTED, AND BROUGHT DOWN TO THE PRESENT TIME,

BY

DWIGHT FOSTER AND JAMES E. ESTABROOK,

COUNSELLORS AT LAW.

W O R C E S T E R :

PUBLISHED BY ENOS DERR & CO.

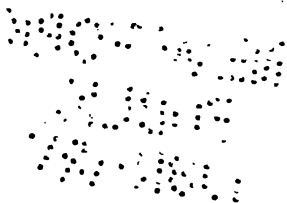

1856.

Entered according to the act of Congress, in the year 1856, by

ENOS DORR & Co.,

In the Clerk's Office of the District Court of Massachusetts.

PRINTED BY HENRY J. HOWLAND, WORCESTER.

P R E F A C E .

The last edition of this Book was published in 1849. Many new laws have been passed since that time, to some extent inconsistent with existing ones, which nevertheless were left unrepealed unless by implication. In such instances, the editors have published both provisions, without undertaking to express their own opinions upon questions of difficulty and delicacy.

It is hoped the work will continue to be regarded a convenient and trustworthy manual for those engaged in the administration of town affairs. .

TOWNS.

POWERS OF TOWNS.

|-----------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| 1. Towns to be bodies corporate as heretofore. | from raising, borrowing or expending money for illegal purposes. |
| 2. Towns may sue and be sued. | 11. Towns may make by-laws. |
| 3. Towns may hold property, make contracts, &c. | 12. To be approved by Court of Common Pleas. |
| 4. Towns may grant money for town schools, the poor, and other necessary charges. | 13. The Supreme Court can not revise their discretion. |
| 5. The Statute not an enumeration of objects for which towns may raise money. | 14. If not reasonable, void. |
| 6. Rule to determine what are necessary charges. | 15. Binding on all persons coming within the town. |
| 7. Enumeration of necessary charges. | 16. To be published. |
| 8. Towns not bound, even by express votes, for contracts not within the scope of corporate objects. | 17. Authority of cities to make by-laws. |
| 9. Illustration of the rule. | 18. Towns may make by-laws respecting the keeping of dogs. |
| 10. How towns may be restrained | 19. Towns may suspend the operation of certain laws relative to the killing of birds. |
| | 20. Other powers of towns. |

1. The inhabitants of every town shall continue to be a body corporate, with all the powers heretofore exercised by towns, and subject to all the duties to which they have heretofore been liable. *R. S. c. 15, § 8.*

2. The inhabitants of towns, in their corporate capacity, may sue and be sued in the manner prescribed by law, and may appoint all necessary agents and attorneys in that behalf. *Id. § 10.*

3. Towns shall have power to hold real estate, for the public uses of the inhabitants, and to convey the same, either by vote of the inhabitants, or by a deed of their committee or agents; to hold personal estate, for the public uses of the inhabitants, and to alienate and dispose of

the same by vote or otherwise ; to hold real and personal estate, in trust, for the support of schools, and for the promotion of education, within the limits of the town ; to make any contracts, which may be necessary and convenient for the exercise of their corporate powers, and to make any orders for the disposal or use of their corporate property, which they may judge necessary or expedient for the interest of the inhabitants. *Ib.* § 11.

4. Towns shall have power, at any legal meeting, to grant and vote such sums of money as they shall judge necessary for the following purposes, that is to say,

For the support of town schools :

For the support and maintenance of the poor :

For burial grounds ; and

For all other *necessary charges* arising within the same town. *Ib.* § 12.

5. It seems very clear that the above statement was not intended to be an enumeration of objects and purposes for which towns may raise money, but the expression of a few leading and prominent objects, by way of instance, and a general reference to others, under the term " other necessary charges." 12 *Pick.* 230. 23 *Pick.* 76.

6. To bring any appropriation within the description of necessary town charges, it must be for the execution of some corporate power, the performance of some corporate duty, or the enjoyment of some corporate right as established by law, or by long usage. 23 *Pick.* 76.

In relation to usage, the Supreme Court remark in the same case, that it is not a casual or occasional exercise of a power, by one or a few towns, which will constitute such a usage ; but it must be a usage, reasonable in itself, general among all towns of like situation, as to settlement and population, and of long continuance. 23 *Pick.* 79.

7. Some of these charges, besides those for the support of the poor, schools, and for burial grounds, are—

The payment of municipal officers. 13 *Mass.* 279.

The support of such actions as towns may be parties to. *Ib.*

The making and repair of townways, causeways and bridges. *R. S. c.* 24, § 68. *c.* 25, § 1.

The making and repair of highways within the town. *Ib. c.* 24, § 73.

The erection and maintenance of guide posts. *Ib. c.* 25, § 28.

The erection of town houses, and market houses, for the use of the town. 13 *Mass.* 274. 23 *Pick.* 71. 5 *Met.* 40.

The erection of alms houses, and work houses. *R. S. c.* 16, § 1.

The erection of hospitals for the reception of persons having diseases dangerous to public health. *Ib. c.* 21, § 35.

The inoculation of inhabitants with the cow pox. *Ib. c.* 21, § 45.

The establishment of a quarantine ground. *Ib. c.* 21, § 27.

Bounties on the destruction of noxious animals. *Ib. c.* 55, § 3.

The maintenance of watch within the town. *Ib. c.* 17, § 7.

Provision for the extinguishment of fires, including the purchase and repair of engines, and other fire apparatus—the compensation of engineers, firewards, and engine men. 19 *Pick.* 485. 3 *Met.* 163.

The construction of reservoirs for water to supply fire engines. 3 *Met.* 163.

The indemnification of owners of buildings destroyed to stop fire in certain cases. *R. S. c.* 18, § 7. 8 *Met.* 462.

The indemnification of its officers against liabilities incurred in the *bona fide* discharge of their duties, even

though they have exceeded their legal rights and authority. 7 *Pick.* 18. 18 *Pick.* 566.

The equipment of poor soldiers, and other expenses incurred by the discharge of duties, imposed on towns by the Militia Laws. *R. S. c.* 12, § 27. *Stat.* 1837, *c.* 240, § 10, 11.

The establishment and maintenance of Public Libraries. *Stat.* 1851, *c.* 305.

The writing and publication of Town Histories. *Stat.* 1854, *c.* 429.

8. Corporations can only exercise their powers over their respective members, for the accomplishment of limited and well defined objects. And a town in its corporate capacity, will not be bound, even by the express vote of the majority, to the performance of contracts, or other legal duties not coming within the scope of the objects and purposes for which they are incorporated. 23 *Pick.* 75. 1 *Met.* 284, 287. 11 *Pick.* 396. 13 *Mass.* 272. 16 *Mass.* 48.

9. To give an illustration of the foregoing rule. A town has no authority to raise money to aid in the construction of a road which by law is to be made at the expense of the County; and, consequently, a tax laid by the town, for the purpose of collecting the money, is illegal and void. 11 *Pick.* 396. *See also* 13 *Mass.* 272.

10. Whenever any city or town shall have voted to raise by taxation, or by pledge of its credit, or to pay over from moneys in its treasury, any sum or sums of money, for any other purpose, or purposes, than those for which it may have the legal right and power so to do, the Supreme Judicial Court shall have power, upon the suit, or petition, of any inhabitants, not less than ten, of such city or town, liable to be taxed therein, briefly setting forth the cause of complaint, to hear, and finally determine in equity all such cases; and any justice of said court may, as well in vacation as in term time, issue an injunction, and make all such orders and decrees as may be necessary or proper to restrain or prevent any violation or abuse of said legal right and power of such city or town, until the final determination of such causes by the Supreme Judicial Court; and no order or decree of said court, or of any justice thereof, shall be discharged or invalidated on account of want of jurisdiction in said court or justice. *Stat.* 1847, c. 37.

11. The inhabitants of any town in this Commonwealth, shall have power and authority to make all by-laws that may be necessary to preserve the peace, good order, and internal police of their respective towns: or for directing and managing their prudential affairs, and they may annex suitable penalties, not exceeding twenty dollars for any one breach thereof, to be recovered by complaint, before any justice of the peace for the county in which the offence may be committed, and to enure to such uses as the town may direct. *R. S. c. 15, § 13. Stat.* 1847, c. 166.

12. The by-laws must be approved by the Court of Common Pleas for the county, and must not be repugnant to the laws of the Commonwealth. *Id.*

13. The Supreme Court have no jurisdiction to revise the judgment of the Court of Common Pleas in reference to by-laws. 3 *Cush.* 336.

14. These by-laws, if reasonable, have as full force as if made by the legislature, and whether reasonable or not, is a question of law for the Court. If unreasonable they are void. 3 *Pick.* 473. 6 *Pick.* 191. 1 *Met.* 135.

15. The by-laws duly made by any town shall be binding upon all persons coming within the limits thereof, as well as upon the inhabitants of such town. *R. S. c. 15, s. 14.*

17. The city council of any city shall have power and authority to make all by-laws, not inconsistent with the laws of the Commonwealth, that may be necessary to preserve the peace, good order, and internal police of the city, and may annex suitable penalties, not exceeding twenty dollars for any one breach thereof, to be recovered by complaint before any police court in such city, or any justice of the peace in a city where no police court is established. *Stat.* 1847, c. 262.

18. The inhabitants of any town and city council of any city, may make such by-laws concerning the licensing, regulating and restraining of dogs, going at large, as they shall deem expedient, and may affix any penalties, not exceeding ten dollars for any breach thereof: providing that no such by-law shall extend to any dog, not owned or kept in such town, and that no person shall be obliged to pay more than two dollars, annually, for any license granted under the provisions of this section. *R. S. c. 58, § 10. Stat.* 1850, c. 245.

All money received for the licenses in any town, shall be paid to the Treasurer for the use of the town. *Ib.* § 11.

19. Towns may suspend by vote, in whole, or in part, the operation of the second and third sections of the fifty-third chapter of the Revised Statutes, and of Statutes

1855, chapter 197, in relation to the preservation of certain useful birds. *R. S. c. 53, § 4. Stat. 1855, c. 197.*

1. The annual meeting of each town shall be held in the month of March or April; and other meetings shall be held at such other times as the selectmen shall order. *R. S. c. 15, § 18.*

The annual meeting may be held in the month of February in any town which, at a legal meeting notified therefore, shall vote so to do. *Stat. 1837, c. 52.*

That towns may avail themselves of the above provision, a change would seem necessary in the third and fourth sections of chapter third in the Revised Statutes, regulating the return of tax bills by collectors and the making out and posting up of lists of voters by selectmen. *R. S. c. 3, § 3, and 5.*

2. Every town meeting shall be held in pursuance of a warrant under the hands of the selectmen, directed to the constables or some other persons, appointed by the selectmen for that purpose, who shall forthwith notify such meeting, in the manner which shall have been ordered by the by-laws, or by any vote of the town. *R. S. c. 15, § 19.*

Where the warrant was signed by one selectman only, "by order of the selectmen," the meeting was held to be illegal, and its proceedings void. *6 Met. 340.*

3. The selectmen may, by the same warrant, call two or more distinct town meetings for distinct purposes. *Ib. § 20.*

4. Warrants for town meetings need not have seals annexed to them. *R. S. c. 15, § 19. 10 Mass. 105.*

6. To render valid a vote of a town granting money for any particular object, it is not necessary that the warrant for the meeting should state specifically, that the inhabitants will be called to act on the question of granting money for that purpose, if the subject to be acted on is distinctly stated, and it is one which will be likely to require a grant of money. *9 Pick. 97. 21 Pick. 68.*

7. The selectmen shall insert in the warrant all subjects, which may, in writing, be requested of them by any ten or more voters of such town. *R. S. c. 15, § 22.*

8. If the selectmen of any town shall unreasonably refuse to call a meeting, any justice of the peace of the county, upon the application of ten or more legal voters of the town, may, if he shall think proper, call such meeting, by a warrant under his hand, directed to the constables of the

town, if any there be, and otherwise, to any of the persons applying therefor, directing them to summon the inhabitants qualified to vote in town affairs, to assemble at the time and place and for the purpose expressed in the warrant. *Ib.* § 23.

10. Whenever any town at their annual meeting, shall fail to elect a full board of selectmen, or whenever a part of the selectmen chosen shall refuse to act, or omit to be qualified according to law, the selectmen or selectman chosen and qualified, may sign warrants for town meetings until a full board shall be elected, and any town may, at a meeting held subsequently to the annual meeting, elect selectmen to fill any vacancy which may exist in the board. *Stat.* 1855, c. 8.

12. If it appears of record that a town meeting was regularly called and held, and officers chosen, without any objection on account of deficiency in warning, any anterior irregularity provable only by parol, cannot vitiate the choice of any officers had at such meeting. 1 *Pick.* 113.

13. If persons should vote, not legally authorised, without being challenged, it would not vitiate the proceedings. 3 *Pick.* 243.

14. At all the town meetings, except those held for the election of governor, lieutenant governor, senators, representatives in the general court, representatives in Congress, electors of president and vice-president of the United States, and county commissioners, a moderator shall be first chosen. *Ib.* § 26.

2. Every town meeting shall be held in pursuance of a warrant under the hands of the selectmen, directed to the constables or some other persons, appointed by the selectmen for that purpose, who shall forthwith notify such meeting, in the manner which shall have been ordered by the by-laws, or by any vote of the town. *R. 6. To render valid a vote of a town granting money for any particular object, it is not necessary that the warrant for the meeting should state specifically, that the inhabitants will be called to act on the question of granting money for that purpose, if the subject to be acted on is distinctly stated, and it is one which will be likely to require a grant of money. *9 Pick. 97. 21 Pick. 68.*

7. The selectmen shall insert in the warrant all subjects, which may, in writing, be requested of them by any ten or more voters of such town. *R. S. c. 15, § 22.*

8. If the selectmen of any town shall unreasonably refuse to call a meeting, any justice of the peace of the county, upon the application of ten or more legal voters of the town, may, if he shall think proper, call such meeting, by a warrant under his hand, directed to the constables of the

town, if any there be, and otherwise, to any of the persons applying therefor, directing them to summon the inhabitants qualified to vote in town affairs, to assemble at the time and place and for the purpose expressed in the warrant. *Ib.* § 23.

10. Whenever any town at their annual meeting, shall fail to elect a full board of selectmen, or whenever a part of the selectmen chosen shall refuse to act, or omit to be qualified according to law, the selectmen or selectman chosen and qualified, may sign warrants for town meetings until a full board shall be elected, and any town may, at a meeting held subsequently to the annual meeting, elect selectmen to fill any vacancy which may exist in the board. *Stat.* 1855, c. 8.

11. Any town meeting may be adjourned from time to time, and to such place, within the town, as the meeting shall determine. *Ib.* § 25.

12. If it appears of record that a town meeting was regularly called and held, and officers chosen, without any objection on account of deficiency in warning, any anterior irregularity provable only by parol, cannot vitiate the choice of any officers had at such meeting. 1 *Pick.* 113.

13. If persons should vote, not legally authorised, without being challenged, it would not vitiate the proceedings. 3 *Pick.* 243.

While acting within their appropriate sphere, they have the same protection and immunities which judicial officers have. *21 Pick. 382.*

1st. All Indians.

2nd. Those who by reason of age, infirmity and poverty, may, in the judgment of the assessors, be unable to contribute towards the public charges. *R. S. c. 7, § 1 & 5.*

3. 4. As to persons over seventy years of age, the provision of the statute is as follows : A poll tax shall be assessed upon every male inhabitant of the Commonwealth, above the age of seventy years, excepting *paupers and persons under guardianship*, whether a citizen of the United States, or an alien, in the manner heretofore provided by law. *Stat. of 1844, c. 145.*

5. 1. The poll tax shall be assessed upon each taxable person in the town where he shall be an inhabitant on the first of May in each year. *R. S. c. 7, § 6.*

2. The word "inhabitant," as used in the statutes, may be construed to mean a resident in any city or town. *R. S. c. 2, § 6.*

3. Questions of residence, inhabitancy, or domicile (for although not in all respects precisely the same, they are nearly so, and depend upon much the same evidence,) are among the most difficult presented for adjudication in courts of law. To a manual like this, the town officer will not look for a minute and elaborate discussion of the subject. We thought it well to state a few general, well settled rules, the careful application of which will enable him to settle many of the questions that arise. When the facts are complicated and conflicting, his safe course is to resort to legal counsel.

4. I. That place is the domicile of a person in which his habitation is fixed without any present intention of removing therefrom. 10 *Mass.* 488, 501. *Story's Conflict of Laws*, 41. *Encyc. Am. Domicil*.

VII. If a person removes to another place with an intention to make it his permanent residence, it becomes instantaneously his place of domicile. *Story*, 45, 46.

Whether a person removing from one town to another intends to change his residence, is a question of fact and not of law. 4 *Cush.* 190.

VIII. Residence in a place to produce a change of domicile must be voluntary. If therefore it be by constraint or by arrest or by imprisonment, the antecedent domicile remains. *Story's Con. of Laws*, 46.

S. c.* 7, § 10, c. 1, and *St.* 1839, c. 139, § 1, to taxation for such goods, in the town where he so does his business. 4 *Cush.* 543.

Ib. § 31.

25. The assessors shall, within a reasonable time, commit the said tax list, with their warrant, under their hands, to the collector for collection. *Ib.* § 32.

Tax list must accompany the warrant, though it need not be actually annexed. 13 *Met.* 93.

26. The warrant, if signed by a majority only of the assessors, is valid. 19 *Pick.* 436, 442.

27. The warrant of the assessors shall specify the duties of the collector, as prescribed by law, in the collection of taxes, and the times when, and the persons to whom, the same shall be paid in by the collector, and it shall be substantially in the form heretofore used, except that it shall not be required to be under seal. *R. S. c.* § 33.

28. If there be no collector, the assessors shall commit

the tax lists, with their warrant, in the form prescribed in the preceding section, to the sheriff or his deputy, whose duty it shall be to collect such taxes. *Ib.* § 34.

29. Constables are to be collectors of taxes, when either the town does not choose collectors, or those chosen do not serve. It is therefore only when there shall be no constable or collectors, that *tax lists* are to be committed by the *assessors* to the sheriff of the county or his deputy. *R. S. c. 15, § 79.*

When the town treasurer is appointed collector of taxes he may appoint deputies with the powers of collectors, or he may issue a warrant to the sheriff or his deputy, or any constable of the town, directing them to distrain the property or take the body of any person who may be delinquent in the payment of taxes, and proceed in like manner as collectors are required to do. *R. S. c. 15, § 60, 61.*

See also title Collectors.

30. When any warrant, issued for the collection of taxes, by the assessors of any town or parish, shall be lost or destroyed, the assessors of the same place may issue a new warrant therefor, which shall have the same force and effect as the original warrant. *Art. of Amendment, § 51.*

31. If one of three assessors, after notice, refuse to attend and act in assessing a tax, the other two may proceed without him. *R. S. c. 2, § 6. 21 Pick. 82. 19 Pick. 442.*

32. The omission to tax any person, or any polls or estates, through accident, error of judgment or mistake of law, does not render the tax void, or invalidate it in regard to other persons. *5 Mass. 547. 5 Pick. 498. 21 Pick. 81, 82. Ib. 97. 4 Met. 599.*

33. If the assessors include in the assessment, persons not liable to be taxed, the tax may be enforced against those rightfully included. *5 Pick. 498.*

34. If the assessment of a tax be illegal and void, it may be re-assessed, but if it be once legally assessed, and a warrant issued for its collection, a re-assessment will be illegal and void. 15 *Mass.* 144. 5 *Pick.* 490. 7 *Pick.* 25.

35. Where separate and distinct real estates belong to the same owner, they are to be considered as distinct subjects of taxation, and must be separately valued and assessed; and each estate is subject to a lien for the payment of that portion only of the owner's tax, which shall be assessed on such particular estate. 13 *Pick.* 492.

One who is liable to be taxed in a city or town for real and personal property, cannot maintain assumpsit against the city or town, to recover back any part of a tax assessed upon and paid by him on the ground that the assessors in their valuation list, assessed certain lots of land separately, which should have been assessed together, and assessed other lots as one estate which should have been assessed separately. 8 *Cush.* 55.

36. A tax would be void, if made from the valuation and invoice of a preceding year. Or if the grants for two successive years are brought into one tax, or if two successive taxes are founded upon one valuation. 16. 1 *Pick.* 140.

37. After any general assessment of a tax has been made by the assessors of a town, and committed to the proper officer for collection, and before another tax is committed to the assessors to assess, they have no authority to assess a poll or other tax on any person for the purpose of enabling him to vote at an election; (except as before provided in section 10,) nor is any person, on the payment of a tax so assessed upon, qualified to vote, according to the third article of amendment of the constitution. 18 *Pick.* 575.

38. For the purpose of taxation, it shall be the duty of

the cashiers of the several banks, the clerks of the several railroad corporations, and the clerks of all insurance companies (except mutual insurance companies,) and the clerks of manufacturing, bridge, turnpike, and canal corporations, in this Commonwealth, annually, between the first and tenth day of May, to make returns in person or by mail, to the assessors of every city or town in this Commonwealth, in which any shareholder in such corporation may reside, in manner following, viz: The return shall state the name of each owner residing in such town, with the number of shares belonging to each, on the first day of May, of that year, and the par value of such shares. *Stat.* 1843, c. 98, § 1.

Every clerk of any manufacturing corporation, in the return required to be made by him, shall state the whole amount of the capital stock of such corporation, and the amount of real estate and machinery which was assessed to the said corporation in the last assessment of the city or town where such corporation is situated. *Stat.* 1845, c. 190.

39. It shall be the duty of all the corporations named in the first section of the ninety-eighth chapter of the laws of the year eighteen hundred and forty-three, annually, between the first and tenth day of May, to make return by mail, or otherwise, to the assessors of every city or town in this Commonwealth, in which any shareholder in such corporation may reside, the name of each owner residing in such city or town, with the number of shares belonging to such stockholder, on the first day of May of that year, and the par value of such shares, and shall also state the whole amount of the capital stock of such corporation, and the amount of real estate and machinery which was last assessed to said corporation, in the city or town where the place of business of said corporation is situated. *Stat.* 1850, c. 308. *Stat.* 1855, c. 466.

40. If any one of said corporations shall refuse or neglect to make such returns, or shall make any false returns, such corporation, so offending, shall forfeit, for every such offence, a sum not less than fifty dollars, nor more than one thousand dollars, to the use of any city or town in which any such shareholder may reside, to be recovered by action of debt, in the name of the treasurer of said city or town, in any court of competent jurisdiction. § 2.

41. All provisions of law, requiring such returns to be made by the clerks or other officers of said corporations, are hereby repealed. But nothing in this act contained shall affect any action now pending, or any right or cause of action, existing when this act shall take effect. *Stat.* 1850, c. 308, § 3.

42. In addition to the statement now required by the ninety-eighth chapter of the statutes, passed in the year eighteen hundred and forty-three, and the three hundred and eighth chapter of the statutes, passed in the year eighteen hundred and fifty, to be made by certain corporations therein named, in their returns to the assessors of taxes, such return shall further contain a statement, according to the best knowledge and belief of the officer making them, of the cash market value of all shares named in such returns at the time of making the same. 1853, c. 33.

43. For the purposes of taxation, it shall be the duty of all aqueduct corporations in this Commonwealth, annually, between the first and tenth day of May, to make returns to the assessors of every city or town in the Commonwealth, in which any shareholder in such corporation may reside, in the manner provided for the returns of banks and other corporations, by the first section of the ninety-eighth chapter of the statutes of the year one thousand eight hundred and forty-three, and the three hundred and eighth chapter of the statutes of the year one thou-

1. The selectmen of any town may, by writing under their hands, license, for the term of one year, one or more suitable inhabitants of such town, to be auctioneers within the same; and each person receiving such license shall pay to the selectmen, for their use, the sum of two dollars.

The selectmen shall record every license, so granted, in a book so kept by them for that purpose. *R. S. c. 29, § 1 and 2.*

2. If the selectmen shall unreasonably refuse or neglect, after application made to them in writing, to license any person applying, such person, after giving fourteen days notice to them, and also giving them bonds to pay all costs in the case, may apply to the county commissioners of his county, who, on hearing the parties, may license the person so applying, if they shall judge it reasonable. *Id. § 3.*

3. Each auctioneer shall give a bond, in a reasonable penalty, with sufficient sureties, to the treasurer of the Commonwealth, with condition to pay all auction duties, required by law, to the treasurer of the Commonwealth, and also that he shall, in all things, well and truly conform to the laws relating to auctions: which bonds shall be taken by the persons who granted the license, and be by them duly transmitted to the treasurer of the Common-

wealth, with an indorsement of their approval thereon. *Ib.* § 6.

4. Every licensed auctioneer shall keep a fair and particular account of all goods and chattels sold by him, of the persons of whom the same were received, and of the names of the persons to whom the same shall have been sold. *Ib.* § 5.

5. If any person, not licensed and qualified as an auctioneer, shall sell or attempt to sell any real or personal estate whatsoever, by way of public auction, he shall be deemed guilty of a misdemeanor, and shall be punished by a fine not exceeding five hundred dollars, for every offence. *Ib.* § 7.

6. An auctioneer duly licensed may sell in any town within his county. *Stat.* 1837, c. 233.

7. If any person, licensed as aforesaid, shall receive for sale by auction, any goods from any minor or servant, knowing him to be such, or shall sell by auction any of his own goods before sunrise or after sunset, he shall forfeit to the use of the town a sum not exceeding two hundred dollars, for each offence. *Ib.* § 4.

9. If any person, not being licensed as an auctioneer in any town, shall sell or offer for sale, by auction, in such town, any goods or chattels, he shall forfeit the said goods and chattels to the use of such town, and the same may be seized by the selectmen of such town and libelled, according to the provisions of the one hundred and eighteenth chapter of the Revised Statutes concerning the seizing and libelling of forfeited goods. *Ib.* § 9.

10. It shall be lawful for any person or corporation having real or personal estate in any city or town in this Commonwealth, to be sold by public auction, to employ, for the purpose of making such sale, any auctioneer duly licensed under the provisions of the twenty-ninth chapter of the Revised Statutes. And any auctioneer so employed

is hereby authorized to sell such real or personal estate upon the premises where the same may be situated, although it may be without the limits of the county in which he resides, or has his license; any thing in said twenty-ninth chapter to the contrary notwithstanding.

11. Nothing contained in this act, or in an act entitled, "an act concerning auctioneers," passed in the year one thousand eight hundred and thirty-seven, shall be construed as authorizing, or in any way empowering, hawkers and pedlars, or other itinerant traders, who may now hold, or may hereafter hold, an auctioneer's license, to sell, or to expose for sale, by public auction, any goods, wares, or merchandice whatever, in any other city or town than in the one from whose authorities such license was obtained; and there only in such place or places as shall be expressly described or set forth in said license. *Stat. 1852, c. 115.*

12. The tenants or occupants of any house or store, having the actual possession and control of the same, who shall knowingly permit any person to sell any real or personal estate by public auction, in their said house or store, or in any apartment or yard appurtenant to the same, contrary to the provisions of this chapter, shall forfeit to the use of the town, a sum not exceeding five hundred dollars. *Ib. § 10.*

13. Nothing in this chapter shall extend to sales made by sheriffs, deputy sheriffs, coroners, constables, collectors of taxes, executors, administrators, guardians, or any other person required by law to sell any real or personal estate by public auction. *Ib. § 11.*

14. No license granted as aforesaid shall remain in force for more than one year from the date thereof. *Ib. § 12.*

15. An auctioneer cannot delegate his power to sell by auction, but he may employ another person to use the hammer, and make the outcry, under his immediate direc-

tion and supervision; nor will his occasional absence during the sale, subject his servant to the penalties of the statute against selling by auction without a license. 19 *Pick.* 482.

16. Hereafter no tax or duty shall be imposed on any sale by auction. *Stat.* 1852, c. 139.

1. Collectors may be chosen in such a manner as the meeting shall determine. As however the treasurer is to be chosen by ballot, whenever the town vote to unite the offices, treasurer and collector, they must elect by ballot. *R. S. c.* 15, § 33, 34, 60.

2. Collectors must be sworn to the faithful discharge of the duties of their office. *Ib.* § 33.

3. The following form of oath will answer for this and all cases where officers are to be sworn only to the faithful discharge of the duties of their office.

You, (name of person,) having been elected (name of office,) for the town of (name of town,) for the year ensuing, solemnly swear that you will faithfully discharge the duties of that office. So help you God. *Ib.*

4. Every collector shall give bond to the town, in such sum as the selectmen shall require, and with sureties to

their satisfaction, for the faithful discharge of the duties of his office. *Ib.* § 80.

5. In case the persons chosen by a town as collectors shall refuse to serve in that office, or if no choice shall be made of such officers, the constables of the town shall be collectors of taxes. *Ib.* § 78.

6. The inhabitants of any town may, at any meeting, appoint their treasurer collector of taxes; and he may then appoint, under him, such deputies as may be necessary, who shall give such bonds for the faithful discharge of their duty, as the selectmen shall think proper; and the said collector and his deputies shall have the same powers, as are vested in collectors of taxes. *Ib.* § 60.

7. Any town treasurer, being appointed collector, may issue a warrant to the sheriff of the county, or his deputy, or to any constable of the same town, directing them to distrain the property, or take the body of any person who may be delinquent in the payment of taxes, and to proceed therein, in like manner, as collectors are required to do, in the like cases. *Ib.* § 61.

8. Any town in this Commonwealth may, at any meeting duly notified for that purpose, by their vote, authorize and empower the collector or collectors of taxes to use any and all means of collecting the taxes committed to him or them to collect, which may now be lawfully used by town treasurers when acting as collectors. *Stat.* 1850, c. 57.

9. The collectors of state and county taxes, in each town, shall keep an accurate account of the names of all persons from whom they shall have received payment of any state or county tax, and of the time of such payment; and, upon request, shall deliver, to the person making the payment, a receipt, specifying his name and the time of such payment; and such receipt shall be admitted as presumptive evidence thereof. *R. S. c.* 3, § 2.

10. The said collectors, whether the time for which they

were respectively chosen shall have expired or not, shall, twice in each year, namely, once in the month of February, not more than twenty days nor less than fifteen days before the first Monday in March, and once in the month of October, not more than twenty days nor less than fifteen days before the second Monday in November, return to the selectmen of their respective towns, an accurate list of all persons from whom they shall have received payment of any state or county tax, subsequently to the time appointed for making their last preceding return. *Id.* § 3.

11. Any collector who shall neglect to make such return, as is required in the preceding section, shall forfeit the sum of one hundred dollars, for every such neglect; and any collector, who shall make a false return, in respect to any part of such list, shall forfeit the sum of twenty dollars for every name, in respect to which he shall have made a false return. *Id.* § 4.

12. It is not necessary that the list should be delivered to the selectmen at a meeting of the board; a delivery to one of them is sufficient.

The list is to remain with the selectmen for their use, and must not be taken away again by the collector. 7 *Pick.* 286.

13. Every collector shall be paid such compensation for his services as his town shall determine. *R. S. c. 8, § 47.*

For fees of collectors for the execution of any process, see title "Collection of Taxes."

14. Whenever the office of town treasurer, or the office of collector of taxes, in any town in this Commonwealth, shall be vacant by reason of death, removal, sickness, or other cause, or whenever such treasurer or collector shall be prevented from performing the duties of his office, the selectmen of such town may appoint in writing under

their hands, a town treasurer or collector of taxes pro tempore, who shall hold his office until another is chosen in his place, and shall be sworn and give bonds for the faithful discharge of the duties of his office, in the same manner as town treasurers and collectors of taxes are now required to do. *Stat.* 1838, c. 43.

15. Assessors have also the power in certain cases to appoint persons to *complete the collection of any tax*; but not to fill a vacancy in the office of collector of taxes. See *title Collection of taxes*.

16. As some of our towns still continue the custom of putting up the office of collector of taxes at auction, it may be well to remind them that the Supreme Court, in a late case, intimated the opinion that if the terms of the vendue are such that the highest bidder should at all events obtain the appointment, without regard to his fitness or qualifications, it would be difficult to sustain the election. 20 *Pick.* 418, 429.

ceed to collect the taxes therein mentioned, according to the warrant. *R. S. c. 8, § 1.*

2. A warrant to the collector of taxes, signed by a majority of the assessors, is valid. 19 *Pick.* 436.

Where the only defect in a warrant, issued by assessors, to a collector of taxes, was an omission to direct him to sell distrained goods within seven days, it was held he was justified by such warrant in distraining goods and selling them in seven days, according to law. 1 *Met.* 328.

3. Every collector shall complete his collection of the taxes committed to him, notwithstanding his term of office shall have expired, before completing the same; except in the cases where he shall be removed from office by the assessors. *R. S. c. 8, § 2.*

75. If any collector shall neglect so to exhibit his accounts, he shall forfeit to the use of his town the sum of two and a half per cent. on the sums committed to him for collection. *Ib.* § 45.

76. It is a well settled rule of law that executive officers are not liable to actions for the regular execution of precepts sufficient in point of form, and coming from an authority having jurisdiction of the subject. 13 *Mass.* 282, 283. *Ib.* 288. 19 *Pick.* 436.

77. This rule applies to collectors. In every case within the power of the assessors to decide, their warrant justifies the collector, and he is holden to execute it; for he does not incur the penalty of their misdoings, or wrong estimates. 10 *Mass.* 119. 13 *Mass.* 282, 283.

78. Nor is he responsible for the regularity of the town meeting or the validity of the votes of the meeting at which the tax is granted. 19 *Pick.* 436, 440.

79. Fees* for levying a tax of distress for any sum not exceeding one hundred dollars, are four cents for every dollar; all above one hundred dollars, and not exceeding two hundred dollars, two cents for every dollar; and for all above two hundred dollars, one cent for every dollar; necessary travel one way, four cents a mile. *R. S. c.* 122, § 5.

And all actual expenses necessarily incurred in keeping the goods distrained and in making the sale. *R. S. c.* 8, § 8 & 10. 1 *Pick.* 177.

For selling real estate for the payment of taxes, the same rate of poundage, the same travel, and all necessary intervening charges. *R. S. c.* 8, § 27 & 31.

*No fees are expressly provided by law for collectors; but the Revised Statutes direct that in all cases not expressly provided for by law, the fees of all public officers, for any official duty or service, shall be at the same rate as then prescribed in the one hundred and twenty second chapter, for the like services. *R. S. c.* 122, § 1. The like services are those of the Sheriff. See *R. S. c.* 122, § 5.

Where the delinquent is committed to jail, the collector would be entitled to the same poundage and travel. 4 *Mass.* 411. He would also charge for the copy of the warrant left with the jailor, at the rate of twelve cents a page. *R. S. c.* 122, § 5.

Page, used as a measure of computation, means two hundred and twenty-four words. *Ib.* § 22.

1. The office of constable is either ministerial, in obey-

ing warrants and other precepts, or is original, as a conservator of the peace at the common law.

The ministerial duties of constables include, first, the service of writs, warrants and other processes from courts of law, in which, to a certain extent, he has concurrent powers with the sheriff; and secondly the execution of processes issuing from the municipal authorities or having relation to municipal business. We shall confine ourselves under this title to the duties of constables as town officers, with a brief notice of their authority at common law as conservators of the peace. In the execution of precepts from the courts they are governed by the same rules as the sheriff or his deputies. Instructions so full and minute as an officer would require who wishes to do that business securely and accurately, would require too large a space in our manual. Any other would be of little value.*

2. Constables are to be chosen by written ballots and sworn to the faithful discharge of the duties of office. *See town officers and their election.* § 1, 2, 3. 1851, c. 94, § 3.

3. Any person chosen to the office of constable, not being exempted from serving therein, and being able in person to execute the same, who shall refuse to take the oath and to serve in such office, shall forfeit to the use of the town the sum of twenty dollars. c. 15, § 66.

4. Every person, chosen to the office of constable, shall, if present, forthwith declare his acceptance or refusal of the same; and in case he shall not declare his acceptance, the town shall proceed to a new election, until some one shall accept the office and take the oath. *Id.* § 67.

5. Any person, who shall be present in town meeting, and declare his refusal to serve in the office of constable,

* See Hartshorn's New England Sheriff, for a full and accurate digest of the laws on this subject.

or who shall neglect,* for the space of seven days, after being summoned, to take the oath of office, and shall not pay the fine aforesaid, shall be prosecuted therefor by the treasurer of such town. *Ib.* § 68.

6. No person, who is in commission for any office in this state or of the United States, or who is a minister of the gospel, or a member of the council, senate, or house of representatives, or who has been a constable or collector of taxes, of any town, within seven years next preceding, shall be obliged to accept the office of constable. *Ib.* § 69.

7. Constables are to be collectors of taxes, when the town does not choose persons to that office, or when those chosen refuse to serve. *Ib.* § 33.

8. Constables shall execute all warrants from the town treasurer, who shall also be appointed collector, requiring them to collect taxes due, or to distrain the property or take the body of any delinquent in the payment of the same. *Ib.* § 61.

9. Constables shall serve all warrants and other processes, lawfully directed to them by the selectmen of their town, for notifying town meetings or for other purposes. *Ib.* § 70. *See Town meetings*, § 2 & 8.

Also the warrant of the clerk, directing them to summon town officers chosen, to appear and take the oath of office. *Ib.* § 39. *See Town Officers and their Election.* § 9.

10. And all writs, and warrants and other processes to them directed by the judges of probate, county commissioners, and justices of the peace. *R. S. c. 83, § 11, c. 84, § 3, c. 85, § 30.*

11. Constables may serve notices of petitions to the general court, subpoenas, and notices to take depositions. *R. S. c. 2, § 9, c. 94, § 2, 18.*

12. Any constable, who shall have been duly appointed for any city or chosen for any town of this Commonwealth, and who shall have given bonds in the manner hereinafter

set forth, may serve, within his own city or town, any writ, or other process, in any personal action, in which the damages shall not be laid at a greater sum than one hundred dollars, and also any process of replevin in which the subject matter shall not exceed in value one hundred dollars. *Stat.* 1851, c. 94, § 1.

13. No constable shall be competent to serve any writ or execution, in any civil action, until he shall have given to the city or the inhabitants of the town, for which he may have been appointed or chosen, a bond with sureties, to the satisfaction of the mayor and aldermen of the city or the selectmen of the town, in a sum not less than five hundred dollars, with condition for the faithful performance of his duties, as constable, in the service of all civil processes which may be committed to him, and shall have caused the same, with the requisite approval certified thereon, to be filed in the office of the clerk of such city or town; and it shall be the duty of the said clerk to note upon the bond the time when the same was so filed, and any person injured by any breach of the condition of said bond, may at his own expense, institute a suit thereon in the name of said inhabitants and prosecute the same to final judgment and execution. *Stat.* 1845, c. 70, § 1. *Stat.* 1851, c. 94, § 2.

14. No constable of whom such bonds shall be required, shall be competent to serve any civil process, till such bond shall be duly executed, approved, and filed in the town clerk's office, and no person of whom such bond shall be required as aforesaid, shall be liable to any fine for the non-acceptance of the office of constable. *Ib.* § 4.

15. Any constable may serve any such writ or process as described in the preceding section, and any warrant or other process in criminal cases, in which his town, parish, or religious society or school district is a party, or interested. *Ib.* § 72.

16. When any unincorporated place is annexed to any town for the purpose of taxation, the constables of such town shall have and exercise, in such unincorporated place, the same powers as if the same were a part of their town. *Ib.* § 74.

17. Every constable may, in the execution of a warrant or writ duly directed to him, convey, beyond the limits of his own town, as well any prisoners, as things, in his custody under such process, either to the justice who issued it, or to the common jail or house of correction of the county of which such constable is an inhabitant. *Ib.* § 75.

18. Constables under the directions of the presiding officers, must arrest and confine persons conducting themselves in a disorderly manner at town meetings. *Ib.* § 30.
See "Town Officers," § 19.

19. Any constable receiving a warrant from a coroner, must forthwith execute the same by summoning six good and lawful men of the county to appear before such coroner at the time and place mentioned in the warrant. *R. S. c.* 140, § 2.

20. At such time the constable must repair to the place where the dead body is and make return of his warrant to the coroner, and of his doings thereon under his hand. *Ib.* § 3.

21. Any constable, who shall unnecessarily neglect or fail to execute or return such warrant, shall forfeit the sum of ten dollars: which forfeiture may be recovered to the use of the county, with costs of suit, by action of debt, or on the case, to be brought by the coroner. *Ib.* § 3.

22. If the six jurors returned shall not all appear, the constable, if so ordered by the coroner, shall return jurors, from the by-standers, to complete the number. *Ib.* § 4.

23. The warrant of the coroner may be made to the constable of the town where the dead body is, or of one of the adjoining towns. *Ib.* § 2.

The authority of the constable under the warrant, it will be seen, extends beyond the town of which he is the officer.

24. It is the duty of a constable upon the receipt of a "venire" for jurors, to serve the same without delay on the selectmen and town clerk. *R. S. c. 95, § 15.*

25. He shall also, four days at least before the time when the jurors are required to attend, summon each person who is drawn, by reading to him the venire, with the indorsement thereon of his having been drawn, or by leaving at his place of abode a written notification, of his having been drawn, and also of the time and place of the sitting of the court, at which he is to attend, and shall make a return of the venire, with his doings thereon, to the clerk, before the opening of the court from which it was issued. *Ib. § 17. 13 Met. 325.*

26. When however, venires shall issue in term time, they shall be served and returned on such days as the court shall direct. *Ib. § 18.*

27. If by any neglect of the constable in discharging his duties, the jurors to be returned from any place, shall not be duly drawn and summoned to attend the court, he shall pay a fine not exceeding twenty dollars, to be imposed by the same court, to the use of the county in which the offence is committed. *Ib. § 39.*

28. Constables are exempt from serving as jurors. *Ib. § 2.*

29. The office of justice of the peace is not incompatible with that of constable, according to the constitution and laws of this Commonwealth. *2 Cush. 577.*

For the law in relation to the drawing of jurors, see title "*Duties of Selectmen as to Jurors.*"

30. At common law, by the original and inherent power which the constable possesses, he may apprehend the offender in case of felony, and other aggravated or capital

offences, committed in his view, by virtue of his office, and without warrant. *Davis's Justice*, 38.

31. Where an affray takes place in his presence, he may either keep the parties in his custody till it is over, or he may carry them immediately before a magistrate. *Ib.*

32. He has power to demand the assistance of others, when in the execution of his office for the preservation of the peace, or for the apprehending and securing any person for the breach thereof, or for any other criminal cause. *Ib. and R. S. c. 15, § 77.*

33. If the affray be past, and there is no danger of death, the constable cannot arrest the offender without a warrant from a justice of the peace. *Davis's Justice*, 38.

34. When a felony has been committed, it is agreed that a constable may arrest and imprison the felon, till he can be conveniently conveyed to a justice of the peace, or to the common jail. *Ib.*

35. And it is also agreed that he may break open doors to take the felon, if he be in the house, and the constable's entry is denied after demand and notice that he is a constable—and the reason is, that he is *ex officio*, a conservator of the peace, and is not only permitted, but by law enjoined, to take a felon; and if he omits his duty in this respect, he is punishable for such neglect. But there must be a felony done, and the constable must "be ascertained" of the fact. *Ib.* 38 & 39.

36. But in general, a constable cannot, any more than any other individual, of his own accord and without warrant, justify the arrest of a supposed offender, upon suspicion of his guilt, unless he can show that a felony has been committed, and the reasonableness of the suspicion that the party arrested is guilty. *Ib.*

37. Constables shall take due notice of, and prosecute for all violations of, the laws respecting the observance of

the Lord's day, and of the laws to prevent profane swearing, and the laws against gaming. *R. S. c. 15, § 76.*

38. The statutes provide that every justice of the peace may, as a conservator of the peace, upon view of any affray, riot, assault, or battery, within his county, without any warrant in writing, command the assistance of every sheriff, deputy sheriff, and constable, and of all other persons present, for suppressing the same and for arresting all who are concerned therein. *R. S. c. 85, § 27.*

39. Also, that any constable, or any other person by his order, may apprehend all rogues and vagabonds, and all idle and dissolute persons, who go about begging; all persons who use any juggling or unlawful games or plays; common pipers, and fiddlers; stubborn children, runaways, common drunkards, common night walkers, pilferers, and all lewd, wanton, and lascivious persons, in speech or behavior; common railers and brawlers, and persons who neglect their calling or employment, misspend what they earn, and do not provide for themselves, or for the support of their families; all persons who shall sell any spirituous or fermented liquor without license, in the open air, in any booth or other temporary building, and all other idle and disorderly persons, found in any street, highway, or other public place, in the night time, committing any of the offences or disorders before mentioned, without a written warrant, and may keep such persons in custody in any convenient place, not more than twenty-four hours, Sundays excepted, at or before the expiration of which time, every such person shall be brought before a justice of the peace, or police court. *R. S. c. 113, § 5 & 7.*

40. The selectmen of any town in this Commonwealth, or a majority of the same, are empowered to appoint, for a term not exceeding ten days, special constables, whenever they shall deem it necessary so to do, in order to preserve the public peace; and all constables so appointed shall be

sworn to the faithful discharge of their duties, and shall, for the time being, have and exercise the same powers as other constables, so far as relates to preserving the public peace and the service and execution of criminal processes within the towns respectively where they belong, and any such criminal process may be directed to them accordingly. *Stat.* 1842, c. 37.

41. The fees of Constables are—

For serving a venire, twenty-five cents, and for travel to the place of return, at the rate of 4 cents a mile, to be paid out of the county treasury.

For summoning the jurors upon a coroner's inquest, and attendance thereon, at the rate of ninety cents a day, to be paid out of the county treasury. *R. S. c.* 122, § 8.

For service of writs, warrants, executions, subpoenas or other legal processes, the same fees as are allowed to sheriffs for like services. *See R. S. c.* 122, § 5 & 8.

For fees for collection of taxes, see title "*Collection of Taxes*," § 61.

42. The mayor and aldermen of the several cities, and the selectmen of the several towns, in this Commonwealth, may, from time to time, appoint such police officers for their respective cities and towns as they may judge necessary, with all or any of the powers of constables, except the power of serving and executing any civil process. And the said police officers shall hold their offices during the pleasure of the mayor and aldermen, and selectmen, by whom they are respectively appointed. *Stat.* 1851, c. 162.

43. The law does not require that a police officer for the city of Boston, appointed pursuant to statute 1838, c. 123, should be sworn to the faithful discharge of the duties of his office, and therefore a party indicted for assaulting such police officer, and obstructing him in the discharge of the duties of his office, cannot defend by showing that he had never been sworn. 12 *Met.* 233.

Names of naturalized citizens not to be entered on voting lists without production of naturalization papers. 17. Penalty for giving false answer to selectmen at such sessions. |

1. Every male citizen of twenty-one years of age and upwards, (excepting paupers and persons under guardianship,) who shall have resided within the state one year, and within the town in which he may claim a right to vote, six months next preceding any election of town, county or state officers, or of representative to congress, and who shall have paid, by himself or his parent, master or guardian, any state or county tax, which shall, within two years next preceding such election, have been assessed upon him in any town of this state; and also every citizen, who shall be by law exempted from taxation, and who shall in all other respects be qualified as above mentioned, shall have a right to vote in all such elections; and no other person shall be entitled to vote in such elections. *R. S. c. 3, § 1.*

The provision of the Revised Statutes is the same with that of the third article in the amendments of the Constitution, except that it extends the qualifications there required, to voters, for town and county officers, and for representatives in Congress. *See Amendments, Art. 3.*

2. The qualifications for voting for electors of President

and Vice President of the United States are the same.
R. S. c. 6, § 13.

3. The same also, for voting on the question, whether any town will send representatives to the general court, and on all questions, relating to the number of representatives, that such town will send. *R. S. c. 5, § 2.*

4. By an analysis of these provisions, we find that the qualification of voters are—

I. Gender —Males only voting.

II. Citizenship.—This may result from birth, or be gained under the naturalization laws of the United States.

III. Age.—The attainment of majority..

IV. Not being under guardianship, nor supported at the public charge.

V. Residence *in the state*, for one year and that next preceding the election.

VI. Residence *in the town* for the space of six months, and that next preceding the election.

VII. The payment of a tax by himself, master, or guardian, or exemption from taxation by law. The tax paid must have been ;—1. A *state or county tax*. 2. It must have been *assessed* within two years next preceding the election. 3. It must have been assessed in some town in this state.

No persons are exempted by law from taxation within the meaning of the constitutional provision. *See R. S. c. 7, § 5. 11 Pick. 538. 5 Met. 591.*

5. The payment of a state or county tax, assessed within two years, by one in other respects a qualified voter is sufficient, although the tax was illegally assessed. *5 Met. 162.*

6. So if the tax is paid for him by another, without his previous authority, if he recognizes the act, and repays or promises to repay, on the ground that the person paying acted as his agent. *Id.*

7. The word *resident* as used in our State constitution is synonymous with *inhabitant*. To "remove all doubts concerning the word *inhabitant*," the constitution declares that "every person for the purpose of electing, &c., shall be considered as an inhabitant in that town where he dwelleth or hath his home." See 5 Met. 588, 1 Ante, page 35.

For rules to determine questions of residence or domicil, See Ante, pages 35 & 36.

8. Persons residing on lands purchased by or ceded to the United States for navy yards, forts, and arsenals, and when there is no other reservation of jurisdiction to the state than that of a right to serve civil and criminal process on such lands, do not, by residing on such lands, acquire any elective franchise as inhabitants of such towns. 8 Mass. 77. *Opinion of the Judges*, 1 Met. 580.

9. Persons having the requisite qualifications as to age and residence, but who have been, for two entire years, exempted from taxation by town assessors, either by being omitted to be assessed, or by abatement of the tax as being unable by reason of age, infirmity or poverty, to contribute towards the public charges, are not entitled to vote. *Opinion of the Judges*, 11 Pick. 538. 5 Met. 594.

If such exemption has not extended to two years, and if the persons in question have paid any tax assessed within two years, although exempted the last year, such persons have a right to vote. *Ib.*

But it is not in the power of the assessors to omit any persons in the assessment, or to abate their taxes, *against their consent*. *Ib.*

10. So under the provisions of the Revised Statutes, c. 7, § 1, and the Statutes of 1843, c. 87, exempting persons over seventy years of age from the payment of a *poll tax*, (repealed by Statutes of 1844, c. 145,) the judges were of opinion, that persons who have the requisite qualifications

as to residence, but who have been exempted from taxation, on account of their poverty, two successive years before their arrival at the age of seventy years, were not entitled to vote, under the third article of the amendments to the constitution. 5 *Met.* 591.

11. The judges say, in the same opinion, that it is the liability to taxation, not the want of taxable property, which distinguishes citizens generally, from citizens exempted by law from taxation. The exemption by law contemplated by the constitution, is an exemption from all taxation, without any distinction between a poll tax and any other tax. *Ib.* 595.

12. The selectmen shall, at least ten days before the first Monday of March, and at least ten days before the second Monday of November annually, make out correct alphabetical lists of all the persons, qualified to vote for the several officers, to be elected at those periods, respectively, and shall, at least ten days before the said elections, cause such lists, respectively, to be posted up in two or more public places, in their respective towns. *R. S. c.* 3, § 5.

13. The selectmen shall be in session, at some convenient place, for a reasonable time, within forty-eight hours next preceding all meetings for the elections of any of the officers aforesaid, for the purpose of receiving evidence of the qualifications of persons claiming a right to vote in such elections, and of correcting the lists of voters; and such session shall be holden for one hour at least on the day of such election, and before the opening of the meeting; and notice of the time and place of holding the said sessions, shall be given by the selectmen, upon the lists posted up as aforesaid. *Ib.* § 6.

14. In any town, where the number of qualified voters shall exceed one thousand, such session of the selectmen shall be holden on the day immediately preceding the meet-

ing, and for as much longer time, previous to said day, as the selectmen shall judge necessary, for the purpose aforesaid; and when the day, immediately preceding such meeting, shall be Sunday, then such session shall be holden on the Saturday next preceding. *Ib.* § 7.

15. At the meetings provided for in the last two sections, the selectmen shall revise and correct the lists of voters, and shall place thereon the name of any person known to them, or shown to be qualified to vote in such elections, and shall erase therefrom the name of any person known to them, or shown not to be qualified to vote therein. *Stat.* 1839, c. 42, § 4.

The provision of the last section shall not apply to any city. *Stat.* 1839, c. 165, § 3.

16. Whenever the authorities of any city or town shall make up the list of legal voters of said city or town, they shall, before putting upon said list the name of any naturalized citizen, require such person to produce for their inspection his papers of naturalization, and shall be satisfied that such person has been duly and legally naturalized, except that they need not require the production of said papers by any person after they shall have once examined and passed upon the same. *Stat.* 1855, c. 416.

17. If any person shall give a false name or any false answer to the selectmen, when in session for correcting lists of voters, he shall forfeit the sum of thirty dollars for each offence. *R. S. c.* 3, § 8.

The meeting for the choice of governor, lieutenant governor, counsellors, senators and representatives, shall be held on the Tuesday next after the first Monday in November, annually; but in case of a failure to elect representatives on that day, a second meeting shall be holden for that purpose on the fourth Monday of the same month of November. *Am. of Con. 1855, art. 2.*

4. The Constitution does not admit of an adjournment of the second meeting for the choice of representatives, which it provides for being held on the fourth Monday of November, to a day beyond such fourth Monday. *Opinion of the Judges, 23 Pick. 547.*

5. Meetings for the choice of representatives in Congress and electors of president and vice president of the United

States are also to be held on the Tuesday next after the first Monday in November. *Stat.* 1848, c. 35. *U. S. Stat.* 1845.

In case of no choice in a representative district, or of a vacancy occurring in the representation, meetings will be held on such days as the executive precept shall direct. *Ib.* § 647.

§. 6. County officers are to be voted for as follows, viz:—The treasurer at the annual meeting; the register of deeds at the annual meeting and once in five years; the county commissioners on the first Monday of April and once in three years. *See "Election of County officers."*

7. Meetings for the election of governor, lieutenant governor and senators must be warned seven days at least, before the day of election. *See and compare Constitution, c. 1, § 2, Art. 2, c. 2, § 1. Art. 3. Amendments of Same, Article 10.*

8. Meetings for the election of representatives in the general court, shall be notified by the selectmen of each town, in the manner legally established in such town, for calling other town meetings. *R. S. c. 5, § 5.*

9. The selectmen must give notice in their warrants for meetings for the election of state officers, of presidential electors and of representatives in Congress, whether said officers shall be voted for on one ballot, or at the same time on separate ballots, also of the time or times when the polls for the choice of the several officers shall be opened. *See "Mode of conducting Elections."* § 7, 8.

1. At all meetings for the election of governor, lieutenant governor, senators, representatives in the general court, representatives in congress, electors of president and vice president of the United States, and county commissioners, the selectmen shall preside. *Con. c. 1, § 2, art. 2. Ib. c. 2, § 1, art. 3. Ib. c. 2, § 2, art. 1. R. S. c. 5, § 6. Ib. c. 6, § 3. Ib. § 16. R. S. c. 14, § 17.*

At all others a moderator. *R. S. c. 15, § 26.*

2. The selectmen, moderator, or town clerk, at any meeting held for the election of town or other officers, shall be provided with a complete list of the persons qualified to vote at such election, and no person shall vote at any election whose name shall not have been previously placed on such list. *R. S. c. 4, § 3.*

3. At the election for governor, lieutenant governor, senators and representatives of the Commonwealth, electors of president and vice president of the United States, or of representatives in congress, or at any election, for selectmen and town clerk, of any town, or for mayor, aldermen or common council of any city, no vote shall be received until the name of the person offering the same shall have been found upon the list, and checked by the presiding

officers, or by some one appointed by them therefor. *Stat.* 1839, c. 42, § 5.

4. No person shall vote at any election till the presiding officer shall have had an opportunity to find the voter's name on the list. But at elections other than those mentioned in the preceding section, the law does not require the presiding officers to check the names of voters, but leaves it to their discretion. *R. S. c. 4, § 3. Stat.* 1839, c. 42, § 5.

5. All votes and ballots for governor, lieutenant governor, senators, and representatives of the Commonwealth, and representatives in Congress, whether deposited in the ballot box in a sealed envelope or not, shall clearly indicate, in print or writing, the office for which each person voted for is designed; and no vote which does not so indicate it, shall be counted; *provided, however*, that in all trials for the choice of representatives to the General Court or to Congress, when no other officer is voted for, the office need not be indicated in print or in writing. *Stat.* 1854, c. 59.

6. No vote shall be received at the elections mentioned in the third section unless the same be presented for deposit in the ballot box open and unfolded. The provision of the statute does not, in terms, apply to other elections. *St.* 1839, c. 42, § 5.

7. The governor, lieutenant governor, senators, and representatives of the Commonwealth, electors of president and vice president of the United States, and representatives to Congress, may be voted for on one ballot, or at the same time on separate ballots. *St.* 1839, c. 42, § 1.

8. The selectmen of the several towns, and the mayor and aldermen of the several cities, shall decide whether said officers shall be voted for on one ballot or at the same time on separate ballots, and shall give notice thereof in the warrant calling the meeting. *Stat.* 1841, c. 70, § 1.

The statute of 1841 leaves in force the provision of the revised statutes requiring that at the elections of senators, each voter shall give in his vote on one ballot, for a number of persons, not exceeding the number of persons to be chosen. *R. S. c. 4, § 5.*

Also the provision relating to electors of president and vice president of the United States. *Id. c. 6, § 15.*

9. The warrant for notifying a meeting for voting for the officers mentioned in the sixth section, shall specify the time or times when the polls for the choice of the several officers shall be opened; and the same shall be kept open at least two hours, and for such longer time as a majority of the voters present shall by vote direct. *Stat. 1839, c. 42, § 2.*

10. When a town, having a right to choose and voting to choose more than one representative to the general court, shall elect to choose them separately, the provisions contained in the preceding section, prescribing the time of opening and closing the polls, shall apply only to the choice of the first representative to be thus chosen; and in any case of balloting for a representative to the general court, if no person is elected on the first ballot, the said provisions shall not apply to any subsequent balloting for such representative on the same day: *provided*, that in no case shall the polls at such elections be opened after five o'clock in the afternoon of said day. *Stat. 1839, c. 42, § 3. St. 1843, c. 94. Stat. 1844, c. 78.*

11. The provisions of the last two sections do not apply to cities. *Stat. 1839, § 3.*

12. No vote shall be received by the presiding officer at any of the elections provided for in this chapter, unless deposited in the ballot box by the voter in person. *R. S. c. 4, § 4.*

13. All votes and ballots for governor, lieutenant governor, senators, and representatives of the Commonwealth,

electors of president and vice president of the United States, and representatives in Congress, may be deposited in the ballot box in a sealed envelope, or without any envelope, at the option of each voter; and if in any case more than one vote or ballot is found in any one envelope, bearing the name of the same person for the same office, all but one vote or ballot shall be thrown out; and if two or more votes or ballots be found in one envelope bearing the names of different persons for the same office, all such votes and ballots shall be rejected; and any envelope found to contain only a blank shall not be counted as a vote or ballot.

14. Self-sealing envelopes of uniform size and color bearing the emblematic seal of the Commonwealth shall be furnished at the expense of the State, (as heretofore in accordance with the provisions of a law passed in the year eighteen hundred and fifty-one,) to all persons who may desire, at any election hereinbefore specified, to deposit their ballots therein, and no other envelopes shall be used at the polls. *Stat.* 1853, c. 36.

15. If any person, knowing himself not to be a qualified voter, shall, at any election, wilfully give in a vote, for any officer to be then chosen, he shall forfeit a sum not exceeding one hundred dollars, for each offence. *Ib.* § 6.

16. If any voter shall knowingly give in more than one ballot, at any one time of balloting, at any election, he shall forfeit a sum not exceeding one hundred dollars. *Ib.* § 7.

17. If any person shall wilfully give any false answer to the selectmen or moderator, presiding at any election, he shall forfeit, for each offence, a sum not exceeding one hundred dollars. *Ib.* § 8.

18. If any person shall wilfully aid or abet any one, who is not legally qualified, in voting or attempting to

vote at any election, he shall forfeit a sum not exceeding fifty dollars, for every such offence. *Ib.* § 9.

19. If any person shall be disorderly in any meeting held for any election mentioned in this chapter, he shall forfeit a sum not exceeding twenty dollars. *Ib.* § 10.

20. The selectmen, in case they shall have duly entered on said list of voters, the names of all persons who shall have been returned to them by the collectors, shall not be held answerable for any omission in said list, nor for refusing the vote of any person whose name is not borne thereon, unless the person whose name may have been so omitted, shall, before offering his vote, furnish them with sufficient evidence of his having the legal qualifications of a voter at such meeting, and shall have requested them to insert his name on said list. *R. S. c. 3, § 9.*

21. Selectmen have authority even after the opening of a town meeting to strike from the list of voters the name of a person who is not a legal voter. *5 Met.* 162, 168.

22. The moderator of any town meeting shall receive the votes of all persons whose names are borne on the list of voters, as certified by the selectmen; and he shall in no manner be held answerable, for refusing the vote of any person whose name is not on the said list. *R. S. c. 3, § 10.*

23. If any selectman, or other town or city officer, shall wilfully neglect or refuse to perform any of the duties required of them respecting elections, by the above provisions, they shall, severally, for each offence forfeit a sum not exceeding two hundred dollars. *R. S. c. 2, § 11.*

24. The selectmen are liable for refusing the vote of one legally qualified, even if that refusal is the result of an honest mistake and error of judgment. *11 Mass.* 350. *12 Pick.* 485. *23 Pick.* 309.

Yet in an action where the municipal officers acted in good faith, and the object was to settle a really doubtful

right, the jury would take care to give slight damages. 12 *Pick.* 487.

A voter who is challenged at the polls, cannot maintain an action against the selectmen for refusing to receive his vote, if they do not act wilfully or maliciously, but under a mistake into which they are led by his conduct, which was likely to mislead them into a belief, that he had abandoned his claim to a right to vote. 5 *Met.* 162.

25. In order to determine the result of any election in this Commonwealth, the whole number of persons who voted at such an election, shall first be ascertained, by counting the whole number of separate ballots given in; and in all returns of elections, the whole number of ballots given in, shall be distinctly stated; but blank pieces of paper shall not be counted as ballots. *R. S. c. 4, § 13.*

26. In all elections hereafter holden for the choice of town, city, or county officers by the people, the person receiving the highest number of votes shall be declared elected. *Stat. 1854, c. 39, § 1.*

27. Whenever two or more persons are to be elected to the same office, the several persons to the number required to be chosen having the highest number of votes shall be declared elected. *Stat. 1854, c. 39, § 2.*

28. It is not a valid objection to an election, that illegal votes were received, if they do not change the majority. A majority of legal voters who choose to vote, always constitute an election. Whenever electors are present and do not vote at all, they virtually acquiesce in the election. When a majority expressly dissent, but do not vote, the election by the minority is good. 21 *Pick.* 148, 154.

1. GOVERNOR.—The town clerk, in the presence and with the assistance of the selectmen, shall, in open town meeting, sort and count the votes, and form a list of the persons voted for governor, with the number of votes for each person against his name; and shall make a fair record of the same in the town books, and a public declaration thereof in the meeting; and shall in the presence of the inhabitants, seal up copies of the said list, attested by him and the selectmen, and transmit the same to the sheriff of the county, thirty days, at least, before the first Wednesday of January, or the selectmen may cause returns of the same to be made to the office of the secretary of the Commonwealth, seventeen days, at least, before the said first Wednesday of January. *See Con. c. 2, § 1, Art. 3. Amendments of same, Art. 10. R. S. c. 5, § 1.*

2. L. GOVERNOR.—The declaration and return of votes for Lieutenant Governor, shall be in the same manner, but the list made and sealed up separately. *Con. c. 2, § 2, Art. 1. R. S. c. 5, § 1.*

3. SENATORS.—The several senatorial districts now existing, shall be permanent. The senate shall consist of forty members; and the year one thousand eight hundred

and forty, and every tenth year thereafter, the governor and council shall assign the number of senators to be chosen in each district, according to the number of inhabitants in the same. But, in all cases at least one senator shall be assigned to each district. *Amendments of Con. Art. 13.*

4. The selectmen of the several towns shall receive the votes of all the inhabitants of such towns present and qualified to vote for senators, and shall sort and count them in open town meeting, and in presence of the town clerk, who shall make a fair record in presence of the selectmen, and in open town meeting, of the name of every person voted for, and of the number of votes against his name; and a fair copy of this record shall be attested by the selectmen, and the town clerk, and shall be sealed up, directed to the secretary of the Commonwealth for the time being, with a superscription, expressing the purport of the contents thereof, and delivered by the town clerk of such towns, to the sheriff of the county in which such town lies, thirty days, at least, before the first Wednesday of January annually; or it shall be delivered into the Secretary's office, seventeen days, at least, before the said first Wednesday of January. *See Con. c. 1, § 2, Art. 2. Amendments, Art. 10.*

5. It shall be the duty of the mayor and aldermen and the clerk of each city in the Commonwealth, to examine, as soon as may be after any election, the returns made by the returning officers of each ward in such city, of the results of the election in said ward; and if any manifest error shall appear therein, in the form of the return, the the mayor and aldermen shall forthwith give notice to said ward officers of the error or deficiency in the form of said return; and it shall be the duty of said ward officers forthwith to make a new and additional return, under oath, in conformity to the truth in the case, which additional return, whether made upon such notice, or by the officers

of any ward without such notice, shall be received by the mayor and aldermen or clerk of said city, at any time before the expiration of the day next preceding the day on which, by law, they are required to make their returns, or to declare the results of said election in said city; and all the original and additional returns so made shall be examined by the mayor and aldermen, and shall be made part of their returns of the results of such election. And in counting the votes in any election, no returns shall be rejected where the whole number of votes given for any officer or representative voted for, and the whole number of votes given for each candidate voted for, can be ascertained from such returns. *Stat. 1852, c. 209, § 1.*

6. When returns of elections from any town are received at the office of the Secretary of the Commonwealth, not sealed up as by law required, the secretary shall forthwith give notice thereof, to the returning officers of said town; and upon the receipt of said notice, said returning officers shall make a copy of their record of the votes cast at said election, and shall make oath to the correctness of said copy; and shall transmit the same to the said secretary, sealed up as is required by law in the case of the original returns. And if, upon the opening of said copy of the record by the governor and council, by the legislature, or by any person or persons duly authorized to open the returns and count the votes, the original return shall be found in substantial conformity with the copy of the record returned as aforesaid, then said original return shall not be rejected because of the informality before mentioned; *provided*, that said copy of the record shall have been received by the said secretary before the expiration of the day next preceding that on which, by law, the returns of said election are to be opened, and the votes counted. *Stat. 1852. c. 209, § 2.*

7. The Revised Statutes direct that the number of votes

for each person, in the above returns, shall be written in words, at length against the names. *R. S. c. 4, § 1.*

8. They also direct that when the lists of votes for governor, lieutenant governor, and senators shall be received at the office of the secretary, the seals thereof shall not be broken, but the same shall be kept as they are received, until delivered by him to the two branches of the general court, or to the executive authority. *Ib.*

It would seem, therefore, that the returns for governor and lieutenant governor, ought also to have a "superscription expressing the purport of the contents," otherwise the secretary would be unable to distinguish them from other papers sent to his office.

9. REPRESENTATIVES.—The members of the house of representatives shall be apportioned in the following manner: every town or city containing twelve hundred inhabitants, may elect one representative; and two thousand four hundred inhabitants shall be the mean increasing number which shall entitle it to an additional representative. *Amendment of Con. Art. 13.*

Every town containing less than twelve hundred inhabitants, shall be entitled to elect a representative as many times, within ten years, as the number one hundred and sixty is contained in the number of the inhabitants of said town. *Ib.*

Such towns may also elect one representative for the year in which the valuation of estates within the Commonwealth shall be settled. *Ib.*

10. The house of representatives shall have power from time to time to impose fines upon such towns as shall neglect to choose and return members to the same, agreeably to the constitution. *Con. c. 1, § 3, Art. 2.*

11. If any town shall elect and return a representative to the general court, when it shall not be constitutionally entitled thereto, or shall elect and return a greater number.

of representatives than it shall be constitutionally entitled to, such towns shall, for each representative, so unconstitutionally elected and returned, forfeit a sum not exceeding three thousand dollars, at the discretion of the court, before which conviction may be had. *R. S. c. 5, § 4.*

12. The selectmen, at the meeting for the choice of representatives, shall openly receive, sort and count the votes given by the qualified voters present, and shall forthwith publicly declare who are the persons elected. *Ib. § 6.*

13. No selectman of any town in this Commonwealth shall give a certificate of election to any person voted for as a representative to the General Court, which certificate shall not be in accordance with the declaration of the vote in open town meeting, at the time when the election so certified took place, under a penalty of three hundred dollars. *Stat. 1852, c. 282.*

14. The election shall be recorded in the town records, together with the whole number of votes given in, and the names of all the persons, for whom they were given. *Ib. § 7.*

15. The selectmen, within three days after such election, shall, either by a constable of the town, or by some other person thereto specially authorized by them, give notice of the choice to the representatives elected. *Ib. § 8.*

16. A certificate and return of such election shall be given under the hands of the selectmen present, and shall be delivered into the office of the secretary of the Commonwealth, or such election shall be certified by the said selectmen to the house of representatives, to their acceptance, on or before the first Wednesday in January of every year. *Ib.*

17. The certificate of such election shall be, in substance, as follows, to wit :

Commonwealth of Massachusetts, county of——. Pursuant to a law of this Commonwealth, the qualified voters

of the town of ———, in town meeting, on the ——— day of ———, instant, for the choice of representatives in the general court, did elect ———, being an inhabitant of said town, to represent them in the general court, to be holden on the first Wednesday of January next. Dated at ———, the ——— day of ———, in the year one thousand eight hundred and ———.

18. The certificate aforesaid shall have a return thereon, signed by the constable or other person specially authorized to give such notice, and stating, that notice of the choice was given to the person therein mentioned to be elected, and that said person was summoned to attend the general court accordingly. *Id.* § 10.

19. If any selectman, or other town or city officer, shall wilfully neglect or refuse to perform any of the duties required of him under the provisions of this title, he shall forfeit a sum not exceeding two hundred dollars. *Stat.* 1848, c. 240.

2. On the first Monday of April, in the year one thousand eight hundred and thirty eight, and every third year thereafter, in the several towns of each county, except Suffolk and Nantucket, there shall be a meeting of the inhabitants, for the choice of county commissioners; and at such meeting, the qualified voters of each town shall bring in their written votes on one ballot for three county commissioners, being all inhabitants of different towns in the county; and the selectmen shall, in open town meeting, sort and count the votes and the ballots, and make public declaration thereof; and the town clerk shall enter into the town records the names of all the persons voted for and the number of votes for each, and the whole number of ballots, and shall, within seven days after such election transmit a copy of such records, signed by the selectmen and attested by himself, and sealed up in open town meeting, to the clerk of the court of common pleas, who shall transmit the same to the board of examiners. *Id. § 17.*

The selectmen of each town, in obedience to the said warrant, shall call a meeting of the inhabitants of their town, and shall lay before them the result of the first choice, as reported to them by the said examiners: and thereupon, the qualified voters aforesaid in such town shall bring in their votes, on one ticket, for the number of commissioners then to be chosen; and the like proceedings, in relation to the election and returns thereof, shall be had on the votes thus given, as are required to be had at the first choice of said commissioners; and the said examiners shall, within eight days after such second choice, examine the returns made to them, and forthwith give written notice of their election to the persons then chosen. *Id.* § 20.

5. The county commissioners now in office in the several counties, except in Suffolk and Nantucket, shall be divided into three classes: those of the first class shall hold their offices until the day of the next annual election of governor, and until successors shall be chosen and qualified in their stead, and no longer; those of the second class shall hold their offices until the day of the annual election of governor in the year one thousand eight hundred and fifty-five, and until successors shall be chosen and qualified in their stead, and no longer; those of the third class shall hold their offices until the day of the annual election of governor, in the year one thousand eight hundred and fifty-six, and until successors shall be chosen and qualified in their stead. *St.* 1854, c. 77, § 1.

6. It shall be the duty of the county commissioners in each of said counties, within sixty days after this act shall take effect, to determine, by lot, to which one of the said classes each member of their board shall belong; they shall cause a record to be made of such determination;

and shall, within thirty days after such determination, cause an attested copy of said record to be published once, in each newspaper printed in said county. § 2.

7. At the next annual election of governor, and at such annual election in each year thereafter, in each of the counties except Suffolk and Nantucket, there shall be one county commissioner chosen in the manner prescribed in the fourteenth chapter of the Revised Statutes for the election of county commissioners, except so far as such manner is changed by this act; such commissioner not to be an inhabitant of the same town as either of the commissioners remaining in office; and every commissioner so chosen shall hold his office for the term of three years, and until a successor is chosen and qualified in his stead. § 3.

8. The county commissioners in each county shall hereafter choose a chairman of their board by ballot, annually, at their first meeting after the annual election. § 4.

9. The special commissioners now in office shall hold their offices until the annual election of governor in the year one thousand eight hundred and fifty-six, and until successors shall be chosen and qualified in their places. § 5.

10. At the annual election in the year one thousand eight hundred and fifty-six, and each third year thereafter, in each of the counties except Suffolk and Nantucket, there shall be two special commissioners elected, in the manner provided in this act, for the election of county commissioners, said special commissioners not to be inhabitants of the same town, or of the same town as either of the county commissioners, excepting in the county of Dukes; and such special commissioners shall hold their offices for the term of three years, and until successors shall be chosen and qualified in their places. § 6.

11. In all elections of county commissioners and special commissioners, the person having the highest number

of votes and being otherwise qualified shall be declared to be elected; but, in case two or more persons shall have an equal number of votes, by reason of which neither of such persons shall be elected, another election shall be ordered in the manner provided by the fourteenth chapter of the Revised Statutes. § 7.

12. In all future elections of county commissioners and special commissioners, the board of examiners in the several counties whose duty it is to examine the returns of votes, shall meet and discharge the duties required by law as to such elections, on the first Wednesday of the month next succeeding the election of any such officers. *Stat.* 1855, c. 3.

13. In case of a failure on the second trial in any county to elect one or more of the county commissioners, the board of examiners for said county shall report to the secretary of the Commonwealth the result of the election, and the same facts which by law they are required to report to the selectmen of the towns in such county; and the governor shall then proceed, by and with the advice of the executive council, to appoint such a number of county commissioners for such county as may be necessary to complete the number of commissioners for such county required by law, such appointment to be confined to those persons not elected, who shall have had the greatest number of votes, being at the same time twice the number of commissioners to be appointed. *Stat.* 1841, c. 107, § 1 & 2.

14. In each of the counties, in which county commissioners are to be chosen, there shall also be two special commissioners, who shall be chosen at the same time and in the same manner with the said county commissioners. *R. S. c.* 14, § 21.

In case of a failure to elect special commissioners on a second trial, they are to be appointed by the executive in

the same manner as county commissioners. *Stat.* 1842, c. 50.

15. Any vacancy, in the office of the county commissioners, or special commissioners, by death, resignation, or otherwise, may be filled in the manner prescribed for the elections of those officers; and such vacancy shall be filled at any time, when the said board of examiners shall think it expedient, and shall issue their warrant thereof; and each person, chosen to fill such vacancy, shall hold the office for the residue of the term, for which his predecessor was elected. *R. S. c. 14, § 22.*

16. Of the said county commissioners, and special commissioners, in all the counties except Dukes county, not more than one shall be chosen from the same town; and in case more than one county commissioner, or special commissioner, from the same town, shall have a majority of the ballots, the person having the largest number, shall be declared to be elected. *Ib. § 23.*

17. The said county commissioners and special commissioners, except such as may be chosen to fill vacancies, shall hold their respective offices for the term of three years, and until others shall be chosen and qualified in their places: and the same persons may be re-elected from term to term. *Ib. § 24.*

18. In the county of Suffolk the Mayor and Aldermen of Boston, and in the county of Nantucket the Selectmen of Nantucket, are to discharge the duties of county commissioners. *R. S. c. 14, § 29, & 30.*

19. The inhabitants of the several towns in the county of Barnstable shall hereafter hold their meetings for the choice of county commissioners, on such day during the month of February, not less than eight days before the second Monday of March, as shall be determined by the selectmen of such towns for the time being; and the meet-

ings of the board of examiners for said county shall be held on the second Monday of March. *Stat.* 1840, c. 1.

20. There shall be chosen annually, at the annual meetings of the several towns, in each county, except Suffolk and Nantucket, by written votes of the qualified voters, a suitable person, being resident in the same county, to be the county treasurer. *R. S. c.* 14, § 43.

21. The mayor and aldermen of any city in this Commonwealth, the inhabitants of which are required by law to vote for register of deeds and county treasurer, shall cause meetings to be held for such purpose, any time during the months of March or April, according to the provisions of law relating to the election of said officers. *Stat.* 1851, c. 24.

22. At the election of county treasurer, the votes shall be sorted, in open town meeting, by the moderator thereof and the town clerk; the names of the persons voted for, and the number of votes which each person had, shall be recorded by the clerk in the town records, and an attested copy of such record shall be transmitted, under seal, to the county commissioners, at their next ensuing meeting, there to be opened and compared with the like returns from the other towns of such county; and the person, who shall thereupon be found to have the majority of the said votes, and who shall accept the said office, shall be declared to be the county treasurer. *Ib.* § 44.

23. At the annual election in November, in the year eighteen hundred and fifty-five, and every third year thereafter, there shall be chosen, by the qualified voters of the several towns and cities in each county, (except Suffolk and Nantucket,) a suitable person, being a resident of the county for which he is chosen, to be the treasurer of such county, and another suitable person in each county to be register of deeds therein. *Stat.* 1855, c. 92, § 1.

24. At said elections the votes shall be sorted and count-

ed by the selectmen of the towns, and by the wardens and ward clerks of the cities, in open town and ward meeting, and public declaration made thereof at such meetings. The names of all persons voted for, and the number of votes received by each person, and the title of the office for which he is proposed, shall be entered by the town clerks in the town records, and by the ward clerks in the ward records, in words at length; and the said ward clerks shall forthwith deliver to the city clerks certified copies of such records, who shall forthwith enter the same in the city records. The said town and city clerks shall, within ten days from the day of said election, transmit, under seal, attested copies of the records so by them made to the county commissioners of their respective counties. § 2.

25. It shall be the duty of the county commissioners to meet on the first Wednesday of January next succeeding each election as aforesaid, and examine the returns so transmitted to them; and the persons who shall thereupon be found to be legally chosen, and who shall be otherwise qualified, shall be declared to be the county treasurer and register of deeds, and shall hold their respective offices for the term of three years, and until others are chosen and qualified in their stead. And in case no person shall be found to be elected, by reason of two persons having an equal number of votes for either of said offices, the commissioners shall proceed according to the provisions of the forty-sixth section of the fourteenth chapter of the Revised Statutes. § 3.

26. The registers of deeds for the several counties now in office shall hold their offices until others are chosen and qualified in their stead, in pursuance of the provisions of this act, but no longer. § 5.

27. Whenever a vacancy shall happen in the office of register, or in case no choice shall be made at any trial,

the commissioners shall forthwith issue notices to the several towns of the county, or registry district, respectively directed to the selectmen of such towns, and requiring them to notify a meeting of the legal voters of their towns, for the purpose of electing a register, and such notice to the selectmen shall prescribe the day and hour when such meetings shall be held, and the time and place of making returns to the said commissioners of the number of votes and the names of the persons voted for; provided that the time of making such returns shall never exceed thirty days from the date of such notices. *Ib.* 107.

28. It shall be the duty of the county commissioners of the several counties, previous to the month of March, annually, to furnish the clerks of the several towns in their respective counties, blank returns in due form, for the return of the elections of all county officers which are to be elected by the people that year. *Stat.* 1841, c. 126.

1. For the purpose of electing representatives in the twenty eighth Congress of the United States, and in each subsequent Congress, until otherwise provided by law, the Commonwealth shall be divided into eleven districts, each of which shall elect one representative, being an inhabi-

tant of the same district, in the manner now provided by law. *Stat.* 1852, c. 143.

2. For the cities and towns comprising the different congressional districts, *See Stat.* 1852, c. 143.

3. The selectmen of the several towns shall, in the manner directed by law for holding elections therein, cause the inhabitants of said towns, duly qualified to vote for representatives in the general court, to assemble on the Tuesday next after the first Monday in November, to give in their votes for representatives in congress; and at such meetings, the selectmen shall preside, and shall, in open town meeting, receive, sort, and count the votes, and shall form a list of the names of the persons voted for, with the number of votes for each person, written in words at length, against his name; and the town clerk shall make a record thereof. *R. S. c.* 6, § 3.

4. The selectmen shall, in such meetings, make public declaration of the persons voted for, and of the number of votes given for each; and shall in open town meeting, certify and seal up the said lists, and shall express, on the outside thereof, the district in which the said votes were given, and transmit the same, within three days after the election, to the sheriff of the county; and the said sheriff shall transmit the same to the office of the secretary of the Commonwealth, within seven days thereafter; or the said selectmen may themselves transmit the same to the said office within ten days after the election; and, in case of a vacancy in the office of sheriff in any county, the selectmen of the several towns therein shall return such lists to the secretary's office, within the said term of ten days. *Ib.* § 4.

5. In all elections hereafter holden for the choice of representatives in the Congress of the United States, the person receiving the highest number of votes shall be declared elected; and the governor shall forthwith transmit

to such person a certificate of such choice, signed by the governor and countersigned by the secretary. *Stat.* 1854, c. 70.

6. In case two or more persons, in any congressional district, shall have an equal and the highest number of votes, no person shall be deemed to be elected ; and another election shall be ordered, as provided in the sixth chapter of the Revised Statutes. *Ib.* § 2.

7. In case of no choice in a congressional district, the governor shall cause precepts to issue to the selectmen of the several towns, within such district, directing them to cause the qualified electors of their respective towns, to assemble on the day appointed in such precept, to give their votes for a representative in congress ; and the said precept shall be accompanied with a list of all the persons voted for in such district, who shall have received as many as fifty votes according to the next preceding return, and shall show the number of votes for each of such persons ; and the same proceedings shall be had thereon, and the same returns made in all respects, as before directed ; and the like proceedings shall be repeated, as often as occasion may require. *Ib.* § 6.

8. When any vacancy shall happen in the representation of this Commonwealth in congress, the governor shall cause precepts to issue, for a new election in the congressional district, where such vacancy exists ; and the like proceedings in all respects shall be thereon had, from time to time, as are provided for the election of representatives. *Ib.* § 7.

9. The selectmen of the several towns shall, in the manner prescribed by law for notifying town meetings, cause the inhabitants of their respective towns, qualified to vote for representatives in the general court, to assemble on the Tuesday next after the first Monday of November of the year when the election of president and vice president is

to be sworn to the faithful discharge of the duties of their office. *R. S. c. 15, § 33 & 34.*

2. Any fence viewer, duly chosen and sworn, who shall, when requested, unreasonably neglect to view any fence, or to perform any other duties required of him in this chapter, shall forfeit the sum of five dollars to the use of the town, and moreover be liable for all damages to the party injured. *Id. c. 19, § 17.*

3. Each fence viewer shall be paid, by the person employing him, at the rate of one dollar a day, for the time he shall be so employed; and if said person shall neglect to pay the same, within thirty days after the service shall have been performed, each of the fence viewers may recover, in an action of the case, double the amount of such fees; and each of them may be a witness for or against the other. *Id. § 18.*

4. All fences, four feet high and in good repair, consisting of rails, timber, boards, or stone walls, and all brooks, rivers, ponds, creeks, ditches and hedges, or other things which shall be considered equivalent thereto, in the judgment of the fence viewers within whose jurisdiction the same shall lie, shall be deemed legal and sufficient fences. *Id. § 1.*

5. The respective occupants of lands enclosed with fences, shall keep up and maintain partition fences, between their own and the next adjoining enclosures, in equal shares, so long as both parties continue to improve the same. *Id. § 2.*

6. All partition fences shall be kept in good repair throughout the year, unless the occupants of the lands on both sides shall otherwise agree. *Id. § 8.*

7. In case any party shall neglect or refuse to repair or rebuild any partition fence, which, of right, he ought to maintain, the aggrieved party may complain to two or more fence viewers of such town, who, after due notice to each

party, shall proceed to survey the same, and if they shall determine that the fence is insufficient, they shall signify the same, in writing, to the delinquent occupant of the land, and direct him to repair or rebuild the same, within such time as they shall judge reasonable, not exceeding fifteen days; and if the fence shall not be repaired or rebuilt accordingly, it shall be lawful for the complainant to make or repair the deficient fence. *Ib.* § 3.

8. When any deficient fence, built up or repaired by any complainant, as provided in the preceding section, shall be adjudged sufficient, by two or more of the fence viewers, and the value thereof, together with their fees, ascertained by a certificate under their hands, the complainant shall have a right to demand, either of the occupant or owner of the land, where the fence was deficient, double the sum so ascertained; and in case of neglect or refusal to pay the sum so due, for one month after demand made, the complainant may recover the same, with interest at one per cent. a month, in an action for money laid out and expended. *Ib.* § 4.

9. When a division fence was partly in one town and partly in another, and notice was given by fence viewers to one of the parties, of the deficiency of the fence, but without stating in what town the portion of the fence adjudged by them to be deficient was situated, or in what capacity they acted; it was held that the notice was insufficient, and that the plaintiff could not recover according to the provisions of the preceding section. 15 *Pick.* 123.

10. An occupant of land who is bound to maintain a fence between his own and an adjoining enclosure, may place half of a fence, of reasonable dimensions, on the land of an adjoining owner; and he may cut half of a ditch, on the land of such owner, where a ditch is proper for a partition fence. 2 *Met.* 180.

11. An agreement between tenants, making a division

of the fence, each one mutually undertaking to repair his part, will not authorize one tenant, who had made or repaired the fence of the other, on his refusal, to recover of him double the expense, as in the case of an assignment by fence viewers pursuant to the statute; but his remedy is on the agreement. 6 *Mass.* 90.

12. Before the appraisement provided for in the eighth section shall be made, notice should be given to the party whose fence has been repaired, of the time and place of the appraisement of such fence by the fence viewers; and if such notice is not given, the action for damages cannot be maintained. 14 *Pick.* 276. 11 *Met.* 496.

13. When any controversy shall arise, about the rights of the respective occupants in partition fences, and their obligation to maintain the same, either party may apply to two or more fence viewers of the towns where the lands lie, who after due notice to each party, may in writing assign to each his share thereof, and direct the time within which each party shall erect or repair his share of the fence, in the manner before provided; which assignment, being recorded in the town clerk's office, shall be binding upon the parties, and upon all the succeeding occupants of the lands; and they shall be obliged always thereafter to maintain their respective parts of said fence. *R. S. c.* 19, § 5.

14. In case any party shall refuse or neglect to erect and maintain the part of any fence assigned to him by the fence viewers, the same may be erected and maintained by any aggrieved party, in the manner before provided; and he shall be entitled to double the value thereof, ascertained in the manner aforesaid, and to be recovered in like manner. *Ib.* § 6. 12 *Met.* 195.

15. When, in any controversy that shall arise between adjoining occupants, as to their respective rights in any partition fence, it shall appear to the fence viewers, that

either of the occupants had, before any complaint made to them, voluntarily erected the whole fence, or more than his just share of the same, or otherwise become proprietor thereof, the other occupant shall pay, for so much as may be assigned to him to repair or maintain, the value thereof, to be ascertained and recovered in the manner provided in this chapter. *Ib.* § 7.

16. When lands of different persons, which are required to be fenced, are bounded upon or divided from each other, by any river, brook, pond or creek, which, of itself, in the judgment of the fence viewers, is not a sufficient fence, and it is in their opinion impracticable, without unreasonable expense, for the partition fence to be made in such waters, in the place where the true boundary line is, if, in such case, the occupant of the land on one side shall refuse or neglect to join with the occupant of the land on the other side, in making a partition fence, on the one side or the other, or shall disagree respecting the same, then two or more fence viewers of the town or towns wherein such lands lie, on application to them made, shall forthwith view such river, brook, pond or creek. *Ib.* § 9.

17. If the fence viewers shall determine the same not to answer the purpose of a sufficient fence on the true boundary line, they shall, after giving notice to the parties to be present, determine how, or on which side thereof, the fence shall be set up and maintained, or whether partly on the one side and partly on the other side, as to them shall appear just, and shall reduce such their determination to writing. *Ib.*

18. If either of the parties shall refuse or neglect to make and maintain his part of the fence, according to the determination of the fence viewers, the same may be made and maintained, as is before provided in this chapter, and the delinquent party shall be subject to the same costs and charges to be recovered in like manner. *Ib.*

19. When a water fence, or fence running into the water, is necessary to be made, the same shall be done in equal shares, unless otherwise agreed by the parties; and, in case either party shall refuse or neglect to make or maintain the share to him belonging, similar proceedings shall be had, as in other cases of the like kind, respecting other fences before mentioned. *Ib.* § 14.

20. A partition fence on land that is covered, a part of the year, with the waters of an artificial mill pond, but is used and occupied as pasture or mowing land, is not a water fence within the meaning of the last four sections. 11 *Met.* 496.

21. When any lands, belonging to two persons in severalty, shall have been occupied in common, without a partition fence between them, and one of the occupants shall be desirous to occupy his part in severalty, and the other occupant shall refuse or neglect, on demand, to divide the line where the fence ought to be built, or to build a sufficient fence on his part of the line, when divided, the party desiring it may have the same divided and assigned, by two or more fence viewers of the same town, in the manner provided in this chapter; and the fence viewers may, in writing, assign a reasonable time, having regard to the season of the year, for making the fence. *Ib.* § 10.

22. If the occupant complained of shall not make his part of the fence, within the time so assigned, the other party may, after having made up his own part of the fence, make up the part of the other, and recover double the expense thereof, together with the fees of the fence viewers, in the manner provided in this chapter. *Ib.*

23. When one party shall cease to improve his land, or shall lay open his enclosure, he shall not take away any part of the partition fence belonging to him, and adjoining to the next enclosure, provided the owner or occupant thereof will allow and pay therefor so much as two or more

fence viewers shall, in writing, determine to be the reasonable value of such partition fence. *Ib.* § 11.

24. Whenever any land, which has lain unenclosed, shall afterwards be enclosed, or shall be used for depasturing, the occupant or owner thereof shall pay, for one half of each partition fence, standing upon the line between the same land and the land of the enclosures of any other occupant or owner, the value thereof, to be ascertained, in writing, (in case they shall not agree between themselves,) by two or more of the fence viewers of the same town, wherein such partition fence stands. *Ib.* § 12.

25. The liability of the owner or occupant of land which has lain unenclosed, on enclosing or depasturing the same to pay for the one half of a partition fence under the Rev. Stat. c. 19, § 12, attaches immediately upon such enclosing or depasturing. 1 *Cush.* 11.

26. In case such occupant or owner, after the value has been so ascertained, shall neglect or refuse, for thirty days after demand made, to pay for one half of the partition fence, the proprietor of the fence may maintain, in form aforesaid, an action for such value, and the costs of ascertaining the same. *Ib.*

27. In all cases where the line, upon which a partition fence is to be made, or to be divided, is the boundary line of one or more towns, or partly in one town and partly in another town, a fence viewer shall be taken from each town. *Ib.* § 13.

28. In all cases where a division of fence, between the owners of improved lands, has been or shall be made, either by fence viewers, or by an agreement in writing between the parties, recorded in the office of the clerk of the town wherein such lands are situate, the several owners of such lands, and their heirs and assigns, forever, shall erect and support said fence, agreeably to such division. *Ib.* § 15.

29. But if any person shall lay his lands common, and

determine not to improve any part of the same, adjoining the fence that may have been divided as aforesaid, and shall give six months' notice of his determination to all the adjoining occupants of land, he shall not be required to keep or support said fence, during the time that his lands shall so lie common and unimproved. *Id.*

30. Prescription to fence is allowed at common law, as resulting from an original grant or agreement, the evidence of which is lost by lapse of time.

Prescription may be proved by ancient usage. 6 *Mass.* 97.

A man may be bound by prescription to maintain a fence for the benefit of another, as well as himself. 5 *Pick.* 505.

31. The laws respecting fences do not interfere with contracts or rights existing independently of the statute. 2 *Dane's Ab.* 660. 5 *Pick.* 505.

The object of the statute was to establish the rights and obligations of tenants of adjoining occupied closes, respecting the making and maintaining of partition fences; the rights of persons not having any interest in either of the adjoining closes, remain unaffected by the statute, and are to be defined and protected by the common law. 6 *Mass.* 98.

32. When a party is not bound, by prescription, agreement, or assignment of fence viewers, to maintain a fence between his land and that of an adjoining owner, he may maintain an action of trespass *quare clausum fregit*, against the adjoining owner, when cattle escape into his land. The common law on this point is not altered by the statutes of this commonwealth. 4 *Met.* 589.

33. When several distinct lots or pieces of land are enclosed or fenced in one common field, or when all the proprietors of such lands shall agree to enclose them in that manner, the whole fence enclosing such general field shall, so far as it may be found convenient, be apportioned among

the proprietors, according to the number of acres held and cultivated, or otherwise used, by each one. *R. S. c. 43, § 20, 28.*

34. The part, to be maintained by each proprietor, shall be set out and assigned to him, by any two or more fence viewers, unless the proprietors shall agree on an apportionment of the fence among themselves; and in all cases, the proportion of fence, so assigned to each proprietor, shall be recorded by the clerk in the books of the proprietors, and, where there is no such clerk, the said record shall be made by the clerk of the town in which such general field is situated. *Ib. § 28.*

35. If any proprietor of land in such general field shall decline to cultivate his land, or to use it for pasturing, for the growth of wood, or otherwise, he shall not be required to maintain any part of the fence, nor to pay any tax or assessment on account of his land, so long as he shall decline to cultivate or use it as aforesaid. *Ib. § 29.*

36. The expense of apportioning the fence, and also of making and maintaining such part thereof as cannot be conveniently and justly assigned to any one proprietor, shall be borne by all the proprietors who are liable to be taxed, in proportion to their respective interests; and the part assigned to each proprietor shall be made and maintained by himself, so long as he shall use his part of the said general field of pasturing, planting, mowing or otherwise. *Ib. § 30.*

37. If the part of the fence assigned to any proprietor shall become deficient, and if he shall not repair it within three days after notice of such deficiency, given to him by a fence viewer of the town, it may be repaired by any other of the said proprietors; and such repairs may be examined by any two or more fence viewers, and if adjudged by them to be sufficient, they shall ascertain and determine the cost of the repairs, and make a statement thereof, and

of the amount of their fees, in writing, under their hands.
Ib. § 31.

38. The person making such repairs may demand, of the proprietor who was bound to make the same, or of the tenant holding under him, double the cost of the repairs and of the fees of the fence viewers, ascertained as aforesaid; and if the same is not paid within one month after notice and demand thereof, he may recover the same in an action on the case. *Ib.* § 32.

39. If any part of the fence shall be suddenly blown down, or carried away by any flood or tempest, at a time when the crops of grain or grass in the field shall be thereby exposed to immediate destruction or injury, the proprietor, to whom that part of the fence was assigned, shall be bound to repair the same within twenty four hours after notice thereof given to him by a fence viewer; and if he shall fail so to do, the fence may be repaired by any other proprietor, and such proprietor may recover double the cost of the repairs and fees, in the same manner as is provided in the preceding section. *Ib.* § 33.

23. Notice need not state the hour of the day when they were impounded. It is no objection to the notice that the field driver's name is signed by another person if it is done at his request. Notice to the owner that the cattle were at large, on the public highway, is prima facie evidence that they were so.

1. Field drivers are to be chosen at the annual meeting in such mode as the meeting shall determine, and are to be sworn to the faithful discharge of the duties of their office. *R. S. c. 15, § 33 & 34.*

2. Every field driver, within his town, shall take up, at any time, any swine, sheep, horses, asses, mules, goats or neat cattle, going at large in the public highways, or town ways, on common and unimproved lands, and not under the care of a keeper, and shall forthwith impound them in the town pound, and, for any such cattle or beasts, so going at large on the Lord's day, the field driver or any other inhabitant of the town may recover, by an action of debt, for each beast, the same amount of fees, which the field driver is entitled to receive for the like beasts, when distrained and impounded. *Ib. c. 19, § 22.*

3. The pound keeper shall not deliver to the owner any beasts so impounded, until the owner shall pay him his fees and the expense of keeping the beasts, and also the fees due to the field driver, which latter, when received, he shall pay to the field driver. *Ib. c. 113, § 3. 5 Oush. 265.*

4. The pound keeper shall furnish any beasts, impounded by any field driver, with suitable food and water, so long as they are detained in his custody. *Ib. § 1.*

5. The pound keeper shall be entitled to four cents per head for all animals impounded, but if more than ten sheep

are taken up at the same time, the fees for all above that number shall be two cents per head. *Ib.* § 2.

6. A field driver is authorized to impound cattle so going at large on Sunday, the action of debt to which the owner is subjected being only a cumulative remedy. 23 *Pick.* 251.

7. A turnpike road is a highway within the meaning of the law restraining cattle. 4 *Pick.* 258. 12 *Met.* 198.

8. The field driver shall be entitled to fifty cents per head for all horses, asses, mules and neat cattle, and ten cents per head for all sheep, goats and swine, so distrained by him; but if more than ten sheep are taken up at the same time, the fees for all above that number shall be only five cents per head. *R. S. c.* 113, § 2.

9. Each town shall, at its own expense, and in such places therein as the inhabitants shall direct, maintain one or more sufficient pounds, in which swine, sheep, horses, asses, mules, goats and neat cattle may be restrained and kept. *Ib. c.* 19, § 19.

10. Every town that shall, for the space of three months, neglect to maintain a sufficient pound, shall forfeit the sum of fifty-dollars, to the use of the commonwealth. *Stat.* 1848, § 272.

11. Each town shall annually appoint a suitable person, to be the keeper of each pound therein, and in such mode as the town meeting shall determine. *Ib.* § 21.

12. When any person is injured in his land, by sheep, swine, horses, asses, mules, goats or neat cattle, he may recover his damages in an action of trespass against the owner of the beasts, or by distraining the beasts doing the damage, and proceeding therewith as hereinafter directed. *Ib.* § 4. 18 *Pick.* 422.

13. If the beasts shall have been lawfully on the adjoining lands, and shall have escaped therefrom in consequence of the neglect of the person who has suffered the

damage, to maintain his part of the division fence, the owner of the beasts shall not be liable for such damage. *Ib.*

14. The owner of a close is not obliged to fence but against the escape of cattle lawfully in the adjoining ground; and if all his fence be insufficient, yet if the cattle do not escape into his close through the insufficient fence, but are turned in or escape through a deficient fence of an intermediate close not belonging to him, he may lawfully distrain the cattle doing damage. 6 *Mass.* 90.

15. The public have no rights in a highway but a right to pass and repass thereon. They cannot therefore turn their cattle thereon, for the purpose of grazing. And if cattle on the highway for the purpose of grazing escape into the adjoining land, the owner of the land may maintain trespass, or distrain, although the land was unfenced. 16 *Mass.* 33.

The owner of the land, however, takes the hazard of cattle lawfully passing the road, running upon his land, and casually and "*snatchingly*," against the will of the driver, devouring his crops. 16 *Mass.* 33. 18 *Pick.* 422.

16. The beasts so distrained for doing damage shall be impounded either in the town pound, or in some suitable place, under the immediate care and inspection of the person who distrained them, and he shall furnish them with suitable food and water, so long as they remain impounded. *R. S. c.* 113, § 5.

17. If the beasts are impounded, in the town pound, the distrainer shall leave with the pound keeper a memorandum in writing, under his hand, stating the cause of impounding, and the sum that he demands from the owner, for the damage done by the beasts, and also for the daily charges of feeding them; and if they are impounded in any other place, he shall give a like memorandum to the owner of the beasts, if demanded by him. *Ib.* § 6.

18. A field driver who impounds beasts for going at

large on a public highway is not bound by Rev. Stat. c. 113, § 6 to leave with the pound keeper a memorandum, stating the cause of the impounding, and the sum that he demands from the owner. 12 *Met.* 198.

19. One taking up beasts doing damage on his land and delivering them to the pound keeper as cattle taken doing damage, becomes a trespasser *ab initio* by failing to leave with the pound keeper the memorandum required by law. 13 *Met.* 407.

20. The pound keeper, when the beasts are in his custody, shall not deliver them to the owner, until the owner shall pay him his fees, together with the sum so demanded by the distrainer, for the damages and charges aforesaid, and the expense of advertising the beasts if they are advertised, and all other legal costs and expenses. *Ib.* § 7.

21. When beasts are impounded, the person impounding, shall within twenty-four hours thereafter give notice in writing, to the owner or the person having the care of them, if known, and living within six miles from the place of impounding, which notice shall be delivered to the party, or left at his place of abode, and shall contain a description of the beasts, and a statement of the time, place and cause of impounding.

22. When the owner of cattle that are impounded by a field driver for going at large contrary to law commences an action of replevin against the field driver within twenty-four hours after they are impounded, he waives the notice which the Rev. Stat. c. 113, § 8, require the field driver to give him, and cannot rely in support of his action on the want of such notice. 12 *Met.* 118.

23. The notice which a person who impounds beasts is required by Rev. Stat. c. 113, § 8 to give to the owner of them, within twenty-four hours, need not state the hour of the day when they were impounded.

It is no objection to the notice required to be given by

a field driver to the owner of impounded cattle that the field driver's name is signed by another person if it be done at the field driver's request. A notice given by a field driver, to the owner of cattle that they are impounded for going at large on the public highway, is *prima facie* evidence that they were so at large and puts on the owner the burden of proving the contrary. 12 *Met.* 198.

24. Actual knowledge by the owner of beasts impounded, of the impounding thereof, is not equivalent to the written notice required by the Rev. Stat. c. 113, § 8. 7 *Cush.* 355.

25. If the owner of cattle replevy them within twenty-four hours after they have been impounded, he cannot afterwards object that no notice of such impounding was given him in conformity to the preceding section. 23 *Pick.* 251.

26. If there is no person entitled to notice according to the provisions of the preceding section. the person impounding the beasts shall, within forty-eight hours thereafter, cause to be posted in some public place in each of any two adjoining towns, if within four miles from the place where they were taken, a written notice, containing a description of the beasts, and a statement of the time, place and cause of impounding. *Ib.* § 9.

27. If the value of the beasts shall exceed thirty dollars, and if no person shall appear to claim them, within seven days after the day of impounding, a like notice shall be published three weeks successively, in some public newspaper, if there is any published within twenty miles from the place of impounding, the first publication to be within fifteen days after the day of impounding. *Ib.*

28. If the owner or keeper of the beasts shall be dissatisfied with the claim of the person impounding them, he may have the amount for which he is liable ascertained and determined by two disinterested and discreet persons,

to be appointed and sworn for that purpose, by a justice of the peace, or by the town clerk ; and the sum so determined by them shall be received, instead of the sum demanded by the person who impounded the beasts, and they shall thereupon be delivered to the owner or keeper thereof. *Ib.* § 10.

29. If the sum, for which the beasts are impounded and detained, shall not be paid within fourteen days after notice of the impounding shall have been given as before directed, or after the last publication of such notice in a newspaper, the person who impounded them shall apply to a justice of the peace, or to the town clerk, and obtain a warrant to two disinterested and discreet persons, to be appointed and sworn by the justice or town clerk, and the persons so appointed shall ascertain and determine the sum due from the owner or keeper of the beasts, for the damages, costs, and expenses, for which they are impounded and detained, including a reasonable compensation for their own services. *Ib.* § 11.

30. If the sum so found to be due shall not be forthwith paid, the person who impounded the beasts, shall cause them to be sold by auction, in the town where they are impounded, first advertising the sale, by posting up a notice thereof, twenty-four hours beforehand, at some public place in the same town. *Ib.* § 12.

31. Under the provisions contained in the two preceding sections, it was held that where a beast impounded by a field driver was sold twenty minutes before the expiration of twenty-four hours from the time when the appraisement was completed, the sale was invalid, and the field driver a trespasser, *ab initio*, although more than twenty-four hours had elapsed from the time of posting up the advertisement ; and that it was immaterial in such case, whether any actual injury had been sustained by the owner of the beasts,

in consequence of this neglect of duty on the part of the field driver or not. 21 *Pick.* 55.

32. The proceeds of such sale, after paying all the said damages, costs and expenses, with the charges for advertising and selling the beasts, shall be deposited in the treasury of the town, for the use of the owner of the beasts, in case he shall substantiate his claim thereto within two years from the sale. *R. S. c.* 113, § 13.

33. If any beasts, that have been lawfully distrained, or impounded, shall escape or be rescued, the pound keeper, field driver, or other person who distrained them, may, at any time within seven days thereafter, retake the beasts, and hold and dispose thereof, as if no such escape or rescue had taken place. *Ib.* § 14.

34. If any person shall rescue any beasts, lawfully distrained or impounded, for any cause whatever, he shall be liable in an action on the case, to be brought by any person injured, to pay all damages which such person shall have sustained thereby, and all the fees and charges, that shall have been incurred before the rescue; and he shall moreover forfeit a sum not less than five, nor more than twenty dollars, to be recovered by complaint, before a justice of the peace or police court. *Ib.* § 15. 5 *Cush.* 267.

35. The defendant in any action brought for rescuing beasts distrained or impounded, shall not be allowed to allege or give in evidence the insufficiency of the fences, or any other fact or circumstance, to show that the distress or impounding was illegal; but if there is any such ground of objection to the proceeding, of which he is entitled to avail himself, he may have the advantage thereof, in an action of replevin. *Ib.* § 16.

1. The selectmen of such towns, as are or may be provided with one or more fire engines, shall, if they judge it expedient, appoint a number of suitable persons, as provided in this chapter; for enginemen; who shall continue in said office during the pleasure of the selectmen. *R. S. c. 18, § 9.*

2. The public fire engines in the several towns shall be manned by the number of persons and in the manner here following: to each common fire engine, there shall be appointed a number not exceeding thirty men; and to each hydraulion, or suction fire engine, a number not exceeding forty-five men; and whenever said suction engines shall be suffered to go out of repair, and be used as common engines only, the said number of forty-five men shall be reduced to the number of thirty; but this provision shall not affect the right, now existing in any city or town, to have a greater number of enginemen appointed, than is herein prescribed. *Id. § 10:*

3. The selectmen may, in their discretion, select from the enginemen, any number for each engine in their respective towns, whose duty it shall be, under the direction of the firewards, to attend fires with axes, fire-hooks, fire-sails and ladders, and to do such farther duty, as the said select-

men shall from time to time prescribe; and they shall be entitled to all the exemptions and privileges contained in this chapter. *Ib.* § 11.

4. Whenever the proprietors of any engine shall apply to the selectmen of a town, in which the said engine is owned, setting forth that they are desirous that the same should be employed for the benefit of the town, the selectmen may appoint enginemen in the same manner, with the same privileges, and subject to the same regulations, as in the case of engines belonging to the town; and in case the said proprietors shall not agree upon the place in which such engine shall be kept, such place shall be determined by the selectmen. *Ib.* § 14.

5. If the selectmen, when applied to as provided in the preceding section, shall refuse or delay, for the space of fourteen days, to appoint enginemen for any such engine, the said proprietors may apply therefor in writing to the county commissioners of their county; giving notice in writing to said selectmen, seven days at least before the sitting of said commissioners, that the aforesaid selectmen may appear and show cause, if any they have, why said enginemen should not be appointed; and if sufficient cause should not be shown by said selectmen, the said commissioners may appoint such a number of enginemen, as is directed in this chapter, for each public engine. *Ib.* § 15.

6. The enginemen appointed as provided in the two preceding sections, shall, if such can be obtained, be persons who live at or near the place where the engine is kept; and said enginemen shall enjoy all the privileges and exemptions, to which other enginemen are, or may hereafter be by law entitled. *Ib.* § 16.

7. If any engineman shall, in the opinion of the selectmen, be negligent in the duties required of him, the selectmen shall, upon sufficient evidence thereof, discharge him,

and appoint another engineman in his stead. *Id.* § 18. See *Firewards*, 6.

8. When any member of a volunteer company shall be afterwards appointed an engineman, or member of the fire department, it shall not vacate his enlistment, but, during its continuance, shall exempt him from duty. *R. S. c.* 12, § 2.

Upon ceasing to be an engineman, the liability of a member of a volunteer company to do his duty in such company revives, if his term of enlistment has not expired, nor is this liability affected by his enlisting while so exempted in another volunteer company, and receiving a non-commissioned officer's warrant therein. 3 *Pick.* 226.

If one, while an engineman, enlists into a volunteer company, he waives his right of exemption from duty. 14 *Mass.* 37.

All members of the fire department in the city of Boston, shall be exempted from serving as jurors; and all enginemen and members of the fire departments in other towns shall be exempted by their respective towns, by vote at any legal town meeting. *R. S. c.* 95, § 3.

Enginemen are also exempted from serving as constables. *R. S. c.* 18, § 17.

9. The enginemen of each engine shall meet in the month of May annually; and at such meeting, shall choose a foreman, or director, and a clerk of the said engine, and establish such rules and regulations, respecting their duty as enginemen, as shall be approved by the selectmen, and shall not be repugnant to the laws of the Commonwealth; and they shall annex penalties thereto, not exceeding ten dollars, which may be recovered by the clerk of said enginemen. *Id.* § 12.

10. The respective companies of enginemen, nominated and appointed as aforesaid, shall meet together once a month, and oftener, if necessary, for the purpose of exam-

ining the state of the engine to which they belong, and the appendages of the same, and to see that the said engine is in good repair, and ready for use; and the said enginemen shall, by night and by day, under the direction of the firewards, use their best endeavors to extinguish, without delay, any fire that may happen in the same town or the vicinity thereof. *Ib.* § 13.

11. All persons duly appointed enginemen for any fire engine, and all persons duly appointed members of the fire department established in any town, and who shall have done duty as such, for the space of one year preceding the first day of May, in each year, shall be entitled to receive from the treasurers of their respective towns, a sum equal to the poll tax to the state, county and towns (exclusive of highway taxes,) which may have been paid by such persons, or by their parents, masters, or guardians. *Ib.* § 19.

12. The chief engineer, or the officer who holds by law the first office in any fire department, and the foreman or commanding officer of each fire engine, in any town, where no fire department is established by law, on or before the first day of May, in each year, shall make out and certify, to the assessors of their respective towns, a list of all persons in their department and companies respectively, who, through the year preceding, have performed all the duties therein required by law; and the assessors shall, within ten days thereafter, examine said lists, and certify to the treasurers of their respective towns the amount to be paid to each person named therein; and the said treasurers shall, after deducting all taxes due from the persons so named, pay the same to them, or, if minors, to their parents, masters, or guardians; and upon refusal of the treasurer to pay, the persons entitled may severally have an action for money had and received, to recover the same from such towns; but no town shall be liable as aforesaid, unless the

list above prescribed shall have been duly certified, and returned to the assessors of such town, in the manner aforesaid. *Ib.* § 20.

13. If any chief engineer or other officer, required to make a certificate to the assessors, as provided in the preceding section, shall wilfully refuse to make such certificate, he shall forfeit to the use of each person, whose name ought to have been so certified, a sum not exceeding five dollars; and if such engineer or other officer shall make a false certificate in such case, he shall forfeit to the use of the town a sum not exceeding fifty dollars nor less than twenty dollars. *Ib.* § 21.

14. The provisions of the three preceding sections shall not take effect in any town or city, until the same shall be adopted and approved by the town, at their annual town meeting, or by the city council of such city; and when such approval shall be revoked by the town, at any annual meeting, or by the said city council, the said provisions shall cease to have effect in such town or city, respectively. *Ib.* § 22.

15. If any person shall wantonly or maliciously break or injure any fire engine, or the apparatus thereto belonging, he shall be punished by a fine not exceeding five hundred dollars, or by imprisonment not exceeding two years, and be further ordered to recognize, with sufficient surety or sureties, for his good behavior, during such term of time as the court shall order. *Ib.* § 23.

8. In case the pulling down or demolishing of any house or building, by direction of the firewards or other officers aforesaid, shall be the means of stopping the said fire; or if the fire shall stop before it come to the same, then every owner of such house or building shall be entitled to recover a reasonable compensation therefor from the town; but when the building, so pulled down or demolished, shall be that in which the fire first began and broke out, the owner thereof shall receive no compensation therefor. *Ib.* § 7.

6. The selectmen of any such town shall, in the month of April annually, appoint for their fire department as many engineers as they may think expedient, not exceeding twelve, who shall hold their offices for one year from and after the first day of May next succeeding, and until others are appointed in their stead. And they may also, from time to time, make and ordain rules, ordinances and regulations for their own government, and for the conduct of citizens present at any fire, and may annex penalties for the breach of any such rules, ordinances and regulations, not exceeding twenty dollars for any one breach thereof; and the same may be prosecuted for, and recovered, by the chief engineer, in his own name; and all penalties, so recovered, shall be appropriated by the engineers to the improvement of the fire apparatus of the town; *provided*, that such rules, ordinances and regulations, shall not be repugnant to the constitution or laws of this Commonwealth, and they shall not be binding until approved by the inhabitants of the town, in legal meeting held for the purpose, and published in the manner in which the town shall direct.

20. The board of health shall examine into all nuisances, sources of filth, and causes of sickness, that may, in their opinion, be injurious to the health of the inhabitants within their town, or in any vessel within the harbor of such town, and the same shall destroy, remove or prevent, as the case may require. *Ib.* § 9.

21. Whenever any nuisance, source of filth, or cause of sickness, shall be found on private property, within any city, the board of health, or health officer, shall order the owner, or occupant thereof, to remove the same, at his own expense, within twenty-four hours, or such other time as they shall deem reasonable, after notice served, as provided in the succeeding section; and if the owner, or occupant, shall neglect so to do, he shall forfeit a sum not exceeding twenty dollars, for every day during which he shall knowingly permit such nuisance or cause of sickness to remain after the time prescribed, as aforesaid, for the removal thereof. - *Stat.* 1849, c. 211, § 3.

of time as the board of health, or health officer, shall deem expedient. *Stat.* 1849, c. 211, § 4.

23. If the owner or occupant shall not comply with the order above mentioned, the board of health may cause the said nuisance, source of filth, or cause of sickness, to be removed, and all expenses, incurred thereby, shall be paid by the said owner or occupant, or by such other person as shall have caused or permitted the same, if said owner or occupant, or such other person, shall have had actual notice from the board of health of the existence of said nuisance, source of filth, or cause of sickness. *Stat.* 1849, c. 211, § 5.

24. Whenever the board of health of any city or town shall be satisfied, upon due examination, that any cellar, room, tenement or building, occupied as a dwelling place, within such city or town, is unfit for that purpose, and a cause of nuisance or sickness, either to the occupants or to the public, such board of health may issue a notice in writing, to such persons, or any of them, requiring them to remove from, or quit such cellar, room, tenement, or building, within such time as the said board of health may deem reasonable. And if the person or persons so notified, or any of them, shall neglect or refuse so to remove and quit, within the time mentioned, it shall be lawful for such board of health to remove them forcibly, and to close up such cellar, room, tenement, or building, and the same shall not be again occupied as a dwelling place, without the consent in writing, of the board of health, under a penalty of not less than ten, nor more than fifty dollars, to be recovered by indictment of the owner or owners, if they shall have knowingly permitted the same to be so occupied. *Stat.* 1850, c. 108.

25. All expenses incurred by any town or city in the removal of nuisances, or for the preservation of the public health, and which are recoverable of any private

person or corporation by virtue of any provisions of law, may be sued for and recovered in action of debt, before any court, having jurisdiction of the amount damaged. *Stat.* 1849, c. 211, § 6.

26. When any person shall be convicted, on an indictment for a common nuisance, that may be injurious to the public health, the court may, in their discretion, order it to be removed or destroyed, at the expense of the defendant, under the direction of the board of health of the town, where the nuisance is found. *Ib.* § 12.

27. The court of common pleas, or any of the justices thereof, in term time or vacation, may, in all cases, either before or pending a prosecution for a common nuisance, affecting the public health, issue an injunction to stay or prevent the same, until the matter shall be decided by a jury or otherwise. *Ib.* § 13.

28. Whenever the board of health shall think it necessary, for the preservation of the lives or health of the inhabitants, to enter any land, building or vessel within their town, for the purpose of examining into, and destroying, removing or preventing any nuisance, source of filth, or cause of sickness, and shall be refused such entry, any member of the board may make complaint under oath, to any justice of the peace of this county, stating the facts of the case, so far as he has knowledge thereof, and such justice may thereupon issue a warrant, directed to the sheriff or either of his deputies, or to any constable of such town, commanding them to take sufficient aid, and, being accompanied by any two or more members of said board of health, between the hours of sunrise and sunset, to repair to the place where such nuisance, source of filth, or cause of sickness complained of, may be, and the same to destroy, remove or prevent, under the directions of such members of the board of health. *Ib.* § 14.

29. The board of health may grant permits for the re-

31. If the infected person cannot be removed, without danger to his health, the board of health shall make provision for him, as directed in the preceding section, in the house in which he may be; and in such case, they may cause the persons in the neighborhood to be removed, and may take such other measures as they shall judge necessary, for the safety of the inhabitants. *R. 34. Whenever, on the application of the board of health, it shall be made to appear to any justice of the peace, that there is just cause to suspect that any baggage, clothing or goods, of any kind, found within the town, are infected with the plague, or any other disease, which may be dangerous to the public health, such justice of the peace shall, by warrant, directed to the sheriff or his deputy, or to any constable, require him to impress so many men, as said justice shall judge necessary to secure such baggage, clothing or other goods, and to post said men as a guard over the house or place, where such baggage, clothing or other goods shall be lodged; which guard shall take effectual care to prevent any persons removing or coming near to such baggage, clothing or other goods, until due enquiry shall be made into the circumstances thereof. *Ib. § 20.*

S. c. 20, § 9.*

22. The moderator may administer the oath of office to the clerk; and the clerk may administer the oath to the assessors and collector; or the said oaths may be administered by any justice of the peace; and they shall all be substantially the same, as are required to be taken by the clerk, assessors and collectors of towns. *Id. § 10.*

23. The moderator shall have the same power, in governing the meeting, that is given to the moderator of a town meeting; and all persons guilty of disorderly behavior at the meeting of any parish or religious society, shall be subjected to the same penalties and punishments, as are provided for the like offences in town meetings; all the pecuniary penalties to enure to the use of the parish or society, and to be recovered in the manner prescribed in the case of offences at town meetings. *Id. § 11.*

24. No lists of voters are required and no officers are authorized to make any such lists. The presiding officers in parish meetings must therefore determine, at their peril, upon the qualification of those who claim a right to vote. *24 Pick. 296.*

25. When five or more of the qualified voters of any parish or religious society shall signify, in writing, their desire to have any matter inserted in a warrant for calling a meeting, the assessors or committee shall insert the same in the next warrant they shall issue for that purpose; and nothing acted upon shall have any legal operation, unless the subject matter thereof shall have been inserted in the warrant for calling the meeting. *Id. § 16.*

26. In case the assessors or committee of any parish or

religious society shall unreasonably refuse to call a meeting, or if there are no assessors or committee qualified to call one, any justice of the peace for the county, upon the application of five or more of the qualified voters, may call a meeting, in the same manner as the justice of the peace is authorized to call a town meeting. *Ib.* § 17. 4 *Cush.* 476.

27. The person chosen collector shall, if present, forthwith declare his acceptance or refusal of the office; and in case of non-acceptance, the parish or society shall proceed to a new choice, and so from time to time, until one shall accept and be sworn. *Ib.* § 12.

28. Any person so chosen, who shall be present and shall not declare his acceptance of the office of collector, or who shall, for the space of seven days, after being summoned by a constable, or any other person whom the clerk or assessors may appoint for that purpose, neglect to take the oath of office, shall be considered as refusing to accept the office. *Ib.* § 13.

29. The prudential affairs of parishes and religious societies shall be managed by their assessors, or by a standing committee, to be specially appointed for that purpose; and the said assessors or committee shall have like authority, for calling meetings of the parish or society, as selectmen have for calling town meetings. *Ib.* § 14.

30. The qualified voters of every parish and religious society, at the annual meeting, or at any other meeting regularly notified seven days, at least, before the holding thereof, may grant and vote such sums of money as they shall judge necessary for the objects stated in the amendment of the constitution above quoted, for sacred music, and for the purchase and preservation of burial grounds. *Ib.* § 18.

31. The provisions of the twentieth chapter of the revised statutes, (which are given under this title,) are not

to diminish or enlarge the power of taxation enjoyed by any parish, by virtue of any special law, or act of incorporation; nor shall they be construed to impair any existing rights of property and of any territorial parish. *Ib.* § 19 & 21.

32. Where no mode of taxation is prescribed by the act of incorporation, the society has a right to adopt any mode which is not prohibited by law, consequently with the assent of all the proprietors, it may tax the pews in its meeting house. 1 *Cush.* 149.

33. Sums raised by any parish or religious society, shall be assessed on the polls and estates of all the members of the parish or society, in the same *manner* and *proportion* as town taxes are by law assessed. But all parish and society taxes are to be assessed upon all the property, (not exempted by law from taxation,) of all the members of such parish or society, including all their real estate, within the state, in whatever part thereof it may be situated, and all their personal estate, wherever the same may be; and no citizen shall be liable to pay any tax for the support of public worship, or for other parish charges, to any parish or religious society, other than that of which he is a member. *Ib.* § 30.

34. A person who withdraws from a parish after the parish has granted a sum of money to defray its expenses for the ensuing parochial year, but before the first of May in that year, cannot legally be assessed for the money so granted. 8 *Cush.* 267.

35. No person shall be liable to be taxed in any parish, or religious society, of which he is a member, for any property, real or personal, held by him as guardian or trustee of any other person. *Stat.* 1848, c. 164.

36. Every parish and religious society may appoint their treasurer to be the collector of their taxes; and when so appointed, he shall have the like powers, and shall proceed,

in the like manner, in enforcing the collection of such taxes, after the expiration of the time, fixed by the parish or society for the payment thereof, as is provided in the eighth chapter, for the collection of taxes by the collectors of towns. *Ib.* § 23.

37. Every parish and religious society may authorize their treasurer and collector to make an abatement of such sum as they shall agree upon at their annual meeting, to all those who make voluntary payment of their taxes, within such periods as shall be fixed on for that purpose by the parish or society. *Ib.* § 24.

38. Parish taxes must be assessed according to a valuation to be made by the assessors of the parish; and if they are assessed according to a valuation made by the assessors of the town, the assessment will be illegal and void. 2 *Pick.* 392.

39. In case any donation, gift or grant, shall be made to any unincorporated religious society, such society shall have the like power to manage, use, and employ the same, according to the terms and conditions, on which the same may be made, as incorporated societies now have, or may hereafter have, by law; to elect suitable trustees, agents or officers therefor; and to prosecute and sue for any right, which may vest in them, in consequence of such donation, gift or grant; and such society shall be a corporation, so far as may be necessary for the purposes expressed in this section. *R. S. c.* 20, § 25.

40. Incorporated and unincorporated religious societies and parishes shall have power to appoint trustees, not exceeding five in number, to hold and manage trust funds for the benefit of such societies and parishes, which trustees shall hold their offices five years and until others are appointed in their stead, with power to fill any vacancies for an unexpired term which may occur in their board; and said parishes and religious societies may establish such

rules and regulations for the government of said trustees at the time or before the first appointment thereof, as they shall deem proper, which rules and regulations shall be considered as of the nature of a contract, and not subject to alteration or amendment, except by all the trustees in office at the time and by a two-thirds vote of the parish or religious society interested therein. *Stat.* 1853, c. 389.

41. Any parish, which, from the want of officers, or any other cause, may be unable to assemble in the usual manner, and any religious society, that is not incorporated, provided they contain respectively ten or more qualified voters, may organize themselves as a corporation, in the manner and for the purposes expressed in the following sections. *Ib.* § 26. 4 *Cush.* 480.

42. Any justice of the peace for the county in which such parish or religious society may be, upon application in writing by any five or more of the qualified voters thereof, may issue his warrant for calling a meeting of the same. *Ib.* § 27.

43. The warrant shall state the objects of the meeting, and shall be directed to some one of the applicants therefor, requiring him to warn the qualified voters of the parish or society to meet at such time and place, as shall be appointed in the warrant; and, upon due return thereof, the same justice, or any other justice of the peace for the county, may preside at such meeting, for the choice and qualification of a clerk, who shall enter at large, upon the records of the parish or society, the proceedings had in the organization thereof; and the parish or society may thereupon proceed to choose a moderator, and to do all such other things, as parishes are by law authorized to do at their annual meetings; provided the subject matter thereof shall be inserted in said warrant. *Ib.* § 28.

44. The provisions of the three preceding sections, as well as the provisions of the nineteenth section, apply to

a parish that has once been legally organized, but which for the want of officers, or any other cause, is unable to assemble in the usual manner. Therefore, when a meeting of such parish, whose assessors had not been sworn, was called and conducted in the manner prescribed in the three preceding sections, and a parish committee was chosen at such meeting, it was held that they were the legal committee, and that another committee, afterwards chosen at a meeting called according to the provisions of the nineteenth section, had no legal authority. 6 *Met.* 448.

45. Every parish and religious society, organized as provided in § § 30, 31 & 32, shall become a corporation, and shall have all the powers and privileges, and be subject to all the duties, liabilities and requirements, which incorporated religious societies may, by law, have or be subject to, with power to have and hold so much estate, real or personal, as may be necessary for the objects of such organization, and no more; provided, that all the powers, derived from any such organization, may at any time be revoked by the legislature. *Ib.* § 29.

46. Whenever the proprietors of any church, meeting house, or other house of public worship, shall deem it expedient to alter, enlarge, repair, rebuild, or remove the same, it shall be lawful for them, at a legal meeting, called for that purpose, to raise such sums of money, as they may judge necessary, to carry any of said purposes into effect and to purchase any land necessary for the same. *Ib.* § 31.

47. Such moneys may be assessed on the pews in such church or house, and the assessment may be committed to the treasurer, chosen by said proprietors to receive the same; and the treasurer shall forthwith give notice thereof, by posting up an advertisement at the principal outer door of such house, stating the completion of such assessment, and the day of delivery thereof to him; and if said taxes,

or any part thereof, remain unpaid for three months, after the posting up of notifications as aforesaid, it shall be the duty of the treasurer to collect the same forthwith, by sales at public auction of the pews, whereon the tax or any part thereof shall remain unpaid, in the manner provided in the following sections. *Ib.* § 32. 1 *Cush.* 167.

48. When it shall become the duty of the treasurer, to sell any pew for taxes, he shall post up a notification of the intended sale thereof, at the principal outer door of such church or house, at least three weeks before the time of sale, therein setting forth the number of the pew, if any, the name of the owner or occupant, if known, and the amount of the tax due thereon; and if said tax or any part thereof shall remain unpaid, at the time appointed for such sale, the treasurer shall sell the pew, by public auction, to the highest bidder, and shall execute and deliver, to the purchaser, a sufficient deed of conveyance of the same; and the money, arising from such sale, beyond the taxes and incidental reasonable charges, shall be paid by the treasurer to the former owner of the pew so sold, or to his assigns. *Ib.* § 33.

49. The affidavit of any disinterested person, annexed to any original notification, or to a copy thereof, made before a justice of the peace, and recorded on the proprietors' records within six months next after such sale, shall be allowed, as one mode of proof of the posting up of the notifications herein before required. *Ib.* § 34.

or society was, who shall have authority to certify copies from the same; and in case of refusal to surrender the same, upon due notice and demand by such clerk, the offender shall pay a fine not exceeding fifty dollars. *Stat.* 1851, c. 161, § 8.

the town, as having a lawful settlement therein, or as poor persons supported by the Commonwealth. *R. S. c. 80, § 6.*

4. Such children, whether under or above the age of fourteen years, may be bound, females to the age of eighteen years, or to the time of their marriage within that age, and males to the age of twenty-one years; and provision shall be made in the contract, for teaching such children to read, write and cipher, and for such other instruction, benefit and allowance, either within or at the end of the term, as the overseers may think reasonable. *Id.* § 7.

5. An indenture entered into by overseers of the poor which does not contain a provision for the instruction of the minor in reading, &c. is void as to all the parties. 5 *Pick.* 250. 16 *Pick.* 44.

Overseers of the poor cannot bind out minors to be apprentices until an age less than twenty-one. 16 *Pick.* 44.

6. No minor shall be so bound by the overseers, unless by an indenture of two parts, sealed and delivered by the overseers and by the master, one part of which shall be deposited with the town clerk, and be safely kept by him for the use of the minor. *R. S. c. 80, § 8.*

7. All considerations, of money or other things, paid or allowed by the master, upon any contract of service or apprenticeship, made in pursuance of this chapter, shall be paid or secured to the sole use of the minor thereby bound. *Id.* § 9.

8. Overseers shall inquire into the treatment of all who shall have been bound by their predecessors in office, and defend them from all cruelty, neglect and breach of contract, on the part of their masters. *Id.* § 10.

9. In case of any such misconduct or neglect of the master, a complaint may be filed by the overseers, in the court of common pleas for the county in which the master

resides, setting forth the facts and circumstances of the case, and the court, after having duly notified the master, shall proceed to hear and determine the cause, with or without a jury, as the allegations of the parties may require. *Ib.* § 11.

10. After a full hearing of the parties, or of the complainants alone, if the master shall neglect to appear, the court may render a judgment or decree, that the minor be discharged from his apprenticeship or service, and for the costs of the suit against the master, and may award execution accordingly, and the minor may be bound out anew. *Ib.* § 12.

11. If the complaint shall not be maintained by the overseers, the court shall not award costs against them, unless it shall appear that the complaint was made without any just or reasonable cause. *Ib.* § 13.

12. Every master shall moreover be liable, whether such complaint shall have been filed or not, to the account on the indenture, for the breach of any covenant on his part therein contained; and all damages recovered in such action, after deducting the necessary charges in prosecuting the same, shall be the property of the minor, and may be applied and appropriated to his use, by the person who shall recover the same, and the residue, if any, shall be paid to the minor, if a male, at his age of twenty-one years, and if a female at her age of eighteen years, or at the time of her marriage within that age. *Ib.* § 14.

13. Such action may be brought by the overseers or their successors in that office, or it may be brought in the name of the minor, by his guardian or next friend, as the case shall require, or by himself, after the expiration of the term of apprenticeship or service. *Ib.* § 15.

14. If the action is brought by the overseers, it shall not abate by the death of any of them, or by their being succeeded in office, but shall proceed in the names of the

original plaintiffs, or the survivor of them, or the executors or administrators of the survivor; and the money recovered therein shall be deposited in the town treasury, to be applied and disposed of as provided in the twelfth section. *Ib.* § 16.

15. If judgment in such action, by whomsoever brought, shall be rendered for the plaintiff, in the court of common pleas, or the supreme judicial court, the court may also, upon the motion of the plaintiff, discharge the minor from his apprenticeship or service, if it shall not have been already done in the manner before provided, and the minor may be thereupon bound anew. *Ib.* § 18.

16. If any such apprentice or servant shall be guilty of any gross behavior, or refusal to do his duty, or wilful neglect thereof, his master may file his complaint in the court of common pleas, for the county in which he resides, setting forth the facts and circumstances of the case, and the court, after having duly notified the apprentice or servant, and all persons who have covenanted on his behalf, and after a full hearing of the parties, or of the complainant alone if the adverse parties shall neglect to appear, may render a judgment or decree, that the master be discharged from the contract of apprenticeship or service. And any minor so discharged may be bound out anew. *Ib.* § 22 & 23.

17. No indenture of apprenticeship or service, made in pursuance of this chapter, shall bind the minor after the death of his master, but the apprenticeship or service shall be thenceforth discharged, and the minor may be bound out anew. *Ib.* § 24.

18. Any indenture of apprenticeship or service, made in pursuance of this chapter, by or in behalf of a minor, may be made either with a woman or a man, and all the foregoing provisions shall apply as well to mistresses as to masters. *Ib.* § 25.

19. The overseers of the poor of any town, and the mayor and aldermen of any city, in this Commonwealth, shall, upon request, give permission to any regular physician, duly qualified according to law, to take the dead bodies of such persons as are required to be buried at the public expense, within their respective towns or cities, to be by him used within this Commonwealth for the advancement of anatomical science, preference being always given to medical schools by law established in this State, for their use in the instruction of students; and it shall be the duty of all persons having charge of any poor-house, work-house, or house of industry, in which any person required to be buried at the public expense shall die, immediately to give notice thereof to the overseers of the poor of the town, or the mayor and aldermen of the city, in which such death shall occur, and the dead body of such person shall not except in case of necessity, be buried, nor shall the same be dissected or mutilated, until such notice shall have been given, and permission therefor granted by said overseers, or mayor and aldermen. *St. of 1845, c. 242, § 1.*

20. No such body shall in any case be surrendered, if the deceased person, during his last sickness, of his own accord, requested to be buried, or if, within twenty-four hours after his death, any person claiming to be of kindred or a friend to the deceased, and satisfying the proper authority thereof, shall require to have the body buried; or if such deceased person was a stranger, or traveller who suddenly died; but the dead body shall, in all such cases, be buried; and no body shall be surrendered until the physician requesting the same, shall give to the board, by whose order the same is to be surrendered, the bond required by the following section. *Ib. § 2.*

21. Every physician shall, before receiving such dead body, give to the board of officers, surrendering the same

to him, a sufficient bond, that each body, so by him received, shall be used only for the promotion of anatomical science, and that it shall be used for such purpose within this state only, and so as in no event to outrage the public feeling; and that, after having been so used, the remains thereof shall be decently buried. *R. S. c. 22, § 12.*

22. No licenses for the sale of the real estate of any idiot or insane person under guardianship, or if any person under guardianship on account of excessive drinking, gaming, idleness, or debauchery, shall be granted unless the overseers of the poor of the town or place, of which the ward is an inhabitant, or in which he resides, shall certify in writing their approbation of such proposed sale. *R. S. c. 71, § 28.*

23. The treasurer of any savings bank, or of any institution for savings, shall upon the written request of any overseer of the poor of any city or town of the Commonwealth signed by him, inform such overseer of the amount if any, which may be deposited in the savings bank or institution for saving of which he is the treasurer, to the credit of any person named in the request who may be at the time a charge upon the Commonwealth, or upon any city or town as a pauper.

57. Also an estate leased.
58. Settlements prior April 10th, 1767.
59. Settlements from April 10th, 1767, to June 23d, 1789.
60. Modes of acquiring settlements, from June 23d, 1709, to February 11th, 1794.
61. Provision for persons who had begun to acquire settlement, when the revised statutes took effect.
62. A legal settlement continues till a new one is acquired in this state.
63. Acquisition of a settlement in another state, does not cause the loss of a settlement in this state.
64. Persons residing on lands of U. S. do not acquire settlements.

1. By the revised statutes, twelve modes are presented

by which legal settlements may be acquired, in any town, so as to oblige such town to relieve and support the persons acquiring the same, in case they are poor and stand in need of relief. *R. S. c. 45, § 1.*

2. The provisions of the revised statutes took effect on the first day of May, eighteen hundred and thirty-six. The rules with the exception of the fourth are the same as those of the statutes of 1793, *c. 34.* The fourth rule is taken from the statutes of 1821, *c. 94.*

3. All settlements since the first day of May, 1836, and all future settlements are to be determined by the rules as they now stand. So are all settlements with the exception of those arising under the fourth mode, which have been acquired since the eleventh day of February, 1794.

The fourth rule applies only to settlements acquired since the twenty-first day of February, 1822.

4. We give the rules with some of the most important of the decisions of the Supreme Court upon them.

First, A married woman shall always follow and have the settlement of her husband if he have any within the state ; otherwise, her own at the time of marriage, if she then had any, shall not be lost or suspended by the marriage ; and in case the wife shall be removed to the place of her settlement, and the husband shall want relief, he shall receive it from the state, in the town where his wife shall have her settlement. *R. S. c. 45, § 1.*

5. It can make no difference where the marriage was solemnized, whether within or without the Commonwealth, provided it be such a marriage as our laws recognize, nor what was the age of the parties, provided they were competent to contract matrimony. 9 *Mass.* 201.

6. A wife does not lose her settlement derived from her husband by means of divorce, for the cause of adultery. *Id.*

7. But a void marriage does not confer a settlement.

As where a woman intermarried with an idiot, it was held that the marriage being void, no settlement was gained by the wife. 12 *Mass.* 363.

8. *Second*, Legitimate children shall follow and have the settlement of their father, if he have any within the state, until they gain a settlement of their own; but if he have none, they shall, in like manner, follow and have the settlement of their mother, if she have any. *R. S. c. 45, § 1.*

9. Children of full age do not follow the new settlements of their parents. 4 *Mass.* 493.

10. Nor do female children, under age, if freed from their parents by marriage or other legal emancipation. 13 *Mass.* 169.

But if a male infant or minor marry, he is not thereby emancipated so as to be capable of gaining a settlement in his own right. 15 *Mass.* 203.

11. An idiot from birth, not having estate sufficient to give him a settlement in virtue thereof, follows the settlement of his father as well after he becomes of age as before. 15 *Mass.* 237.

One who becomes non compos after coming of age does not follow a new settlement of his father. 3 *Pick.* 173.

12. Where a minor, deriving his settlement from his mother, resided in another state, employed in learning a trade, and the mother acquired a new settlement in this Commonwealth by a second marriage, before he became of age, it was held, that his settlement followed that of his mother. 18 *Pick.* 264.

13. A minor child having the settlement of its deceased father does not lose it, and acquire the settlement of its mother, on her gaining a new settlement by a second marriage. 8 *Cush.* 528.

14. *Third*, Illegitimate children shall follow and have the settlement of their mother, at the time of their birth,

if she then have any within the state ; but neither legitimate nor illegitimate children shall gain a settlement by birth, in the place where they may be born, if neither of their parents then have any settlement therein. *R. S. c. 45. § 1.*

15. They do not follow any new settlement the mother may acquire ; their first settlement remains until they gain one in their own right. 13 *Mass.* 381.

In this Commonwealth, an illegitimate child born after the 10th of April 1767, and before the passing of the *St.* 1789, *c. 14*, has the settlement of its mother at the time of his birth, if she then had any. 8 *Cush.* 75.

16. *Fourth*, Any person of the age of twenty-one years, being a citizen of this or any other of the United States, having an estate of inheritance or freehold, in any town within the state, and living on the same three years successively, shall thereby gain a settlement in such a town. *R. S. c. 45, § 1.*

17. A settlement may be acquired by owing an estate of freehold and inheritance, and residing thereon three years successively, although the land be under mortgage, during the whole time, for its full value. 19 *Pick.* 294.

18. In order to gain a settlement it is sufficient if the party is seized by an apparently good title, and no present right of entry is outstanding in any other person. 21 *Pick.* 233.

19. A person does not acquire a settlement by thus living on an estate, which he has in remainder, as tenant of the owner of the preceding estate of freehold. The provision has reference to such an estate as the party has a right to occupy, and not to an estate in expectancy, when there is a preceding estate of freehold in another. 5 *Met.* 350.

20. If a person receives aid from the town where he resides he would not acquire a settlement under this rule. 21 *Pick.* 233.

21. A person under guardianship as a spendthrift gained a settlement under this mode by living three years successively on an estate of inheritance or freehold purchased with his money and conveyed by deed to him, though it was purchased by his guardian without the sanction of the supreme court of probate. 3 *Met.* 165.

22. A mortgagor occupying the estate by leave of a lessee for years of the mortgagee, who has entered for condition broken, has no estate of inheritance or freehold in the premises and cannot by such occupation acquire a settlement under the fourth method in the Rev. Stat. c. 45, § 1. 4 *Cush.* 172.

23. A husband who for three years successively, occupies land assigned to his wife as dower, obtains a settlement by virtue of Stat. 1821, c. 94, and Rev. Stat. c. 45, § 1. 8 *Cush.* 525.

24. The occupation of an estate of freehold by the grantor, after a conveyance thereof which is fraudulent, and void as against creditors, is not sufficient to gain a settlement under the fourth mode provided in the Rev. Stat. c. 45, § 1, although he has a bond for a reconveyance from the grantee. 8 *Cush.* 525.

25. A citizen of the United States living three years in any town within this state on land conveyed to him by a warranty deed, gains a settlement in such town by virtue of the Rev. Stat. c. 45, § 1, c. 4, although his grantor had in fact no title to the land. 1 *Gray.* 619.

26. A person does not acquire a settlement in a town under Rev. Stat. c. 45, § 1, clause 4, by having an estate of inheritance or freehold in the town, and living on the same three years successively, if he receive support as a pauper during those three years from the town in which he had his settlement. 13 *Met.* 192.

27. Support granted to a person as a pauper, by the overseers of the poor of the town in which he has a set-

tlement, will prevent his acquiring a settlement in another town in which he resides, although the act of the overseers in granting such support is not ratified by their town. 13 *Met.* 192.

28. *Fifth*, Any person of the age of twenty-one years, being a citizen of this or any other of the United States, having an estate the principal of which shall be set at two hundred dollars, or the income at twelve dollars, in the valuation of estates made by assessors, and being assessed for the same, to state, county, or town taxes, for the space of five years successively, in the town where he dwells and has his home, shall thereby gain a settlement therein. *R. S. c. 45, § 1.*

29. It is not essential that the taxes assessed on such estate be paid. 15 *Mass.* 160.

30. The provision applies to personal estate as well as real. 4 *Met.* 178.

31. The party must reside in the town during the whole five years for which he is assessed. 24 *Pick.* 166. See 22 *Pick.* 365.

It is not sufficient that he had the estate liable to be taxed in the town, and was able to pay taxes for the five years. 22 *Pick.* 385.

32. *Sixth*, Any person, being chosen and actually serving, one whole year, in the office of clerk, treasurer, selectman, overseer of the poor, assessor, constable or collector of taxes, in any town, shall thereby gain a settlement therein; and the year mentioned in this section shall be considered as including the time, between the choice of such officers at one annual meeting, and the choice at the next annual meeting, whether it be more or less than a calendar year. *R. S. c. 45, § 1.*

A collector of a school district tax is a collector of taxes, withiñ the intent of this section. 15 *Mass.* 523.

33. *Seventh*, Every settled ordained minister of the gos-

pel shall be deemed to have acquired a legal settlement in the town, wherein he is or may be settled as a minister. *R. S. c. 45, § 1.*

34. Where a minister who has been regularly ordained in one town, is afterwards settled in another as a pastor with the full character, rights and duties of a pastor, but without any new ordination, or ceremony of induction, or for a limited time as for a year, he will by such settlement as a minister, acquire a settlement as a pauper within the statute of 1793, c. 34, § 2, cl. 7, (Rev. Stat. c. 45, § 1, cl. 7,) in the latter town. 4 *Cush.* 553.

35. *Eighth*, Any person that shall be admitted an inhabitant by any town, at any legal meeting held under a warrant, which shall contain an article for that purpose, shall thereby acquire a legal settlement therein. *R. S. c. 45, § 1.*

36. *Ninth*, Any citizen of this or any other of the United States, dwelling and having his home in any unincorporated place, at the time when the same shall be incorporated into a town, shall thereby acquire a legal settlement therein. *Ib.* 6 *Met.* 484.

37. *Tenth*, Upon the division of any town, every person having a legal settlement therein, but being absent at the time of such division, and not having acquired a legal settlement elsewhere, shall have his legal settlement in that town, wherein his last dwelling place or home shall happen to fall upon such division; and when any new town shall be incorporated, composed of a part of one or more old incorporated towns, every person, legally settled in the bounds of such new town, at the time of its incorporation, shall thereby acquire a legal settlement in such new town; provided, that no person, residing in that part of any town, which, upon such division, shall be incorporated into a new town, having then no legal settlement therein, shall acquire any by force of such incorporation only; nor shall

such incorporation prevent his acquiring a settlement therein, within the time and by the means, by which he would have gained it there, if no such division had been made. *R. S. c. 45, § 1. 6 Met. 484. 4 Cush. 185.*

Where parts of different towns together with unincorporated territory, are incorporated into a district, a citizen dwelling and having a home in such unincorporated territory, gains a legal settlement in such district, by force of the act of incorporation, in the same manner, as if such district had been wholly composed of territory previously unincorporated. *6 Met. 484.*

When part of an existing town is *annexed* to another *existing* town, persons dwelling on the part detached, having settlements in their own towns, acquire new settlements in the towns to which they are transferred; but the principle is confined to those only who actually *dwelt* there at the time of the annexation. *7 Mass. 156. 1 Pick. 144. 19 Pick. 426.*

38. *Eleventh*, Any minor, who shall serve an apprenticeship to any lawful trade, for the space of four years, in any town, and actually set up such trade therein, within one year after the expiration of said term, being then twenty-one years old, and shall continue to carry on the same for the space of five years therein, shall thereby gain a settlement in such town; but such person being hired as a journeyman shall not be considered as setting up a trade. *R. S. c. 45, § 1.*

39. *Twelfth*, Any person of the age of twenty one years, being a citizen of this or any other of the United States, who shall hereafter reside in any town within this State, for the space of ten years together, and pay all state, county or town taxes, duly assessed on his poll or estate, for any five years within said time, shall thereby gain a settlement in such town. *Ib. 4 Cush. 538.*

40. The ten years residence must be uninterrupted; and

any absence, however short, with the intention of permanently changing the place of abode, will prevent the gaining a settlement. 11 *Mass.* 394. 7 *Pick.* 42.

41. If, before the expiration of the ten years' residence the pauper calls for aid, which is furnished him, and the expenses thereof be reimbursed by the town where he is lawfully settled, this will be such an interruption of his residence as will prevent his gaining a settlement. 13 *Mass.* 460. 12 *Pick.* 1.

And this though he has no settlement within the Commonwealth. 3 *Met.* 428.

42. A parent does not gain a settlement in a town by residing therein ten years together, and paying all taxes assessed on him for five of those years, if during such residence, he is supplied by the town in which he has a settlement, with money to aid him in supporting his helpless children. 12 *Met.* 35.

43. The assessment of a tax on real estate to the occupant, and the payment of the same by him not as of his own estate, but in right of another, are a sufficient assessment and payment of a tax within the twelfth mode provided by statute, (Rev. Stat. c. 45, § 1,) for acquiring a settlement as a pauper in the town where such party resides. 4 *Cush.* 557.

44. As the payment of taxes within the town seems to be the principal cause of the settlement, it is not material that the pauper should have had a *fee* or even a *freehold* in the estate for which he had paid taxes. Thus if a person be taxed for a piece of land which he occupies from year to year, or by sufferance, it will be considered as such person's estate, under the 12th, but not under the 5th mode of gaining a settlement. 13 *Mass.* 460. 15 *Mass.* 253.

45. The taxes must be paid during five years; it is not sufficient that they were paid part of the time, and remitted by a vote of the town for the remainder. 19 *Pick.* 389.

The neglect to enforce the collection of a tax will not operate as a payment, upon the question of settlement. 20 *Pick.* 345.

46. A settlement is not gained by a person's residing in a town for ten years together and possessing real and personal estate, if the assessors omit to tax him; though such omission is not on account of his infirmity or poverty or by mistake, but in order to prevent his acquiring a settlement. 10 *Met.* 115.

47. If one own a farm, and reside thereon ten years, paying the taxes five years, he will acquire a settlement in the town, notwithstanding he have a family in another State, which he occasionally visits. 13 *Mass.* 501.

48. The payment of a highway tax for five years, coupled with the prescribed term of residence, gives a settlement. 16 *Mass.* 235.

49. A person does not acquire a legal settlement by residing in a town ten years together and paying taxes for any five of those ten years, if within that time he is committed to gaol and while there applies for and receives relief as a pauper from the gaoler. 12 *Pick.* 1.

50. The settlement is gained even though the wife of the pauper receives assistance in another town, without her husband's knowledge. 19 *Pick.* 480.

51. The fourth mode of acquiring a settlement under the statute of 1793, ch. 34, was the following:—

“Any person twenty-one years of age being a citizen of the United States, having an estate of inheritance or freehold in the town where he dwells and has his home, of the clear yearly income of *three pounds*, and taking the rents and profits thereof three years successively, whether he lives thereupon or not, shall thereby gain a settlement therein.”

As many settlements were gained under this provision between February 11th, 1794, and February 21st, 1822,

we will notice some of the expositions of it by the Court.

52. If a person was lawfully in possession of an estate as above described, taking the rents and profits. he gained a settlement, although his title to the estate was defeasible. 11 *Mass.* 327.

53. The clear yearly income, must have been *three pounds* free from all charges, and if the estate was mortgaged the interest of the mortgage must have been deducted. 6 *Mass.* 50. 11 *Mass.* 327.

54. The annual income must have been three pounds, each and every year, otherwise the estate did not communicate a settlement. 3 *Pick.* 198.

55. It is necessary that the owner should have dwelt and had his home in the town where the estate was situated during the whole of the same three years. 14 *Mass.* 384.

56. If the estate was held in trust, the person for whom it was so held acquired a settlement by taking the rents and profits three years successively. 2 *Pick.* 28.

57. So if a person in possession of an estate of freehold lease the same in payment of a debt, he will be seized notwithstanding the lease, and will be considered as receiving the rents and profits. 5 *Pick.* 449.

58. By the provincial acts, 4th of William & Mary (1692) ch. 13, and 12th and 13th of William 3, (1700 & 1701) ch. 10, explaining by an act in the 13th of George 2, (1739) it was provided, that in addition to obtaining a settlement by the approbation of the town at a meeting of the inhabitants regularly assembled, or the approbation of the selectmen, given under their hands, any person who dwelt in any town twelve months, not having been warned by the constable or other person appointed by the selectmen for that service, to leave the place, should thereby gain a settlement.

No act of the assessors in rating a person subjected the town to the expense of his support, who had not remained

there the twelve months, or whose dwelling there had not been approved by the town or selectmen.

In order to prevent a settlement by warning, it was necessary that the name of the person warned, the time of his abode in the town, and the time when the warning was given should be returned to the Court of Quarter Sessions. 4th William and Mary ch. 13.

59. The "warning out laws," as they have been called, were repealed on the 10th of April, 1767. From that date to June 23d, 1789, no settlement could be gained except by approbation of the town at a general meeting of the inhabitants.

60. The statute passed June 23d, 1789, after confirming settlements then gained, provided the following modes of acquiring them :—

I. "Every person being a citizen of the Commonwealth, who shall be seized of an estate of freehold in the town, of the clear annual income of *three pounds*, and shall reside thereon, or within the same town, occupying and improving the same in person for the space of *two whole years*, shall thereby gain a settlement." *Stat.* 1789, c. 14, § 1.

II. Any citizen of this Commonwealth, who shall have and obtain the vote of any town or district at a regular meeting, to be admitted and received an inhabitant thereof, shall, from and after the passing such vote, in case such citizen shall there reside and dwell, be deemed and taken to be an inhabitant of the same. *Stat.* 1789, c. 14, § 2.

III. Every woman, by intermarrying with an inhabitant of any town or district, shall by such marriage be deemed and taken to be an inhabitant of the same town or district with her husband; and children born in wedlock at the time of their birth, and afterwards, shall be deemed and taken as inhabitants of the same town or district with their parents; and children otherwise born, shall be deemed and

taken to be inhabitants with the mother, until they shall have obtained a legal settlement or habitancy in some other town or district; but no person shall have more than one place of legal settlement at one and the same time, but upon obtaining a new place of settlement, shall be deemed and taken voluntarily to have relinquished any former one. *Ib.* § 3.

Other modes of acquiring settlements were presented, but the statute was repealed before settlements could have been gained under them.

The statute was repealed on the eleventh of February, 1794.

61. No person who had begun to acquire a settlement, by the laws in force at and before the time when the provisions of the revised statutes took effect, in any of the ways in which any time is prescribed for a residence, or the continuance or succession of any other act or acts, shall be prevented or delayed by those provisions; but he shall acquire a settlement by a continuation of the same residence or other act or acts in the same time and manner as if the former laws had continued in force. *R. S. ch.* 45, § 2.

62. Every legal settlement shall continue till it shall be lost or defeated, by acquiring a new one within this state; and upon acquiring such new settlement, all former settlements shall be defeated and lost. *Ib.* § 3.

63. Since the repeal of St. 1789 ch. 14, by St. 1793 ch. 34, a settlement in any town in this Commonwealth is not lost by the acquisition of a settlement in another state while the St. of 1789 was in force. 6 *Cush.* 61.

64. Persons who reside on lands purchased by, or ceded to, the United States, for navy yards, forts, and arsenals, under the Massachusetts statutes, do not thereby gain a settlement for themselves or their children. 1 *Met.* 580.

1. Every town shall relieve and support all poor and indigent persons, lawfully settled therein, whenever they shall stand in need thereof, and may raise moneys therefor, and for their employment, in the same way that moneys for other town charges are raised. *R. S. c. 46, § 1.*

2. The overseers of the poor shall have the care and oversight of all the poor and indigent persons, so long as they remain at the charge of their respective towns, and shall see that they are suitably relieved, supported and employed at the charge of such town, either in the workhouse, or almshouse, provided by the town, or in such other manner as the town shall direct, or otherwise at the discretion of said overseers. *Id. § 2.*

3. The overseers of the poor shall have the same power and authority over persons who may be placed under their care, which directors or masters of workhouses have over persons committed thereto, by force of the provisions concerning workhouses. *Id. § 3. See Title, "Workhouses."*

4. Any town may erect or provide an almshouse, for the reception and employment of their poor; or any two or more towns may, at their joint charge and for their com-

mon benefit, erect or provide such a house, in like manner as they are authorized to join in providing a workhouse. *Ib.* § 4.

5. The kindred of any such poor person, if any he shall have in the line of degree of father or grandfather, mother or grandmother, children or grandchildren, by consanguinity, living within this state, and of sufficient ability, shall be bound to support such pauper, in proportion to their respective ability. *R. S. c. 46, § 5.*

6. The court of common pleas in the county, where any one of such kindred to be charged shall reside, upon complaint made by any town, or by any kindred, who shall have been at any expense, for the relief and support of such pauper, may, on due hearing, either upon the appearance or default of the kindred supposed to be chargeable, assess and apportion, upon such of the kindred as they shall find to be of sufficient ability, and in proportion thereto, such sum as they judge reasonable, for or towards the support of the pauper, to the time of such assessment, and may enforce payment thereof, by an execution in common form; provided, that such assessment shall not extend to any expense for relief, afforded more than six months previous to the filing of the complaint. *Ib.* § 6.

7. The said court may further assess and apportion, upon the said kindred, such weekly sum, as they shall judge sufficient for the future support of the pauper, to be paid quarter yearly, until the further order of court; and upon application, from time to time, of the town, or kindred to whom the same shall have been ordered to be paid, the clerk of said court shall issue and may renew an execution, for the arrears of any preceding quarter. *Ib.* § 7.

8. When the court shall adjudge two or more of the kindred of any pauper to be of sufficient ability to contribute to his support, they shall tax no more costs against any one respondent, than shall have been occasioned by his default or separate defence. *Ib.* § 8.

9. The said court may further order, with whom of such kindred, that may desire it, such pauper shall live and be relieved, and such time with one, and such time with another, as they shall judge proper, having regard to the comfort of the pauper, as well as the convenience of the kindred. *Ib.* § 9.

10. The complaint to be made by any town, or kindred of a pauper, as provided in this chapter, shall be filed in the clerk's office of the court of common pleas, and a summons shall be thereupon issued, requiring the kindred therein named to appear and answer thereto ; which summons shall be directed to any officer, who is qualified to serve civil process between the same parties, and shall be served like an original summons, fourteen days at least before the sitting of the court to which it is returnable. *Ib.* § 10.

11. Upon a suggestion that there are other kindred of ability not summoned in the original process, such other kindred may be summoned, and after due notice, whether they appear or are defaulted, the court may proceed against them, in the same manner as if they had been summoned upon the original complaint. *Ib.* § 11.

12. The said court may take further order, from time to time, in the premises, upon application of any party interested, and may alter such assessment and apportionment, according to the circumstances ; and upon all such complaints, they may award costs to either party, as justice shall require. *Ib.* § 12.

13. The said overseers, in their respective towns, shall also provide for the immediate comfort and relief of all persons, residing or found therein, not belonging thereto, but having lawful settlements in other towns, when they fall into distress and stand in need of immediate relief, and until they shall be removed to the places of their lawful settlements ; the expenses whereof, incurred within three

months next before notice given to the town to be charged, as also of their removal, or of their burial, in case of their decease, may be sued for and recovered, by the town incurring the same, against the town which is liable therefor, in an action at law ; provided that such action for damages be instituted within two years after the cause of action shall have arisen, but not otherwise. *Ib.* § 13. See 8 *Met.* 513.

14. A husband is always liable to support his wife, if he is of ability to support her ; and the town furnishing relief to her may immediately call upon him without resorting to the town where his settlement is, the remedy being cumulative. 14 *Mass.* 227.

15. In an action for expenses incurred in relief of a person, it is competent to prove that if the person so relieved was not a pauper, he was in distress under such circumstances as to require immediate aid from the plaintiffs. 11 *Pick.* 459.

16. A recovery in such civil action shall bar the town, against which it shall be had, from disputing the settlement of such pauper with the town so recovering, in any future action brought for the support of such pauper. *R. S. c.* 46, § 14.

17. When any person shall be supported in any town other than that in which he has his settlement, the town that is liable for his support shall not, in any case, be required to pay therefor more than at the rate of one dollar a week ; provided the town that is liable for the support of the pauper shall cause him to be removed, within thirty days from the time of receiving legal notice that such support has been furnished. *Ib.* § 15.

18. The provision in the foregoing section does not apply to the case of the removal of a pauper after his decease, though before burial. 13 *Met.* 198.

19. The actual removal of a pauper by the town in

which he has a settlement within thirty days after legal notice of relief being furnished him by another town, is a condition precedent which must be strictly performed, in order to exempt the former town from a greater expense than one dollar per week. Where the pauper was so sick that he could not be removed with safety, it was held the town affording relief had a right to recover the amount of its expenses reasonably incurred. 7 *Pick.* 155. See also 4 *Pick.* 45.

20. In computing the thirty days notice provided for in the preceding section, the day on which notice is received is to be excluded. 8 *Cush.* 371.

21. A town is not liable to pay a charge for the trouble of overseers, in providing for a pauper in another town. 11 *Mass.* 327.

22. The overseers of the poor of each town shall also relieve, support, and employ all poor persons, residing or found in their towns, having no lawful settlements within this state, and in case of their decease, shall decently bury them; the expense whereof may be recovered of their kindred, if they have any, chargeable by law for their support in the manner hereinbefore provided; otherwise it shall be paid out of the treasury of the Commonwealth, as hereinafter provided. *R. S. c.* 46, § 16.

23. Upon complaint of the said overseers of any town, any justice of the peace may, by warrant directed to, and to be executed by, any constable, or any other person therein designated, cause such pauper to be sent and conveyed, at the expense of the state, by land or water, to any other state, or to any place beyond sea, where he belongs, if the justice thinks proper, and if he may be conveniently removed; but if he cannot be so removed, he may be sent to, and relieved and employed in, the house of correction or workhouse, at the public expense. *Id.* § 17.

24. Every town shall be held to pay any expense, which

shall be necessarily incurred, for the relief of a pauper, by any person, who is not liable by law for his support, after notice and request made to the overseers of the said town, and until provision shall be made by them. *Id.* § 18.

25. In order to entitle a person to recover it is necessary that he should have given the notice required by statute, and it is not enough that the overseers had reasonable notice, by their having heard that the pauper had not been removed from the plaintiffs, but had remained with and been supported by him. 4 *Cush.* 200.

26. Under the Statute of 1793, c. 59, § 13, towns were liable to their own inhabitants only ; under the revised statutes, they are liable to any person after due notice and request. *See* 7 *Met.* 214.

But towns are liable only for expenses incurred in the support of paupers found, or residing in the town. 8 *Met.* 492.

27. It is no defence to an action, brought by an inhabitant against his town, that some individual is liable to support the pauper. 15 *Mass.* 289.

28. A verbal notice and request to the overseers of the poor to provide for a destitute person is sufficient. 15 *Mass.* 286.

29. The said overseers may, in all cases, send a written notification, stating the facts relating to any person actually become chargeable to their town, to one or more of the overseers of the place, where his settlement is supposed to be, and requesting them to remove him, which they may do by a written order, directed to any person therein designated who is hereby authorized to execute the same. *R. S. c.* 46, § 19.

30. If such removal is not effected by the last mentioned overseers, within two months after receiving such notice, they shall, within said two months, send a written answer, stating therein their objections to the removal of

the pauper, signed by one or more of them, to one or more of the overseers, requesting such removal; and if they shall fail so to do, the overseers, who requested the removal of the pauper, may cause him to be removed to the said place of his supposed settlement, by a written order directed to any person therein designated, who is hereby authorized to execute the same; and the overseers of the town, to which the pauper is so sent, shall be obliged to receive and provide for him, and their town shall be liable for the expenses of his support and removal, to be recovered by an action by the town incurring the same, and shall be barred from contesting the question of settlement with the plaintiffs in such action. *Ib.* § 20.

31. The notification and answer, mentioned in the two preceding sections, may be sent by mail; and such notification or answer, directed to the overseers of the poor of the town, intended to be notified or answered, (the postage being paid and endorsed thereon,) shall be deemed a sufficient notice and answer, and shall be considered as delivered to the overseers, to whom it is directed, at the time when it is received in the post office of the town, to which it is directed, and in which the said overseers reside. *Ib.* § 21.

32. The notification, if signed by one of the overseers and purporting to be by order of the whole, or if signed by a majority, will be sufficient. 6 *Mass.* 501. 8 *Mass.* 104. 4 *Met.* 433.

33. Where an action has been commenced for the recovery of the expenses incurred in the support of a pauper, a second action cannot be maintained for the recovery of expenses subsequently incurred in the support of the same pauper, without a new notice, although the first action be pending when the second is commenced. 4 *Pick.* 358.

34. But an answer to an insufficient notice will be con-

sidered as a waiver of the deficiency, if no objection is taken on that account. 10 *Pick.* 22. 4 *Met.* 438. 12 *Mass.* 307. 1*b.* 262. 16 *Mass.* 102. 9 *Met.* 587.

35. The inhabitants of unincorporated places, who are or shall be required to assess taxes upon themselves towards the support of government, or for defraying the charges of any county, shall be vested with the like powers and be under the same obligations, so far as relates to the relief and support of poor persons falling into want or distress, or who may be in need of immediate assistance within such places respectively, as towns may have or be subject to; and the like proceedings shall be had in such cases, by or against such places, as may be had by or against towns. *Stat.* 1837, c. 178, § 1.

The assessors of such unincorporated places shall be held to perform all the duties, and shall have all the powers of overseers of the poor of towns, for the purpose of carrying into effect the foregoing provisions. *Ib.* § 2.

36. If any person shall bring into and leave any poor and indigent person in any town of this state, wherein such pauper is not lawfully settled, knowing him to be poor and indigent, and with intent to charge such town with his support, he shall forfeit a sum not exceeding one hundred dollars for any such offence. *R. S. c.* 46, § 24.

37. The penalty stated in the 33d section of title *Support of Paupers*, for bringing into and leaving any poor and indigent person in any town of this State, wherein such pauper is not lawfully settled, knowing him to be poor and indigent, and with intent to charge such town with his support, shall be forfeited to the use of, and may be sued for and recovered by, the town intended to be so charged. *Stat.* 1849, c. 66.

38. If any master or other person, having charge of any vessel, shall therein bring into, and land, or suffer to be landed in, any place within this state, any person, before

that time convicted, in any other state or in any foreign country, of any infamous crime, or any for which he hath been sentenced for transportation, knowing of such conviction, or having reason to suspect it, or any person of a notoriously dissolute, infamous and abandoned life and character, knowing him to be such, he shall, for every such offence, forfeit a sum not exceeding five hundred dollars. *Id.* § 25.

39. In all actions and prosecutions founded on the provisions of the forty-sixth chapter of the revised statutes, included under this title "Support of Paupers," the overseers of the poor of any town, or any person, by writing under their hands appointed, shall and may appear, prosecute or defend the same to final judgment and execution, in behalf of such town. *Id.* § 26.

40. No male person over the age of twelve years, while of competent health to labor, shall be considered a state pauper, and entitled to support as such. *Id.* § 30.

41. By statute 1852, chapter 275, provision was made for the erection of three State almshouses which pursuant to said act have been erected, one at Monson in the county of Hampden, one at Bridgewater in the county of Plymouth, and one at Tewksbury in the county of Middlesex. Since the completion of these buildings, the several cities and towns in the Commonwealth have a right to send to one of said institutions, to be maintained at the public expense, all paupers not having a settlement within the Commonwealth who are receiving support from, or who may fall into distress in said cities or towns; that is to say, the cities and towns in the counties of Suffolk, Middlesex, or Essex may send such persons to the institution established as aforesaid in the county of Middlesex; the cities and towns in the counties of Norfolk, Bristol, Plymouth, Barnstable, Nantucket, or Dukes county, to the institution established as aforesaid in the county of Plymouth, and

the remaining cities and towns in the Commonwealth to the institution established in the county of Hampden. *Stat. 1852, c. 275, sec. 3.*

42. The counties which have heretofore sent State paupers to Monson shall hereafter be divided as follows, viz: The counties of Worcester, Norfolk and Hampden shall send all State paupers that are not in the following sections assigned to the State pauper school, to the State almshouse at Bridgewater, and the counties of Hampshire, Franklin and Berkshire shall send all State paupers not assigned to said State pauper school, to the State alms house at Tewksbury. *Stat. 1855, c. 412, sec. 3.*

43. The State almshouse situated in the town of Monson shall be, and is hereby, set apart for the purposes of a State pauper school; and all the children in the other State almshouses, and all who shall be hereafter entitled to be received into said institutions under the provisions of the preceding section, between five and sixteen years of age, shall be removed to, and received into, said State pauper school at Monson: *provided, however*, that the superintendents and inspectors of the respective State almshouses shall not so remove any children as above whom they judge to be *non compos mentis*, but they shall, at their discretion, recommend orphan children who may be under five years of age, and in cases of unusual privation of privileges they may recommend children upwards of sixteen years of age, to be received, to enjoy the advantages of said pauper school; they shall likewise at their discretion retain any children of the above-described ages a reasonable length of time, to give their parents or other relatives an opportunity to make provision for their maintenance and education; but they shall not be so detained for a longer period than two months, nor shall this provision apply to any one who is received the second time. *Stat. 1855, c. 412.*

44. The superintendent and officers of said institution shall be appointed as heretofore, special regard being had to their moral and intellectual fitness for the training and education of youth; they shall be entitled to the compensation, and possess all the powers, heretofore enjoyed by the officers of the State almshouses, and they shall be subject to all the duties heretofore imposed: *provided*, that such privileges, powers and duties do not conflict with any of the provisions of this act.

A limited number of able-bodied females may be selected from the adult inmates of the other institutions to do the work in said school: *provided, always*, that care shall be taken to select those who are morally and intellectually most suitable to be associated with children, and that, when it can be done consistently, the mothers of pupils shall be selected. § 2.

45. No city or town shall receive any payment or allowance from the Commonwealth for the expense of supporting any such pauper, incurred more than thirty days after the issuing of proclamation of the former arrangements. *Stat. 1852, c. 275, § 4.*

46. The governor, with the advice and consent of the council, shall appoint a superintendent of each of said institutions, whose salary shall be one thousand dollars per annum, and who shall receive no other compensation or perquisite for his services, excepting the right to reside with his family in the building under his care; and it shall be his duty to receive all paupers sent as aforesaid with a proper certificate from the mayor of the city, or one of the overseers of the poor of the town, from which they may be so sent, and to provide for them under such rules and regulations as shall be established in the manner hereinafter provided. *Stat. 1852, c. 275, § 5.*

47. If any inmate of either of said institutions, above the age of sixteen years, shall leave the same without the

consent of the inspectors thereof, and shall, within one year from the time of such leaving, be found within any city or town of the Commonwealth soliciting public or private charity, he shall, upon complaint and proof thereof before any Police Court or justice of the peace, be punished by confinement to hard labor in the house of correction for the county within which he shall be so found for a term not exceeding three months. *Stat.* 1852, c. 275, § 9.

48. Whenever either of the pauper establishments hereinbefore mentioned shall be full of inmates, the superintendant thereof shall report the fact to the inspectors of such establishment, who shall then, under the direction of the governor, distribute the paupers who cannot be received into the establishment under their charge, among the other State pauper establishments, in such manner as shall be most convenient. *Stat.* 1853, c. 352, § 3.

49. If in any city or town there shall be remaining any State paupers after the State institutions for their reception are full, such State paupers shall be placed in the district poorhouses, and such city or town shall receive payment for them from the treasury of the Commonwealth. *Stat.* 1853, c. 352, § 4.

50. The board of commissioners of alien passengers shall have authority to allow the city of Boston to send sick State paupers to Rainsford Island, so far as there may be accommodation thereat not inconsistent with the provisions of section eleven of an act entitled "An Act in relation to Paupers having no Settlement in this Commonwealth," passed in 1852. *Stat.* 1853, c. 352, § 5.

51. No city or town shall have a right to send to either of the State pauper establishments any lunatic, who, by reason of his insanity, would be dangerous to be at large. And if any inmate of such establishment shall become such a lunatic, the inspectors thereof may apply to two

justices of the peace, and of the quorum, for the county in which such institution is situated, who shall have the same power and authority in all respects, in regard to such application, and the commitment of such lunatic to either of the State lunatic hospitals, as judges of probate now have in regard to lunatics furiously mad; *provided, however*, that it shall not be necessary to give notice of such application to the officers of any town or city; and the expense of supporting such pauper in such hospital shall be charged to and paid by the Commonwealth. *Stat.* 1854, c. 437.

And it shall be the duty of such superintendent to give such notice from time to time, by letters sent through the mail, to such towns and cities as have made application for the admission of State paupers, as the means of receiving them shall arise; having regard, in so doing, to the priority of such applications. *Stat.* 1854, c. 437, § 2.

58. The account for such expenses shall be audited by the Inspectors of the State Almshouse to which such pauper would otherwise belong, and shall be allowed by them, reference being had to the expense of supporting such person at the State Almshouse, if there committed. *Stat.* 1855, c. 172, § 2.

The overseers of the poor of the several towns in this Commonwealth, and the directors of the house of industry in the city of Boston, shall, on or before the third Wednesday in November, of each year, make out and return to the secretary of this Commonwealth, a statement of the paupers in said town, having reference to the condition of the poor for the year ending on the first day of said month; which return shall contain true and correct answers to the following enquiries, viz: What number of persons have been relieved or supported as paupers during the year in your town? Of these how many have a legal settlement in your town, or elsewhere in this Commonwealth? How many State paupers does your town support? How many of these are foreigners? How many of the foreigners are from England and Ireland? Have you an almshouse? What number of acres of land is attached to your almshouse? What proportion of your paupers, in your opinion, have been made dependent by intemperance in themselves, or those who ought to have been their supporters? What number of your foreign paupers have come in to this Commonwealth within one year? What is the total net amount of expense of supporting or relieving paupers in your town for one year, including interest on your almshouse establishment? What amount does your town receive from treasury of this Commonwealth towards the support of State paupers? What number of persons relieved or supported as paupers during the year in your town, have become paupers by reason of insanity and idiocy? What is the number of children in your town or city, under fourteen years of age, who are supported at the public charge, and what is the name, age, and sex of each child so supported? Upon the death of any pauper, who, at the time of his decease, shall be actually chargeable to any town within this Commonwealth, the overseers of the poor of such town may take into their possession all the personal property belonging to such pauper. And if no administration shall be taken upon the estate of such pauper within thir-

ty days after his decease, the said overseers may sell so much of the said property as may be necessary to repay the expenses incurred for such pauper. And if any part of such property shall be withheld from the said overseers, they shall have the same remedy for the recovery of such property, or the value thereof, that an administrator of the estate of the said pauper might have in like case. *St.* 1837, c. 54.

62. Whenever the overseers of the house of correction in any county shall certify that any sum is due the keeper thereof for the support and employment of any person who has not sufficient estate to pay the same, and such person shall have no parent, master, or kindred, liable by law to maintain him, the same may be demanded and recovered of the town wherein he shall have his lawful settlement, and upon refusal or neglect to make payment, for the space of thirty days after the same shall have been demanded, in writing, of any overseer of the poor of the town liable by law therefor, the said master or keeper, at any time within two years after his account shall have been so certified, and not afterwards, may commence and maintain his action at law for the same, against the town so liable. *R. S. c.* 143, § 16.

63. When any convict, discharged from the state prison, or from any jail or house of correction, having no legal settlement in this Commonwealth known to the warden, keeper, or master thereof, shall be at the time of his discharge incompetent, by reason of age, infirmity, or disease, to support himself by labor, such warden, keeper, or master shall cause him to be removed to one of the State almshouses, provided for by the two hundred and seventy-fifth chapter of the acts passed in the year eighteen hundred and fifty-two; the expense of which removal shall be certified to the auditor of the Commonwealth, upon whose

approval thereof the same shall be paid out of the treasury. *Stat. 1853, c. 388.*

64. If, after such removal, it shall appear to the inspectors of the almshouse, to which such discharged convict is removed, that he has a legal settlement in this Commonwealth, the said inspectors shall cause him to be removed to the place of his legal settlement, the inhabitants of which place shall be liable to refund to the Commonwealth all the expenses incurred in behalf of such discharged convict, from the time of his discharge from the state prison, jail, or house of correction; to be recovered by a suit, to be instituted by the attorney general, in the name of the Commonwealth, in any court competent to try the same. *Stat. 1853, c. 388, § 2.*

the officers in such city or town as may have such duty to perform, they shall notify the superintendent of the almshouses where such person or persons are entitled by law to be received, and he shall, if he deems it expedient, request the attending physician of said almshouse to visit said person or persons, and if in his opinion said person or persons cannot be safely or properly removed, then the city or town providing for said pauper or paupers shall be entitled to a sum not exceeding three dollars per week for the board of said paupers, but if, in the opinion of said physician, said paupers may be safely and properly removed, he shall so direct, and they shall be removed to the said almshouse. *Stat. 1855, c. 445, § 2.*

68. The inspectors of the several State almshouses shall have the same powers respectively, in relation to the paupers who are now or may hereafter become inmates of the same, and their property, if they have any, or any property left by them in case of their decease, as are by law vested in towns and in the overseers of the poor in towns in reference to those paupers who are in any way supported or relieved by towns; and said inspectors in carrying into effect said powers, shall follow the same modes of proceeding as are prescribed for towns and overseers of the poor in towns in like cases, and may institute and prosecute suits and other legal proceedings when necessary for the above purpose, in the same manner as towns and overseers of the poor in towns are authorized to do in like cases. *Stat. 1855, c. 445, § 3.*

69. If any pauper having a legal settlement in any city or town in the Commonwealth shall become an inmate of either of the State almshouses, such city or town shall be liable to the Commonwealth for the expense incurred for such pauper at such almshouse, in like manner as one town is liable to another town in like cases, and the same

measures shall be adopted by the inspectors of the State almshouses respectively, in regard to notifying towns so liable, the removal of such pauper and the recovery from towns of expenses incurred for such pauper at the almshouse, as are prescribed for towns in like cases. *Stat.* 1855, c. 445, § 4.

1. The judges of probate in the several counties, except Suffolk, and in that county, the judge of the municipal court, may commit to the hospital any lunatic, who in their

opinion is so furiously mad, as to render it manifestly dangerous to the peace and safety of the community, that he should be at large. *R. S. c. 48, § 6.*

The judges of probate in the several counties of the Commonwealth shall have the same authority to commit lunatic Indians, resident within their respective counties, to the State Lunatic Hospital, as they now have in regard to other persons. *Stat. 1852, c. 44.*

At any time when the Municipal Court of the city of Boston is not in session, the Judge of Probate in the county of Suffolk may take jurisdiction of lunatics furiously mad, in either of the towns of Chelsea, North Chelsea, and Winthrop, in the county of Suffolk, and commit any such lunatic to the State Lunatic Hospital at Worcester, any thing in the sixth section of the forty-eighth chapter of the Revised Statutes to the contrary notwithstanding; *provided*, that no lunatic from either of said towns shall be committed to said hospital by said judge of probate, until after the selectmen of the town from which said lunatic is to be removed are notified, that they may be heard upon the subject. *St. 1853, c. 93.*

In case of the absence, sickness, or death of the judge of probate of any county in this Commonwealth, except the county of Suffolk, any justice of the supreme judicial court, or of the court of common pleas, may commit to the State Lunatic Hospital any lunatic furiously mad, in such county, in the same manner and upon the same proceedings as are now provided by law for the commitment of lunatics to said hospital by judges of probate. *Stat. 1839, c. 149, § 3.*

When any person, held in prison on a charge of having committed an indictable offence, shall not be indicted by the grand jury, by reason of insanity, or when any person having been indicted, shall be acquitted by the jury by

reason of insanity, if the discharge or going at large of such insane person shall be deemed manifestly dangerous to the peace and safety of the community, the court may order him to be committed to the state lunatic hospital. *R. S. c. 136, § 15. Ib. c. 137, § 12.*

3. Any person, who shall apply for the commitment of any lunatic, under the above provisions, shall first give notice, in writing, to any one or more of the selectmen of the town, or to the mayor of the city, where such lunatic resides, of his intention to make such application; and satisfactory evidence, that such notice has been given, shall be produced to the said judges, respectively, at the time of making such application. *R. S. c. 48, § 7.*

4. Any lunatic, who is supported as a town pauper, may, with the consent of the trustees, be committed to the hospital, by the overseers of the poor of the town, and shall be kept for a sum, which shall not in any case exceed the actual expenses of his support; and the trustees may also, in their discretion, receive into the hospital, for a less sum, any poor persons suffering under recent insanity, whether supported or not by any town or city. *Ib. § 8.*

5. The expenses of the hospital, for the support of all lunatics committed by any of the judicial officers mentioned above, or by virtue of a proclamation of the governor, or by a resolve of the legislature, or by two justices of the

peace and of the quorum, shall be paid by the town, in which said lunatics had their residence at the time of their commitment, unless in cases where other sufficient security, to the satisfaction of the trustees, shall have been taken for such support; and if any town or city shall neglect or refuse to pay whatever sum may be charged and due, according to the by-laws of the hospital, on account of the support of any such patient at the hospital, or for the removal of any patient, whom the trustees are authorized by law to remove, for the space of thirty days after the same shall have been demanded, by the treasurer, in writing, of the selectmen of the town, or of the mayor and aldermen of the city liable therefor, the same may be recovered, for the use of the hospital, in an action to be brought in the name of the treasurer, against such delinquent town, in which action the declaration may be in a general indebitatus assumpsit, and judgment shall be rendered for such a sum as shall be found due, with interest from the time of the demand thereof made as aforesaid. *R. S. c. 48, § 10.*

Whenever any lunatic or insane person shall be committed to the State Lunatic Hospital, from any town wherein he has not a legal settlement and such town shall pay

8. If at any time after the discharge of an incurable lunatic, as above provided, it shall be made to appear, on complaint by any person under oath, to the judge of probate for the county in which such lunatic has his legal settlement, or shall be placed, that he is not comfortably supported, or that the public safety is endangered by him, it shall be the duty of said judge to order his recommitment to said hospital. *Id.* § 2.

9. The Trustees of the Hospital may remove any idiot or other patient to the town, where the judge or court committing him shall certify that he resided, whenever, in the opinion of the trustees, he shall cease to be dangerous, within the intent of the law, and shall not be susceptible of mental improvement, by remedial treatment at the hospital; provided, that such town, after reasonable notice,

12. If, at any time, the lunatics in the hospital shall be so numerous that they cannot all be suitably accommodated therein, and in the opinion of the trustees, it shall be proper that some of them should be removed therefrom, the trustees may remove, to the jail or houses of correction in the respective counties, from which such lunatics were sent, so many of them as may be necessary, in order to afford suitable accommodation for the remainder of them. *Id. § 15.*

13. Any lunatic, or insane person, confined in any jail or house of correction by authority of a certificate of the trustees of the State Lunatic Hospital, according to the provisions of the fifteenth section of the forty-eighth chap-

15. For reimbursing any expenses, incurred by the city of Boston, the town of Nantucket, or by any county, for the support of any lunatic, removed as is provided in the preceding section, the said city, town, and county, respectively, if such lunatic had any legal settlement in this State, shall have the like remedy against the town or city, where his settlement is, as towns have against each other, to recover the expenses of supporting paupers, and subject to the like conditions and limitations. *Ib. § 16.*

16. Persons who are idiots or lunatics, or insane, but not furiously mad, may be confined in an apartment provided for that purpose in the house of correction in each county. 17. Where an insane person who is not able to pay for his own support, is confined in a house of correction, under *St. 1836, c. 223*, the town in which he has a settlement is liable for his support in such house, if he have no parent, master, or kindred, liable by law to maintain him. *Ib. 5 Met. 54.*

Where in attempting to define a school district, the town directed that certain persons named should compose the district (the probable intention of the town that the lands occupied by those persons should form the district not being expressed in the town records) it was held that the limitation of the district was merely personal and therefore invalid. 7 *Pick.* 106. 12 *Pick.* 206. 7 *Met.* 219.

13. The districts must be so constituted, as to include all the inhabitants of the town: so that where a town after defining an east and west district, proceeded to direct that certain individuals by name should have liberty to send their children to schools in adjoining towns, the districting was held to be invalid. 12 *Pick.* 206.

14. The power conferred by law on towns to determine and define the limits of school districts, can only be exe-

ented by a geographical or territorial division. 4 *Cush.* 250.

Where there is no record of the establishment of school districts in a town, parol evidence is admissible to show that the inhabitants of such town living within certain specified limits, have been known and recognized and have acted in all respects as a school district for many years, and from such evidence a jury may infer that such district had a legal origin, and was legally established provided the whole town was in like manner laid out into districts by territorial or geographical divisions. 4 *Cush.* 487.

17. Every town, which is or may be divided into school districts, shall, at their annual meeting, in addition to the school committee for the town, choose one person, resident in each school district, to be a committee for that district, and to be called the prudential committee; who shall keep the school house of such district in good order, at the expense of the district; and, in case there be no school house, provide a suitable place for the school of the district, at the expense thereof; provide fuel, and all things necessary for the comfort of the scholars therein; select and contract with a school master for the district; and give such information and assistance to the school committee of the town, as may be necessary to aid them in the discharge of the duties required of them. *R. 19. Whenever a town shall determine that teachers shall be selected and contracted with by the prudential committees of the several districts, such town or district may elect three persons as a prudential committee, who shall perform all the duties provided for in the above section. *Stat.* 1839, c. 137.

committee to prosecute for trespasses, that have been, or in future may be committed by breaking into the school houses of the district, and the committee employed an attorney to commence several actions of trespass which he commenced and prosecuted accordingly, and he afterward, sued the district for his fees and disbursement in those actions, and it was held that the district was bound by the acts of the committee, and that the attorney was entitled to recover although the said vote of the district was not in pursuance of any article in the warrant for the meeting at which it was passed. 12 *Met.* 99.

27. The inhabitants of each school district, qualified to vote in town affairs, shall choose a clerk, who shall be sworn to the faithful discharge of the duties of his office, by the moderator, in open meeting, or by any justice of the peace, and who shall make a fair record of all votes, passed at any meeting of the district, and certify the same when required, and who shall hold his office until another shall be chosen and sworn in his stead. *Ib.* § 27.

28. A clerk of a school district who is once duly sworn into office and is afterwards chosen clerk but is not again sworn, is qualified to act as clerk by virtue of the Rev. Stat. c. 23, § 27, which provide that he shall hold his office until another shall be chosen and sworn in his stead. 12 *Met.* 105.

29. A clerk of a school district after he is out of office, and another is chosen and sworn in his stead, cannot amend the district records. 12 *Met.* 105.

30. A school district can act only in its corporate capacity, and can bind itself only by acts authorized by legal votes passed at a district meeting regularly called. 12 *Met.* 105.

31. A meeting of a school district, which the clerk of the district had no authority to call and warn, was called and warned by him at the request of A. a member of the dis-

trict who attended the meeting and made a written offer to lease to the district on certain terms a parcel of his land for the site of a school house, and the district voted to accept the offer. A. afterward refused to execute the lease, and the district brought a bill in equity against him, to enforce specific performance of his agreement. Held that A. was not estopped to deny the legality of the meeting, that the district by reason of the illegality of the meeting was not bound by its vote, that the agreement for the want of mutuality did not bind A. and that the bill could not be maintained. 12 *Met.* 105.

32. Where the clerk of a school district removed into an adjoining district, but within the same town, and another was chosen in his stead but not sworn, it was held that the first continued competent to act as clerk. 21 *Pick.* 75.

33. The said inhabitants may, at any meeting called for that purpose, raise money for erecting or repairing school houses in their respective districts; for purchasing or hiring any buildings to be used as school houses, and land for the use and accommodation thereof; for purchasing fuel, furniture, and other necessary articles for the use of schools; they may also determine, in what part of their respective districts such school houses shall stand, and may choose any committee to carry into effect the provisions aforesaid; and they may also, by the prudential committee of the district, select, contract with, and employ, an instructor for each school in the district. *Id.* *R. S. c.* 23, § 28.

34. When a school district accepted the proposals of a builder, to erect a school house for a certain sum, with liberty to build a public hall over the same, as the builder's property, he allowing the district to have the use of the hall free of charge for meetings of the district, and for examination of the schools &c., and the house was so built; it was held that the district had not exceeded its

authority, and that a tax was legally assessed to pay for the house. 6 *Met.* 498.

35. Where a school district appointed three persons a committee to build a school house two of whom, the third refusing to act, built a house, where all the schools of the district were afterwards kept and all meetings of the inhabitants of the district held, and on which the notices of such meetings by a vote of the district were posted, it was held that on these facts a jury were warranted in finding such a ratification and acceptance, by the district, of the doings of the two acting members of the committee as would render the district liable to pay them for the house. 4 *Cush.* 494.

36. The inhabitants of any school district, in any city or town, and of any city or town not divided into school districts in this Commonwealth, may, at any meeting called for that purpose, raise money for the purchase of libraries, and necessary school apparatus, in the same manner as school districts may now raise money for erecting and repairing school houses in their respective districts. *Stat.* 1849, c. 81.

37. The clerk of a school district shall be answerable only for want of integrity on his own part; and, if he shall certify truly, to the assessors of the town, the votes of the district, for raising by a tax any sum of money, the district shall be liable, in case of any illegality in the proceedings, which may have been had, in relation to raising such money. *R. S. c.* 23, § 29.

38. If at any meeting of the legal voters of any school district they cannot determine by a vote of two thirds of the voters present and voting thereon where to place their school house, the selectmen of the town, to which the district belongs, upon application made to them, by the committee appointed to build or procure the school house, or by five or more of the legal voters of the district, shall determine

where such school house shall be placed. *Ib.* § 30 *Stat.* 1852. c. 119.

39. In all cases, where a prudential committee shall not be chosen for any school district, the school committee of the town shall perform all the duties of the prudential committee thereof. *Ib.* § 31.

40. The inhabitants of every town may, if they shall think it expedient, carry into effect the provisions of the twenty eighth section, at the common expense of the town, so far as relates to providing school houses for the several school districts of the town; and the town in such case may, at any legal meeting, raise money and adopt all other proper measures for this purpose. *Ib.* § 32.

41. In raising and assessing money in the several school districts, every inhabitant of the district shall be taxed, in the district in which he lives, for all his personal estate, and for all the real estate which he holds in the town, being under his own actual improvement; and all other of his real estate, in the same town, shall be taxed in the district in which it lies. *Ib.* § 33.

42. An inhabitant of a school district who removes therefrom before the district votes to raise money for the purpose of erecting or repairing a school house, is not liable to be taxed for that purpose, although he was a member of the district on the first day of May next before the vote was passed. 12 *Met.* 178.

43. In the assessment of all taxes, pursuant to the forty-first section, all real estate and machinery, belonging to any manufacturing establishment whether incorporated or not, shall be taxed in the school districts where the same are situated; and in assessing the shares in such corporation, for the like purposes, the value of said machinery and real estate shall be first deducted from the value of such shares. *Ib.* § 34. *Stat.* 1850, c. 301.

44. Whenever the real estate of a non-resident owner

shall be taxed to such owner, it may be taxed in such district as the assessors of the town shall determine; and the said assessors, before they assess a tax for any district shall determine in which district the lands of any such non-resident shall be taxed, and certify in writing their determination to the clerk of the town, who shall record the same; and such land, while owned by any person, resident without the limits of the town, shall be taxed in such district accordingly, until the town shall be districted anew. *Ib.* § 35. 6 *Met.* 512, 546.

45. Where the assessors neglected to comply with the above provisions it was held that the assessment was invalid, and that an inhabitant of the district might avail himself of such defect. 14 *Pick.* 362.

46. All the lands, within any town, owned by the same person, not living therein, shall be taxed in the same district. *R. S. c.* 23, § 36.

47. The assessors of the town shall assess, in the same manner as town taxes are assessed, on the polls and estates of the inhabitants of each school district, and on all lands liable to be taxed therein, as aforesaid, all moneys voted to be raised by the inhabitants of such districts, for the purposes aforesaid; and such assessment shall be made within thirty days after the clerk of the district shall certify to said assessors the sum voted by the district to be raised. *Ib.* § 37.

48. In the construction of the statute of 1799, ch. 66, sect. 2, the provision of which on this subject is the same as the above, the court held as follows:—

Moneys voted to be raised by a school district may be assessed by assessors chosen after such vote. 3 *Mass.* 23.

49. It is not necessary that such vote be certified by the district clerk, to the assessors in office at the time the vote passed; but it may be certified to the assessors which shall be chosen afterwards. *Ib.*

50. Nor is it necessary that the assessors make the assessment within thirty days from the date of the certificate of the district clerk ; for, although they are directed so to do by the statute, yet as there are no negative words restraining them from making the assessment afterwards, the naming of the time for the assessment must be considered as directory to the assessors, and not as a limitation of their authority. *1b. 21 Pick. 75.*

51. If the assessors make an illegal assessment, and issue their warrant to collect the money, they may revoke their doings, and make a new assessment and issue a new warrant, without a second certificate from the district clerk ; or if their office should expire before making such new assessment, or if they should neglect or have no time to make *any* assessment, the district clerk may make a *second* certificate to their successors, who may make the assessment. *3 Mass. 230.*

52. A school district, after having voted to raise money for building or repairing a school house, may at a legal meeting at any time before the assessment, rescind their vote ; and then the assessors, after regular notice, will have no authority to make the assessment. *1b.*

53. A school district voted to build a school house and appointed a committee to contract with an individual to build it. Subsequently the district voted to rescind its votes, notified the contractor of the fact and forbid him to proceed to execute the contract, the contractor notified the committee that he should abandon the contract unless they became personally responsible to him. After they had bound themselves individually to pay for the house, the contractor built it according to the contract and the committee paid him out of their own funds. In an action by the committee against the district for the money so paid it was held that the plaintiffs were not entitled to recover, although the prudential committee of the district had

caused the house so built to be occupied for the purposes of a school for the district. 2 *Cush.* 419.

54. If a school-district vote that the money, raised by them for the purpose of building or repairing a school house, shall be paid within a certain time, the assessors may, notwithstanding such vote, make the assessment after the expiration of the time of payment expressed in the vote; for the power of fixing the time of payment is not given to the district, but to the assessors, who are to limit it in their warrant. 3 *Mass.* 230.

55. It is not necessary to notify the inhabitants to bring in lists of their polls and estates, nor for the assessors to make a new valuation, but the taxes may be made in reference to the town taxes for the same year. 5 *Pick.* 323.

56. The town officers are bound by the certificate of the district clerk, that the money was duly voted; and they are not to inquire into the regularity of the proceedings of the district. 14 *Mass.* 315. 5 *Pick.* 323.

57. If after a tax has been assessed, part of the district should be set off to another district, the inhabitants of that part will still be held liable to pay the tax, the debt being fixed by the assessment. 5 *Pick.* 323.

58. A tax assessed upon the inhabitants of a school district is not rendered void by the omission of the assessors, through misinformation, mistake of fact, or error of judgment, to assign the real estate of one or more non-resident owners to any school district. 6 *Met.* 498.

59. All property belonging to common school districts, the income of which is appropriated to the purposes of education, is exempted from taxation. *St.* 1843, c. 85.

60. The said assessors shall make a warrant, substantially in the form heretofore used, except that a seal shall not be required thereto, directed to one of the collectors of the town, to which such district belongs, requiring him to collect the tax so assessed, and to pay the same to the

treasurer of the town, within a time to be limited in the warrant; and a certificate of the assessment shall be made by the assessors, and delivered to the said treasurer. *R. S. c. 23, § 38.*

61. The money so collected and paid shall be at the disposal of the committee appointed by the district, to be by them applied to the building or repairing of school houses, or to the purchase of buildings, to be used as school houses, or to the purchase of land, for the sites of school houses, as before provided, and according to the votes or directions of the inhabitants of the district. *Ib. § 39.*

62. Under a vote to raise the sum of \$250 assessors have no authority to assess a tax of \$285,01. *3 Cush. 567.*

63. The inhabitants of a school district, having voted to raise a sum of money for building a school house, and the same having been subsequently assessed upon the inhabitants and collected and paid by the collector into the town treasury, was paid over by the treasurer of the town to a building committee appointed by the district. The assessment thus made being illegal and void, it was held that an inhabitant of the district, who had paid the tax so assessed against him to the collector, might recover the amount in an action for money had and received against the school district. *3 Cush. 567.*

64. It is no ground for retaining a tax illegally assessed by a school district against an inhabitant who has paid the same, that the sum so received of him was only his due proportion of the amount necessary to discharge the debts of the district, and for payment of which the district might have legally raised a sufficient sum. *3 Cush. 567.*

65. Every collector, in collecting such tax, shall have the same powers, and proceed in the same manner, as is by law provided in collecting town taxes. *Ib. § 40.*

66. The treasurer of any town, to whom a certificate of

the assessment of a district tax shall be transmitted as aforesaid, shall have the like authority, to enforce the collection and payment of the money, so assessed and certified, as in the case of moneys raised by the town, for the use of the town. *Ib.* § 41.

67. The assessors, treasurer and collector shall have the same compensation, respectively, for assessing, collecting and paying out all moneys, assessed for the use of a school district, as is allowed by the town, for the like services in respect to town taxes. *Ib.* § 42.

68. The assessors of the several towns shall have the same power to abate the tax, or any part thereof, assessed on any inhabitant of a school district, as they have to abate any town taxes. *Ib.* § 43.

69. Whenever a meeting of the inhabitants of any school district shall be called, for the purpose of raising money, and a majority of the voters present shall be opposed to the raising of the money, any five inhabitants of such school district, who pay taxes, may make application in writing to the selectmen of the town, in which the school district is situated, requesting them to insert, in their warrant for the next town meeting, an article, requiring the opinion of the town, relative to the expediency of raising such moneys as were proposed in the warrant for said district meeting; and if the majority of the voters, present in such town meeting, shall think the raising of any of the sums of money, proposed in said warrant, to be necessary and expedient, they may vote such sum as they shall think necessary for the said purposes, and the same shall be assessed on the polls and estates of the inhabitants of such district, and be collected and paid over in the manner before provided. *Ib.* § 44.

They may also empower the selectmen of the town, or the school committee, or may choose any committee, to carry into effect the vote, if the inhabitants of the school

district shall neglect or refuse to choose such committee. *Stat.* 1848, c. 274.

70. If any school district shall neglect or refuse to establish a school and employ a teacher for the same, the school committee of the town may establish such school and employ a teacher therefor, as the prudential committee might have done. *R. S. c.* 23, § 45.

The selectmen of the several towns, divided into school districts as aforesaid, and the prudential committee of every such district, upon application made to them, respectively, in writing, by three or more residents in any district, who pay taxes, shall issue their warrant, directed to one of the persons making such application, requiring him to warn the inhabitants of such district, qualified to vote in town affairs, to meet at such time and place in the same district, as shall be expressed in the warrant. *Ib.* § 46.

72. The warning aforesaid shall be given seven days at least before the time appointed for the meeting, and shall be either by personal notice to every inhabitant of the district, qualified to vote in town affairs, or by leaving, at his last and usual place of abode, a written notification, expressing therein the time, place, and purpose of the meeting, unless the district shall prescribe another mode of warning their meetings. *Ib.* § 47.

73. Every school district may, at any regular meeting, having an article in the warrant for that purpose, prescribe the mode of warning all future meetings of the district; and they may also direct by whom and in what manner such meetings shall be called. *Ib.* § 48.

74. Notwithstanding any school district may have, at any regular meeting having an article in the warrant for that purpose, prescribed the mode of warning all future meetings of the district, and directed by whom, or in what manner such meetings shall be called, or made either of

The clerk signed and issued a warrant not under seal for an annual district meeting on the Saturday evening designated in said vote or by-law by order of the prudential committee (which order was oral) and made thereon the following return. In pursuance of the above warrant I have warned the legal voters of the district (naming it) as prescribed by the by-laws to attend and act upon the business therein named J. A. G. district clerk. Held that the warrant for the meeting and the warning of the meeting were valid. 12 *Met.* 99.

76. The records of a school district showed that the district voted to authorize their clerk to call and warn their annual meetings. Held that the clerk was not thereby authorized to call and warn any other than the annual meetings, and that other meetings must be called by the selectmen or prudential committee according to the provisions of the Rev. Stat. c. 23, § 46. Held also that parol evidence was inadmissible to prove that the real vote of the district was to authorize the clerk to call and warn all district meetings. 12 *Met.* 105.

77. If the inhabitants of a school district, in pursuance

of the authority conferred upon them by the Rev. Stat. c. 23, § 48, prescribe the mode of warning future meetings, the mode so prescribed must be pursued so long as the vote therefor remains unrescinded, and meetings cannot afterwards be called in the manner specified in §§ 46 and 47 even though the officers of the district refuse or neglect to pursue the mode prescribed. 2 *Cush.* 419.

78. The clerk of a school district under a vote that future meetings be notified by posting up notices thereof at certain specified places, and "that the clerk warn all future meetings in said district," has no authority to call a meeting, but only to notify and warn a meeting called by competent authority. 8 *Cush.* 592.

It is no objection to the exercise of the authority by a town, that the road to be laid out will be as much used by the inhabitants of other places, or by strangers who may have occasion to pass on it, as by those for whose use it was declared to be established; for the real utility of a road to any town may consist less in the actual passing and repassing through it, by the inhabitants of the town, than

The authority conferred upon selectmen by section first, is limited to roads having their termini within the town, but it is no objection that the road is intended as one link in a chain of continuous roads ; that it is for the convenience of the inhabitants only from its connection with some great thoroughfare ; and that when established, it will be for the use of the public generally, as well as of the inhabitants of the town in which it is situated. 7 *Cush.* 394.

3. No such town way or private way shall be laid out or altered unless, seven days at least previously thereto, a written notice of the intention of the selectmen of the town to lay out or alter the same, shall be left by them, or by their order, at the usual place of abode of the owners of the land, over which such way is proposed to be laid out or altered, or unless such notice be delivered to such owner in person, or to his tenant or authorized agent ; provided, that if the owner shall have no such place of abode in the town, and no tenant or authorized agent therein known to the selectmen, or if, being a resident in the town, he shall not be known as such to the selectmen, then such notice shall be posted up in some public place in the town, seven days at least before laying out such way. *R: S. c.* 24, § 67.

4. When any town or private way shall be laid out, altered, or widened by selectmen or county commissioners, they shall, in their report or return thereof, allow the owner of the land through which said way may pass, a reasonable time to take off his trees, fences, and other property, which may obstruct the building of such way. *Stat. of* 1848, c. 98, § 1.

5. If said owner shall not remove the same within the time allowed for that purpose, he shall be deemed to have

relinquished his right thereto, for the benefit of the town, if said way be a town way; and if said way be a private way, for the benefit of such person or persons as said selectmen or county commissioners shall determine. *Ib.* § 2.

6. If a jury shall be ordered to assess the damages done by the location, alteration or widening of such way, they may extend the time for the owner of the land to remove his trees, fences, and other property, as aforesaid; and if the owner shall neglect to remove the same within such extended time, he shall be deemed to have relinquished his claim thereto, as before provided. *Ib.* § 3.

7. If any damage shall be sustained by any persons in their property, by the laying out, altering or discontinuing of any town way or private way, they shall receive such compensation as the selectmen shall determine; which shall be paid by the town, if it is a town way, but if a private way, then by the persons for whose use it shall be so laid out, altered or discontinued; unless the selectmen shall deem it reasonable in such case, that any part of it shall be paid by the town and the residue by the said persons; and in case any person shall be aggrieved by such determination of the selectmen, he may, upon application to the commissioners, have his damages ascertained by a jury, or, if he shall so elect, by a committee, to be appointed by the said commissioners, in like manner as is provided in respect to the recovery of damages for laying out highways. *Ib.* § 68. *See R. S. c. 24.*

8. No claim for damages sustained by any persons in their property, by any such laying out or alterations, shall be made, until the land over which such ways are located shall have been entered upon, and possession taken, for the purpose of constructing said ways or alterations: *provided* that when any person, claiming damages, shall have been put to any expense for injuries sustained by such proceed-

ings the selectmen aforesaid shall allow him full indemnity therefor, although his land may not have been so entered upon and possession taken as aforesaid; *and provided, further*, that any party aggrieved by the estimate of said last named damages may have a jury to revise such estimate, in the same way and manner as is now provided in case of town ways and private ways. *Stat.* 1842, c. 86, § 1. *Stat.* 1847, c. 259, § 4.

9. No town way, or private way, which may have been laid out or altered by the selectmen, shall be established, until such laying out, or alteration, with the boundaries and admeasurements of the said way, shall have been reported to the town, and accepted and allowed, at some public meeting of the inhabitants, regularly warned and notified therefor, nor unless such laying out, or alteration, with the boundaries and admeasurements aforesaid, shall have been filed in the office of the town clerk, seven days at least before such meeting. *R. S. c. 24, § 69.*

10. A vote of a town that the selectmen shall lay out a particular town way, is unauthorized and improper; it being the intention of the law that the selectmen should exercise their own discretion on the subject. *5 Pick.* 392.

11. No highway or town way shall be laid out or constructed in, upon, or through, any enclosure used or appropriated for the burial of the dead, unless authority to that effect shall be specially granted by law, or the consent of the inhabitants of the town, where such enclosure is situated, shall be first obtained, under the penalty in this behalf provided in the one hundred and thirtieth chapter of the Revised Statutes. *R. S. c. 24, § 59.*

12. No highway or town way shall be laid out or constructed in, upon, or through, such part of any enclosure, belonging to private proprietors, as may be used or appropriated to the burial of the dead, unless the consent of such proprietors shall be first obtained therefor. *Ib.* § 60.

13. The selectmen of the several towns and the mayor and aldermen of the several cities of this Commonwealth, shall cause permanent stone bounds, not less than three feet long,—two feet of which, at least, shall be inserted in the earth,—to be erected at the termini and angles of all roads hereafter laid out by them, when practicable; and when not practicable, a heap of stones, a living tree, a permanent rock, or the corner of an edifice, may be a substitute for said stones. *St.* 1848, *c.* 192.

The provisions of the preceding section, are merely directory, and not necessary to be complied with in order to a valid location; they more properly relate to acts to be done after the way is located; and compliance therewith need not be stated on the record of the laying out of the road. 7 *Cush.* 395.

14. Whenever the county commissioners of the several counties, the selectmen of the several towns, and the mayor and aldermen of the several cities of the Commonwealth, shall neglect to comply with the provisions of the one hundred and ninety-second chapter of the acts of the year one thousand eight hundred and forty-eight, for the space of one month after being notified so to do by the owner of any land through which roads have been laid out since the passage of the act aforesaid, or shall hereafter be laid out, the town, if said road be a town road, the county, if the road be a county road, and the city, if the road be a city road, shall be liable to pay said land owner the sum of fifty dollars for each and every month that said neglect shall continue, to be recovered by said land owner, of said town, county or city, as the case may be, in an action of tort. *St.* 1855, *c.* 95.

15. Any town, at any meeting regularly called for that purpose, may discontinue any town way or private way *Ib.* § 70.

16. If the selectmen of any town shall unreasonably

refuse or neglect to lay out, or alter any such town way or private way, when requested in writing by one or more of the inhabitants thereof, the commissioners, at any meeting within one year, on the application of any person aggrieved, by petition in writing, may cause the said town way or private way to be laid out or altered; and they shall ascertain the place and course of the way, and estimate the damages sustained by any person, by reason thereof, and the same, with all costs of the proceedings, shall be paid by the town, if it be a town way; and if it be a private way, the damages and costs, or such part thereof, as the commissioners shall judge reasonable, shall be paid by the persons for whose use it is laid out or altered, and the residue, if any, shall be paid by the town. *R. S. c. 24, § 71.*

17. The omission of selectmen, to make a written report to the town of their alteration of a town way, on a written petition for an alteration, is such a refusal or neglect to alter as gives jurisdiction of the matter to the commissioners. 9 *Met.* 423.

18. When selectmen refuse to lay out a way, and application is thereupon made to the county commissioners to lay it out, they have jurisdiction of such application and may proceed thereon, although the selectmen in the petition to them were requested to discontinue an old way (which they had no authority to do) as well as lay out a new one. 12 *Met.* 208.

19. When a town way has been regularly laid out by the selectmen, and approved by the town, it must be considered as established; and the surveyors or selectmen, acting as such, cannot be trespassers in making such road passable, although the year, during which an application may be made to the commissioners, had not elapsed. 6 *Mass.* 7.

20. If any town shall unreasonably refuse or delay to

approve and allow any town way, or private way, laid out or altered by the selectmen thereof, and to put the same on record, any person aggrieved by such refusal or delay, may within one year thereafter apply by petition in writing to the commissioners; and the said commissioners may, unless sufficient cause shall be shown against such application, approve and allow of the way, as laid out or altered by the selectmen, and direct the said laying out or alteration and acceptance to be recorded by the clerk of such town, which shall have the like effect, as if accepted by the town and recorded. *R. S. c. 24, § 72.*

21. The commissioners may also, upon the application in writing of any person, aggrieved by the refusal of any town to discontinue a town way, or private way, and after due notice, and hearing all parties interested, order such way to be discontinued. *Id. § 73.*

22. When any town way shall have been laid out or altered by the commissioners, it shall not, within two years thereafter, be discontinued or altered by the town; and when any such way shall have been discontinued by the commissioners, the town shall not, within two years thereafter, lay out the same again. *Id. § 74.*

23. No town shall, in any case, be permitted to contest the legality of any way, laid out by such town, and accepted and recorded as above provided. *Id. § 77.*

24. Every town may at any legal meeting regularly notified for that purpose, vote to raise any sum of money, to be laid out for the making of highways and town ways, within such towns, as they may deem necessary; and may, if they see fit, direct the same to be assessed in money on the polls and estates, real and personal, of the inhabitants, residents and non-residents, of their town, and to be collected as other town charges are by law assessed and collected. *Id. § 78.*

25. A town has no authority to raise money to aid in

the construction of a road, which is by law to be made at the expense of the county. 11 *Pick.* 396.

26. When the location or alteration of a private way is desired in any town for the use of one or more persons not being inhabitants thereof, or when the location or alteration of any private way is desired, lying partly in one town and partly in another, the county commissioners of the county or counties, where the way is prayed for, may cause such way to be located or altered, proceeding therein, as is provided by law, in case where the selectmen of any town refuse to lay out any private way. *Stat.* 1837, c. 164.

27. No way heretofore opened and dedicated to the public use and not already become a public way, and no way hereafter opened and dedicated to the public use shall become chargeable upon any city or town, unless such ways shall be laid out and established by such city or town, in the manner prescribed by the statutes of this Commonwealth. *Stat.* 1846, c. 203, § 1.

28. It shall be the duty of the mayor and aldermen of each city, and of the selectmen of each town in this Commonwealth, and they are hereby authorized and required, whenever, and so long as the public safety may demand it, to direct and cause the entrances of all the ways aforesaid, entering on and uniting with any existing public way, to be closed up, or, by other sufficient means, to caution the public against entering upon such ways. *Ib.* § 2.

29. In case any city or town shall not close up the entrances to the ways aforesaid, or give other sufficient notice that the same are dangerous, such city or town so neglecting, shall be liable for any damages arising from any defects therein, in the same manner as if such ways were duly laid out and established. *Ib.* § 3.

30. When any street or way, which now is or hereafter shall be opened, in any city or town shall accept this act

as hereinafter provided, over any private land, by the owners thereof, and dedicated to or permitted to be used by the public before such street or way shall have been accepted and laid out according to law, it shall be the duty of the owners of the lots abutting thereon to grade such street or way at their own expense, in such manner as the safety and convenience of the public shall, in the opinion of the mayor and aldermen of any city or selectmen of any town, require; and if the owners of such abutting lots shall, after reasonable notice given by the said mayor and aldermen or selectmen, neglect or refuse to grade such street or way in manner aforesaid, or to close the same from public use, it shall be lawful for the said mayor and aldermen or selectmen to cause the same to be graded as aforesaid, and the expense thereof shall, after due notice to the parties interested, be equitably assessed upon the owners of such abutting lots by the said mayor and aldermen or selectmen, in such proportions as they shall judge reasonable; and all assessments so made shall be a lien upon such abutting lands, in the same manner as taxes are now a lien upon real estate; *provided always*, that nothing contained in this act shall be construed to affect any agreements heretofore made, respecting any such streets or ways as aforesaid, between such owners and any city or town; *provided, also*, that any such grading of any street or way by the mayor and aldermen or selectmen, as aforesaid, shall not be construed to be an acceptance of such street or way by any such city or town, and that the said grading of such street or way by any such owners, or on such notice or procurement of such mayor and aldermen or selectmen, shall not be construed to be a dedication to the public use of any such street or way, or any part thereof, by the owner or owners of the same. *Stat.* 1853, c. 315, § 1.

31. The mayor and aldermen of any city, or the select-

men of any town, by which this act shall be accepted, are hereby authorized to fix and establish the grade of any street or way mentioned in the first section of this act, before the same is actually graded as therein provided, or of any other street or way not legally accepted, and to cause a plan of such grade to be deposited in the office of the clerk of such city or town; and all those who improve the lots abutting on any such street or way, after the grade of it shall have been so established and recorded, shall in their improvements, either by building or otherwise, conform to said grade, and shall be entitled to no damages for the making of such street or way according to said grade, provided such street or way be actually made within two years after the grade thereof is established and recorded. The establishing and recording of the grade of any street or way as aforesaid shall not be considered an acceptance of such street or way by any city or town. *Stat. 1853, c. 315, § 2.*

32. No street or way mentioned in the first and second sections of this act shall be dug up, or in any way obstructed in any part thereof, without the consent of the mayor and aldermen of the city, or the selectmen of the town, in which such street or way is situated. *Stat. 1853, c. 315, § 3.*

33. This act shall not take effect in any city or town until it shall have been accepted by the city council of such city, or by the inhabitants of such town, at a legal meeting. *Stat. 1853, c. 315, § 4.*

34. It shall be lawful for any person owning or occupying lands adjoining a highway or road, to construct a sidewalk within such highway or road, and along the line of such land, indicating the width of such sidewalk by trees, posts or curbstones, set at reasonable distances apart, or by a railing erected thereto; and where a sidewalk shall be so constructed, every person who shall ride, or drive a

horse or team upon and along the same, shall forfeit the sum of one dollar to the use of such owner or occupant, to be sued for in any court proper to try the same. *Stat.* 1849, c. 24, § 1.

35. This act shall not diminish or interfere with the authority of surveyors of highways, or any other authority that can be now legally exercised over highway or roads; nor shall it in any manner diminish the liability of any person for unreasonably obstructing highways or roads. *Ib.* *Stat.* 1849, c. 24, § 2.

36. This act shall not apply to cities. *Stat.* 1849, c. 24, § 3.

37. The mayor and aldermen of any city or the selectmen of any town, by which this act shall be accepted, are hereby authorized to establish and grade sidewalks, in such city or town, in such streets as in their judgment the public convenience and necessity may require, and they shall have power to assess the abutters on said sidewalks, one-half the expense of the same, the residue to be paid by such city or town; and all assessments so made shall be a lien upon said abutting lands in the same manner as taxes are now a lien upon real estate. *Stat.* 1855, c. 43, § 1.

38. No sidewalks constructed or graded in any city or town, shall be dug up, or in any way obstructed in any part thereof, without the consent of the mayor and aldermen of the city, or of the selectmen of the town in which such sidewalk is established. *Stat.* 1855, c. 43, § 2.

39. This act shall not take effect in any city or town until it shall have been accepted by the city council of such city, or by the inhabitants of such town at a legal meeting. *Stat.* 1855, c. 43, § 3.

40. Sidewalks when a part of the public streets are to be kept in a safe and convenient state of repair for public use, and a sidewalk should be so constructed and fitted

for use through its entire width as to be safe and convenient. 3 *Cush.* 174.

41. The liability of a city or town, for an injury occasioned by a defect in a street or way is not varied or discharged, if the defect is occasioned by the exercise of the right of an adjoining owner of land to use the street or way for some private purpose, not inconsistent with the right of the public. 3 *Cush.* 174.

Every town may also empower their surveyors to collect all such taxes, as shall not be paid in labor or otherwise, within the time limited by law, or at such periods as may be agreed upon by the town; and for that purpose, the assessors shall deliver to them warrants of distress, which shall be in substance like the warrants prescribed by law for collecting other town taxes; or they may deliver a warrant for collecting the deficiency in any highway tax to the collector, who shall then proceed to collect the same, in like manner as other taxes are by law to be collected, and shall pay over the same to the respective surveyors, who shall be held to account with the selectmen for the expenditure thereof. *Id.* § 16.

47. Every surveyor, who shall receive his tax bill, shall exhibit the same to the selectmen, on the first Monday of July annually, and also at the expiration of the term for which he shall be appointed; and at those times, respectively, shall render an account of all moneys that have been expended by him on the highways and town ways; and if he shall, in any such case, be guilty of any neglect, he shall for each offence forfeit a sum not exceeding fifty dollars, to be recovered by the said treasurer, to the use of the town. *Ib.* § 19.

bers are present, shall have authority to make all reasonable orders and by-laws, not repugnant to the laws of the Commonwealth, for the ordering and regulating the work-house under their charge. *Ib.* § 11.

13. The said joint board of directors may also, at any such quarterly meeting, agree with the master and assistants, and order a suitable compensation for their services; but all other matters, relating to any such work house, may be acted upon at any other meeting duly notified, provided one third of the whole number of the board are present; the doings of such last mentioned meetings being subject, however, to be altered or revised at any general stated meeting. *Ib.* § 12.

15. If any town shall refuse or neglect to advance or reimburse its proportion of the sums of money, mentioned in this title, after the same shall have been adjusted by the joint board of directors, the same may be recovered of such delinquent town, in an action to be brought by any person, whom the said board shall in writing appoint for that purpose. *Ib.* § 14.

16. No greater number of persons, belonging to any town shall be received into a work house, jointly provided as aforesaid, than such town's proportion of such house, when the receiving of them will exclude or be inconvenient to such as belong to the other towns interested. *Ib.* § 15.

17. If any town jointly interested in any work house, shall refuse or neglect to provide its proportion of the necessary expenses of such house, or of the materials, implements, or other means of performing the work there required according to its agreement, or to the directions of the said joint board of directors, such towns shall be deprived of the privilege of sending any person thither, for so long time as it shall neglect or refuse to make such provision. *Ib.* § 16.

18. In addition to the proportion of expenses and other

things mentioned in the preceding section, to be furnished jointly by any towns, each of such towns may furnish such other materials, and implements and means of work, as the overseers of the poor of such town may choose, for the employment of any person committed to such house: and the master of the house shall receive such materials, implements and means of work, and keep them separate from those of the other towns, and shall be accountable to each town interested, as well for the cost, as for all profits and earnings, made by the labor of the persons committed to said house. *Ib.* § 17.

19. The master of each work house shall keep a register of the names of the persons committed, and of the towns to which they belong, with the time of their being received and discharged, and of their earnings respectively, to be submitted to the overseers of the poor of said towns, when they shall request it. *Ib.* § 18.

20. All controversies, between the masters of each work house and the overseers of the poor of any town, respecting the accounts or other official doings of the masters, shall be determined by the directors of the house, at their general or quarterly meeting. *Ib.* § 19.

No person duly committed to the work house shall, within the time for which he was committed, be discharged, except by the police court, or the justice who made the commitment, or by the directors of the house at their general or quarterly meeting, or by the court of common pleas at any term held in the county where such house is, for good cause shown upon application for that purpose.* *Ib.* § 20.

22. Every person committed to any work house shall, if able to work, be kept diligently employed in labor during the term of his commitment; and in case he shall be idle and not perform such reasonable task, or stint, as may be assigned, or shall be stubborn and disorderly, shall be punished according to the orders and regulations established by the directors of such house. *Ib.* § 21.

23. When any foreigner, or other person not having his legal settlement in any town in this state, shall become idle or indigent, he may be committed to the work house

provided for the use of such town to be there employed, if able to labor, in the same manner, and subject to the same rules as the other persons there committed; and the master of said house shall keep a true account of the charge of supporting such person, and shall exhibit the same once in every year to the General Court for allowance and payment; credit being therein given for the amount of such person's earnings. *Ib.* § 22.

24. Whenever any person not having a legal settlement within this Commonwealth, shall be committed to any work house by virtue of any law of this Commonwealth, for any cause for which such person might be committed to the house of correction, there shall be allowed and paid for the support and maintenance of such person, during the time of his commitment the same sum as would have been allowed and paid if such person had been committed to the house of correction. *Stat.* 1846, c. 88.

25. The sum to be allowed and paid for the support of any person committed to any workhouse, as provided in the preceding section shall be paid to the overseers of such workhouse, in the same way and manner as is provided in the one hundred and forty-third chapter of the Revised Statutes, for the payment of the expense of supporting and maintaining persons committed to houses of correction. *Stat.* 1846, c. 88, § 2.

26. Of the profits and earnings from the work of persons committed to any work house, one third part shall be appropriated to the support of the master, in addition to such annual salary as the directors of the house may think fit to allow him; and the other two thirds, together with the stock remaining on hand, shall be disposed of as the overseers of the several towns shall think proper, either to the use of their towns, or of the persons committed, or their families. *Ib.* § 23.

27. Any work house may be discontinued or may be appropriated to any other use, whenever the town or towns interested shall decide that it is expedient, and shall determine so to do. *Ib.* § 24.

28. Nothing contained in this title shall be construed to affect any powers and privileges heretofore granted to any towns, or the overseers of the poor thereof, by an act specially relating to work houses erected in such towns. *Ib.* § 25.

Notification to the inhabitants to bring in lists of their polls and estates.

The inhabitants of the town of W — are hereby notified to bring in to the subscribers, assessors of said W —, on any day from — to — true lists of their polls and of all their estates both real and personal (not exempted from taxation) of which they were possessed on the first of May instant

Rules for Assessing Taxes.

Affix against every person's name the number of his polls and also a correct and descriptive list of his taxable property. Cast six per cent upon each man's property, and carry out the result in the columns marked "*reduced value.*" As there is no column for *income*, the value of *every person's* income should be added to his personal estate. Let these several columns be correctly footed, in order to ascertain the total amount of polls and estates in the town.

Of the Poll Taxes.

One sixth part of the whole sum to be raised by any tax should be set upon the polls, as near as can be done conveniently, unless it exceeds *one dollar and fifty cents*, upon an individual, in which case, that sum must be the poll tax, for city, town and county purposes, exclusive of the highway tax.

Add together the town grant and the county tax, and divide the sum by 6. The quotient will be the sum to be assessed upon the polls; divide this by the whole number of polls, and you have the tax upon each.

Of the Apportionment upon the Estates.

After subtracting the amount of the poll taxes from the gross amount of the money to be raised for the town and county, then apportion the balance upon the aggregate of property both real and personal, as contained in the totals of the columns marked "*reduced value*."

EXAMPLE.

The town of W. appropriates \$5000 to defray town charges, and their county tax is \$1650. They have 1050 polls; and the gross amount of their valuation (including real, personal and income) is \$2,500,000. Six per cent. upon this sum gives \$150,000 as their reduced valuation.

1. What sum is to be assessed upon a poll? 2. How much upon a reduced dollar in the valuation? 3. What is the tax of L. L. who has one poll, \$30,000 in real, and \$3000 in personal estate?—

Answer to first question.

Town grant—5,000					
County tax—1,650	1050	1108,33	\$	1,05.	{ on each
		1050			poll.
		6) 6650

		5833			
		5250			
		683			

Answer to 2d question.

$$1050 \text{ polls at } \$1,05 = \$1102.50.$$

$$\text{Deduct this sum from } 6650. \quad 1102.50 = 5547.50.$$

which is to be averaged upon the estates, thus:—

$$150,000 : 5547,50 : : 1 : 003,69 \quad \text{That is, 3 cents 6 mills}$$

[and nine tenths of a mill
[upon a dollar.

$$450000$$

$$1047500$$

$$900000$$

$$1475000$$

$$1350000$$

$$125000$$

It will be perceived that the decimal might be pursued farther, but for practical purposes, we should assess 3 cents and

7 mills upon the dollar which produces a fraction over the precise sum of \$2 50. Thus $150,000 \times 003,7$ is=\$5550.00.

This fraction is called the overlaying, and it is usual to have it much larger. But in no case must it exceed five per cent. upon the tax.

Multiply each man's reduced valuation by 003,7 and you have his tax.

Answer to 3d question. What is the tax of L. L. ?—

PARISH TAXES.

The principle is precisely the same as in town taxes.

To the valuation should be added the amount of real estate owned by the parishioner, in every other town in the Commonwealth.
